PAYMENTS

In consideration of the services specified in Exhibit A, County will pay Contractor based on the following:

- I. Contractor shall be paid at rates set forth herein, to include the complete professional component associated with orthopedic services.
- II. Payment shall be calculated in a manner consistent with reimbursement for orthopedic services. The source of orthopedic base units for Contractor compensation is the 2010 Medical Group Management Association (MGMA), Median Salary for Western Section, Orthopedic Surgery, Hip and Joint.
- III. Contractor compensation for orthopedics by County is based on a projected volume of 3840 RVU work units per annum. If the contract terms of service are amended such that the current numbers of clinic sessions and surgery blocks set forth in Exhibit A are changed, the projected volume of RVU work units and corresponding compensation shall be adjusted accordingly.

If the average monthly RVU work units for Contractor productivity in orthopedics (based on 3840 annual units) vary by fifteen percent (15%) or more over a six (6) month period, the Chief Medical Officer or designee will review and discuss the compensation metric with Contractor, and it will be changed if appropriate.

- IV. In order to provide twenty-four (24) hour/seven (7) day per week call coverage, Contractor will be paid \$300 per night for all call coverage provided in excess of the ten (10) days of call every month as set forth in Section II C of Exhibit A as determined by the Chief of Orthopedics. Compensation for the call coverage referenced in Section II.C. of Exhibit A of this Agreement is included in the monthly compensation set forth in Section VI of this Exhibit B.
- V. County anticipates that Contractor will dedicate approximately ten percent (10%) of the total scheduled time under this Agreement to participate in the upcoming SMART referral process whereby contractors will review incoming orthopedic referrals for appropriateness and completeness. Contractor agrees to provide referring physicians with constructive, timely feedback when appropriate.
- VI. During the term of this Agreement, Contractor shall be paid in twelve monthly installments, at a rate of TWENTY FIVE THOUSAND DOLLARS (\$25,000) per monthly installment.
- VII. Half-day clinic and/or surgery blocks beyond those as described in Exhibit A, Section

II, will be paid monthly at a rate of \$1,800 per half-day block. All additional half day clinics or surgery blocks shall be approved in writing and in advance by the Chief Medical Officer.

- VIII. The term of this Agreement is September 1, 2011 through August 31, 2012. Total payments for services performed under this Agreement shall not exceed FOUR HUNDRED FORTY THOUSAND DOLLARS (\$440,000).
