**2. Services to be performed by Contractor**

In consideration of the payments set forth herein and in Exhibit "B," Contractor shall perform services for County in accordance with the terms, conditions and specifications set forth herein and in Exhibit "A."

**3. Payments**

In consideration of the services provided by Contractor in accordance with all terms, conditions and specifications set forth herein and in Exhibit "A," County shall make payment to Contractor based on the rates and in the manner specified in Exhibit "B." In no event shall

the County's total fiscal obligation under this Agreement exceed FOUR MILLION DOLLARS [\$4,000,000]. All payments due under this Agreement, including but not limited to payments under the Exhibits hereto (including by way of example and without limitation any payments described in Sections 5(b), 5(c)(i), 5(c)(ii), 5(c)(iii), 5(c)(iv), 5(e)(ii), 5(f), 6(c), 6(e), 8(d), and/or 8(e) of Exhibit B, the Management Services Agreement) are subject to this not to exceed amount, and this Agreement must be amended before any fiscal obligation beyond this not to exceed amount can be incurred by the County.

#### **4. Term and Termination**

Subject to compliance with all terms and conditions, the term of this Agreement shall be from November 1, 2012 through October 31, 2017.

This Agreement may be terminated by Contractor, the Chief of the Health System, or his/her designee at any time without a requirement of good cause upon ninety (90) days' written notice to the other party.

In the event of termination, ARAMARK shall provide copies of all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor in accordance with this Agreement shall become the property of the County and shall be promptly delivered to the County. Upon termination, the Contractor shall retain the originals of such materials. Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

#### **5. Availability of Funds**

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds, by providing written notice to Contractor within 2 business days after the County learns of said unavailability of outside funding.

#### **6. Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of the County and that Contractor acquires none of the rights, privileges, powers, or advantages of County employees.

#### **7. Hold Harmless**

Contractor shall indemnify and save harmless County, its officers and employees from all liability to a third party resulting from: (A) injuries to or death of any person, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, or (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, in each case caused by Contractor's negligent acts or omissions or willful misconduct. This indemnification shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct. Further, if the damages, injury, loss or claim is caused by the negligence of both parties, the

apportionment of said damages, injury, loss or claim shall be shared between both Parties based upon the comparative degree of each Party's negligence and each Party shall be responsible for its own defense and its own costs including but not limited to the cost of defense, attorney's fees and witnesses' fees and expenses incident thereto.

This Section will not operate to waive either Party's rights under any worker's compensation act, disability benefits act, or other employee benefits acts, whether in tort, contract, or otherwise.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

## **8. Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without the County's prior written consent shall give County the right to automatically and immediately terminate this Agreement. Notwithstanding the foregoing, Contractor may assign the Agreement to an Affiliate (as defined in Exhibit B) without the consent of County so long as County is timely advised of any such assignment and any such Affiliate agrees in writing to be fully bound by all terms of this Agreement.

## **9. Insurance**

The Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this paragraph has been obtained and such insurance has been approved by Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. The Contractor shall furnish the County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. Notice of cancellation of any insurance policies required herein shall be subject to ACORD 25 Certificate of Liability standards, and will be delivered, as applicable, in accordance with policy provisions.

### **(1) Worker's Compensation and Employer's Liability Insurance**

The Contractor shall have in effect during the entire life of this Agreement Workers' Compensation and Employer's Liability Insurance providing full statutory coverage. In signing this Agreement, the Contractor certifies, as required by Section 1861 of the California Labor Code, that it is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

### **(2) Liability Insurance** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations

under this Agreement, whether such operations be by himself/herself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

Such insurance shall include:

- (a) Comprehensive General Liability . . . . . \$1,000,000
- (b) Motor Vehicle Liability Insurance . . . . . \$1,000,000
- (c) Professional Liability . . . . \$1,000,000

County and its officers and employees shall be named as additional insured on the General Liability policies of insurance, which shall also contain a provision that the insurance afforded thereby to the County, its officers and employees shall be primary insurance to the full limits of liability of the policy, and that if the County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only. Any insurance coverage (additional insured or otherwise) that Contractor provides for County and its officers and employees shall only cover insured liability assumed by Contractor in this Agreement; such insurance coverage shall not otherwise cover liability in connection with or arising out of the wrongful or negligent acts or omissions of County and its officers and employees.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

**10. Compliance with laws; payment of Permits/Licenses**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, including, but not limited to, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, and the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended and attached hereto and incorporated by reference herein as Attachment "I," which prohibits discrimination on the basis of handicap in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. The parties agree that, pursuant to Section 70713 of Title 22 of the California Code of Regulations ("Title 22"), the facility retains all professional and administrative responsibility for services rendered under this Agreement and that this Agreement is otherwise subject to any applicable requirements of Title 22. Further, Contractor certifies that the Contractor and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware.

In the event of a conflict between the terms of this agreement and State, Federal, County, or municipal law or regulations, the requirements of the applicable law will take precedence over the requirements set forth in this Agreement.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

**11. Non-Discrimination and Other Requirements**

- A. *Section 504 applies only to Contractor who are providing services to members of the public.* Contractor shall comply with § 504 of the Rehabilitation Act of 1973, which provides that no otherwise qualified handicapped individual shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of this Agreement.
- B. *General non-discrimination.* No person shall, on the grounds of race, color, religion, ancestry, gender, age (over 40), national origin, medical condition (cancer), physical or mental disability, sexual orientation, pregnancy, childbirth or related medical condition, marital status, or political affiliation be denied any benefits or subject to discrimination under this Agreement.
- C. *Equal employment opportunity.* Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. Contractor's equal employment policies shall be made available to County of San Mateo upon request.
- D. *Violation of Non-discrimination provisions.* Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager, including but not limited to
  - i) termination of this Agreement;
  - ii) disqualification of the Contractor from bidding on or being awarded a County contract for a period of up to 3 years;
  - iii) liquidated damages of \$2,500 per violation;
  - iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.
- E. *Compliance with Equal Benefits Ordinance.* With respect to the provision of employee benefits, Contractor shall comply with the County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.
- F. The Contractor shall comply fully with the non-discrimination requirements required by 41 CFR 60-741.5(a), which is incorporated herein as if fully set forth.

**12. Retention of Records, Right to Monitor and Audit**

- (a) CONTRACTOR shall maintain all required records for three (3) years after the COUNTY makes final payment and all other pending matters are closed, and shall be subject to the examination and/or audit of the County, a Federal grantor agency, and the State of California.

(b) Reporting and Record Keeping: CONTRACTOR shall comply with all program and fiscal reporting requirements set forth by appropriate Federal, State and local agencies, and as required by the COUNTY.

(c) CONTRACTOR agrees to provide to COUNTY, to any Federal or State department having monitoring or review authority, to COUNTY's authorized representatives, and/or their appropriate audit agencies upon reasonable notice, access to and the right to examine all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules and regulations, and this Agreement, and to evaluate the quality, appropriateness and timeliness of services performed.

**13. Merger Clause**

This Agreement, including the Exhibits attached hereto and incorporated herein by reference, constitutes the sole Agreement of the parties hereto and correctly states the rights, duties, and obligations of each party as of this document's date. In the event that any term, condition, provision, requirement or specification set forth in this body of the agreement conflicts with or is inconsistent with any term, condition, provision, requirement or specification in any exhibit and/or attachment to this agreement, the provisions of this body of the agreement shall prevail. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications shall be in writing and signed by the parties.

**14. Controlling Law and Venue**

The validity of this Agreement and of its terms or provisions, as well as the rights and duties of the parties hereunder, the interpretation, and performance of this Agreement shall be governed by the laws of the State of California. Any dispute arising out of this Agreement shall be venued either in the San Mateo County Superior Court or the United States District Court for the Northern District of California.

## Exhibit "B "

### MANAGEMENT SERVICES AGREEMENT

This Exhibit B (the "**Management Services Agreement**" or Exhibit "B") to the Agreement outlines the scope of services provided by ARAMARK to Customer, as well as details about payment for such services. To the extent that any terms of this Exhibit B conflict with the Agreement above, the provisions of the Agreement are primary and control, with the conflicting portions of this Management Services Agreement not having any effect. **Section 10** of this Management Services Agreement, entitled "Definitions," contains a list of defined terms used in Exhibit B.

1. **ARAMARK's Services.** ARAMARK shall provide "Management Services" to Customer, which shall, in general, consist of ARAMARK's managing Customer's Clinical Technology Services departments. ARAMARK shall assume managerial responsibility for the operation of Customer's existing clinical technology services departments, supervise the employees in those departments, and apply ARAMARK's programs and expertise as appropriate. The Service Line Exhibits to this Management Services Agreement describe the Management Services in more detail.

2. **Term and Renewals.** The Term will begin on November 1, 2012 (the "Effective Date") and will continue until October 31, 2017 (the "Initial Term"), unless terminated in accordance with **Section 8** or renewed. This Management Services Agreement may be renewed by mutual written agreement of the parties for a term of two additional years.

3. **Personnel.**

(a) **ARAMARK Operations Team.** The ARAMARK Operations Team will consist of at least one manager (the "ARAMARK Manager") and will train and manage the Service Employees and oversee the provision of the Management Services. The ARAMARK Manager will act as ARAMARK's chief representative in its day-to-day performance of the Management Services.

(b) **Service Employees.** ARAMARK will employ the Service Employees.

(c) **Payroll Responsibility.** Customer and ARAMARK each will pay and provide all salaries, payroll taxes and other taxes, benefits, fees, and other charges or insurance required by law (for example, unemployment taxes, Social Security contributions, and worker's compensation premiums) attributable to each of its own employees.

(d) **Rules and Regulations.** While at the Facilities, all ARAMARK employees shall be subject to Customer's rules and regulations, copies of which Customer will provide to ARAMARK reasonably in advance.

4. **Operational Matters.**

(a) **Space and Utilities.** Customer will provide ARAMARK with appropriate office, storage, locker, warehouse, and distribution space and services at the Facilities, including all utilities and appropriate access to copiers, computers, printers, and other customary office equipment and to Customer's voicemail, internal e-mail, and intranet systems.

(b) **Joint Review.** To promote Customer's satisfaction, the Parties' representatives will meet on a regular basis to discuss the financial and operational aspects of the Management Services.

(c) **Purchasing.** ARAMARK shall manage all purchases of products, supplies, equipment and services utilized in the Management Services. Unless excluded elsewhere in this Management Services Agreement, all such purchases are included in the ARAMARK Payment. With respect to any such purchases that will be reimbursed by Customer as direct costs, Customer is entitled to receive all local trade discounts, as well as all purchasing discounts and rebates provided by Customer's group purchasing program based upon such program's arrangements with distributors and suppliers. ARAMARK shall be entitled to receive and retain

all cash discounts and all other discounts, rebates and allowances otherwise available to ARAMARK under its arrangements with distributors and suppliers.

If an ARAMARK Affiliate or division furnishes products, supplies, equipment or services in connection with the Management Services, then the associated charges to Customer shall be competitive with the cost of obtaining such items or services from an independent source in the open market.

(d) IT System. ARAMARK shall develop, implement, operate and maintain the IT System, in accordance with the attached Information Technology Exhibit.

## **5. Payment.**

(a) Customer's Agreement to Pay. All facilities, equipment and services that are specifically excluded from the ARAMARK Payment, or that are otherwise to be provided by Customer under this Agreement, shall be provided at Customer's expense. In consideration of ARAMARK's performance under this Agreement, Customer agrees to pay ARAMARK as set forth below.

(b) ARAMARK Payment. Customer shall pay ARAMARK a fee for the Management Services (the "ARAMARK Payment"). Subject to adjustment as provided in subsequent sections of this **Section 5**, the initial ARAMARK Payment shall be \$670,000 per year, or \$55,833.33 per month. If services/equipment coverage is added by mutual written agreement under this Management Services Agreement, the monthly ARAMARK Payment may increase to up to \$66,666.67 per month, or approximately \$800,000 per year.

(c) Adjustment of the ARAMARK Payment.

(i) Effective on each anniversary date of the Effective Date of this Management Services Agreement, the ARAMARK Payment will be increased by the percentage amount equal to the percentage increase, if any, during the 12-month period preceding the anniversary of the Effective Date in the Consumer Price Index for All Urban Consumers ("CPI-U") published by the United States Department of Labor, Bureau of Labor Statistics (1982-1984 = 100% base period), U.S. City Average, Medical Care, or a comparable index if that index is not available.

(ii) If ARAMARK's costs increase due to increases in employee health and welfare benefits costs or due to causes beyond ARAMARK's control, including, but not limited to, an increase in federal, state or local minimum wage rates, an increase in employer contributions to social security or payroll taxes (including retroactive changes to such contributions), or changes in a collective bargaining agreement covering ARAMARK's or Customer's employees, then ARAMARK shall give Customer written notice of such increase, and ten (10) business days after such notice, the ARAMARK Payment shall be adjusted automatically to reflect the full amount of such increase in costs, such adjustment to be retroactive to the date of such increase.

(iii) The ARAMARK Payment will be adjusted for any change in scope, as set forth in **Section 9(a)** of the Agreement and, for any "Substantial Changes," as set forth in **Exhibit CTS**.

(iv) Addition and Deletion of Schedule II Equipment. Determination of the total annual cost allocated to Schedule II Equipment shall be completed by ARAMARK and approved by Customer within 90 days of the Commencement Date. As ARAMARK assumes responsibility for Schedule II Equipment (as a result of the termination or expiration of underlying Schedule II Agreements), the ARAMARK Payment shall be increased automatically by an amount equal to the cost allocated to the particular Schedule II Equipment at issue. Deletion of equipment resulting in Substantial Change (as defined in **Exhibit CTS**) will result in a corresponding reduction to the ARAMARK Payment.

(d) Items Included in the ARAMARK Payment. The ARAMARK Payment includes certain materials, supplies and equipment that are necessary to perform the Management Services, as described below hereinafter. As part of the Management Services, ARAMARK will also process and pay invoices for the goods and purchased services specified below.

- (i) Clinical Equipment Materials, Supplies and Equipment.
  - (1) The cost of purchasing and scheduled calibration of all test equipment and tools used in the daily operation of the clinical engineering department is included in the ARAMARK Payment. All such test equipment purchased for use by Customer shall be dedicated for full-time use by Customer.
  - (2) All test equipment owned by Customer as of the Effective Date will continue to be owned by Customer. Notwithstanding the foregoing, Customer grants to ARAMARK the right to use such equipment for the provision of Management Services, as such use may be necessary. ARAMARK will maintain such equipment in working order until the equipment is no longer serviceable or is no longer needed.
  - (3) Any specialized tools or equipment needed to complete a task outside the scope of this Management Services Agreement will be the responsibility of Customer.
  - (4) All necessary chemicals needed to complete the daily operations of the clinical engineering department will be included in the ARAMARK Payment.
- (ii) Computer Equipment and Software. Computer equipment and software provided by ARAMARK to render the Management Services (including computer hardware), if any, will be as described in the Exhibits and will remain the property of ARAMARK; ARAMARK will be responsible to repair, maintain and replace such equipment at no additional cost to Customer. All other computer equipment and software necessary for the Management Services (including computer hardware), if any, will be provided by Customer and will remain the property of Customer; Customer will be responsible to repair, maintain and replace such equipment at no additional cost to ARAMARK. If Customer uses any specialized software pertaining to programs included in the Management Services at any time during the term of this Management Services Agreement, then Customer, at its own cost, will make such software and appropriate hardware available for use by ARAMARK and the Management Services will incorporate use of that software.
- (e) Matters Specifically Excluded from the ARAMARK Payment. The ARAMARK Payment is limited to the scope of ARAMARK's Management Services, as described in the Exhibits to this Management Services Agreement, and the ARAMARK Payment does not include any items beyond ARAMARK's scope of work thereunder (e.g., items excluded generally or specifically in the Agreement and/or its Exhibits). Without limiting the foregoing, the ARAMARK Payment does not include the following items:
  - (i) Utilities. The ARAMARK Payment does not include the cost of any utilities.
  - (ii) Taxes. The ARAMARK Payment does not include sales, use, excise or other similar tax. Consequently, in addition to the ARAMARK Payment, the amount of any present or future sales, use, excise, value-added or other similar tax applicable to the manufacture, sale, price, delivery or use of the products or services furnished hereunder shall be paid by Customer; or, in lieu thereof, Customer shall provide ARAMARK with a tax-exemption certificate applicable to the taxing authorities.
  - (iii) Safety Equipment. Customer will provide all safety equipment for safe performance of the Management Services (including, but not limited to, eye/hearing protections, shoes, fall protection devices, eye wash stations, harnesses, rescue gear, personal protective equipment, lockout equipment, monitoring equipment, etc.).
  - (iv) Vendors. The ARAMARK Payment does not include any expenses for vendors retained by Customer, except to the extent identified in Schedule II of **Exhibit CTS**.
  - (v) Other. The ARAMARK Payment does not include any expenses incurred for goods or services provided by employees, agents, temporary workers, and contractors retained directly by Customer without ARAMARK's prior written consent. Likewise, ARAMARK shall not be entitled to payment for goods or services provided by employees, agents, temporary workers, and contractors

retained directly by ARAMARK unless such goods or services have been agreed to in advance by Customer.

(f) Customer's Support. The Parties understand and agree that ARAMARK needs the support and cooperation of Customer and the Hospital in order to achieve the Parties' goals under this Management Services Agreement. Customer agrees to support and cooperate with ARAMARK by implementing the Management Services programs at the Hospital. If Customer prevents ARAMARK from purchasing certain products or services from an ARAMARK-recommended supplier and, as a result, greater costs are incurred for that item, then the additional cost for that item will not be included in the ARAMARK Payment.

(g) Other Items. Except for those items included in the ARAMARK Payment (as set forth in the Exhibits), all other materials, supplies, equipment, and services will be provided by Customer, at Customer's expense.

## **6. Other Financial Matters.**

(a) Initial Payment. Before the Management Services begin, Customer will pay ARAMARK an amount equal to an estimate of the ARAMARK Payment for one month (the "Initial Payment"). ARAMARK shall not be required to segregate the Initial Payment from its general accounts, and no trust relationship shall exist between ARAMARK and Customer with respect to the Initial Payment. ARAMARK will retain the Initial Payment and will credit that amount (without payment of interest or other amount for its use) to Customer in ARAMARK's final billing upon expiration or termination of this Management Services Agreement.

(b) Invoicing. On the first day of each month, ARAMARK will submit to Customer an invoice for the ARAMARK Payment owed ARAMARK for the succeeding month, as well as any taxes and other reimbursable amounts paid by ARAMARK during the prior month (including, without limitation, any amounts paid by ARAMARK on Customer's behalf for any equipment operating licenses, registrations and other miscellaneous costs associated with the provision of the Management Services).

(c) Payment Terms. Customer shall pay all amounts due under this Management Services Agreement within ten days of the date the invoice reflecting the amount. If Customer does not pay any such amount within 25 days after its invoice date, then the unpaid portion will bear interest, from the invoice date until paid, at a rate of 1.5% per month (or, if prohibited by law, then the maximum rate permitted legally) on the unpaid balance, computed from the invoice date until the date paid.

(d) Disputes Over Amounts Due. If Customer, in good faith, believes that it does not owe all or part of an amount reflected on an ARAMARK invoice, and if Customer advises ARAMARK of this belief within 14 days of receiving the applicable invoice, then any obligation to pay the amount due shall be tolled for a period of 14 days. During that 14-day period, the Parties shall, in good faith, use their best efforts to resolve the dispute, including, at Customer's request, a meeting or conference call between the Chief Financial Officers of both Customer and ARAMARK. Whether or not the Parties resolve the dispute, the tolling of any obligation to pay shall end at the end of the 14-day period.

(e) Unforeseen Tax. If a government authority determines that any sale, purchase, payment or use of property made to or by ARAMARK under this Agreement, either in whole or in part, is subject to any sales, use, gross receipts, property or any similar tax, which tax was not contemplated by the Parties at the Effective Date, then Customer shall be responsible for such tax liability and any interest.

(f) Start-Up Services. The Management Services will begin with a start-up phase for the transition of the Management Services to ARAMARK, during which the ARAMARK Operations Team will familiarize itself with Customer's Facilities, operations, applicable equipment, supplies, and other such matters. Customer shall pay ARAMARK for all costs incurred by ARAMARK in connection with this start-up phase ("Start-Up Costs"). Start-Up Costs shall include costs associated with ARAMARK employees who perform services in connection with the opening of the department(s), including, but not limited to, all personnel costs (including wages and salaries, vacation (including earned but unpaid vacation) and holiday pay, and other paid time off for ARAMARK employees working at the Facilities; payroll costs; and an allocated charge for fringe benefits and human resource services), employee training, management relocation expenses, all expenses related to survey, program design, and program implementation costs, the installation of equipment, fixtures, furnishings,

decorations and other similar items, and all ARAMARK support service expenses. ARAMARK will bill Customer for the Start-Up Costs as such costs are incurred by ARAMARK.

**7. Insurance.** ARAMARK will arrange for workers' compensation insurance as required by law. Additionally, to insure its liability assumed under this Agreement, ARAMARK will carry commercial general liability insurance (including products, contractual, and broad form vendor's coverage), with limits of \$1,000,000.00 per occurrence. ARAMARK will furnish to Customer, upon request, a certificate of insurance indicating that such coverage is in effect. Both Parties waive all rights of recovery from each other for property damage or loss of property use, however occurring. The foregoing waiver includes, but is not limited to, waiver of losses covered by fire, extended coverage, boiler explosion and sprinkler leakage policies, but does not waive personal injury or death claims.

**8. Termination.**

(a) Termination. Customer and ARAMARK each may terminate the Agreement with or without cause by giving the other Party 90 days prior written notice. Neither Party may issue such a notice until 90 days after the Effective Date.

(b) Termination for Cause. If one Party (the "Notifying Party") believes that the other Party (the "Responding Party") has materially breached this Management Services Agreement, and if the Notifying Party so notifies the Responding Party in writing with sufficient detail to provide the Responding Party with an opportunity to cure the alleged breach, then the Responding Party will have 30 days from its receipt of such notice to cure the alleged breach (the "Cure Period"). If, after the Cure Period has ended, the Notifying Party reasonably considers that the Responding Party has not cured the alleged breach, then the Notifying Party may notify the Responding Party of its intent to terminate the Agreement, which termination shall occur after an additional 30-day transition period (the "Transition Period"). The Parties will cooperate with each other during the Transition Period, so that Customer or another service provider may assume the Management services in an orderly manner.

(c) Termination for Breach of Payment Obligations. If Customer does not pay ARAMARK any amount due within the time provided in this Management Services Agreement and still does not do so for ten days after receiving written notice from ARAMARK of such failure, then ARAMARK may terminate this Management Services Agreement immediately.

(d) Prepaid Vendor Contracts. Upon termination or expiration of this Management Services Agreement, Customer will reimburse ARAMARK for the costs of any prepaid vendor contracts that ARAMARK has paid, or on which ARAMARK has incurred an obligation to pay, for Customer's benefit.

(e) Purchase of Inventory and Equipment. At the termination or expiration of this Management Services Agreement, Customer shall, if requested by ARAMARK, purchase ARAMARK's usable inventory of products, supplies and equipment (purchased pursuant to **Section 4(c)**) that ARAMARK has not charged as a Direct Cost. The purchase price for such inventory will be ARAMARK's invoice cost, and ARAMARK will submit to Customer an invoice for such inventory.

(f) ARAMARK's Risk Assumption Guarantee Charge. As provided for in this Management Services Agreement, Supplier has assumed certain financial risks with respect to the Covered Equipment. To establish the appropriate compensation for this assumption of risk, Supplier has assumed that the financial risk will be allocated over the Initial Term of the Management Services Agreement. Therefore, if Customer terminates the CTS Management Services prior to expiration of the Term of the Management Services Agreement, for any reason other than for material breach by ARAMARK, then Customer shall pay ARAMARK a risk assumption guarantee charge ("Risk Assumption Guarantee Charge") equal to twenty-five percent (25%) of the remaining ARAMARK Payment (at the then-current ARAMARK Payment amount) for CTS Services that Customer would otherwise be required to pay during what would otherwise have remained of the Term. Customer shall pay ARAMARK the Risk Assumption Guarantee Charge on or before the effective date of termination. The Parties hereto acknowledge that the Risk Assumption Guarantee Charge is not a penalty and represents a reasonable attempt by the Parties to estimate ARAMARK's de-mobilization costs and lost investment in the event of termination without cause by Customer.

(g) Appropriation of Funds. If sufficient funds are not appropriated for Customer's proposed budget for its next fiscal year to enable Customer to make payments due to ARAMARK under this Management Services Agreement, and if Customer has no funds available from any other source that can be used for that purpose, then Customer will provide ARAMARK with an opinion letter and supporting documentation from Customer's attorneys containing a specific description of the lack of funds and will allow ARAMARK to audit Customer's books and records on the appropriations, budget, and shortfall. Customer and ARAMARK then will review the Management Services in light of all funds available to Customer for such services and Customer's actual budget for its next fiscal year, to determine a level of Management Services that can be performed within the proportionate level of all available funds. If ARAMARK does not present such modifications of its Management Services program, then either Party may terminate this Management Services Agreement effective at the end of Customer's then current fiscal year, upon 90 days prior written notice and Customer will not contract with another service provider for services similar to the Management Services during the remainder of the then current term if this Agreement is terminated pursuant to this Section.

## **9. General Provisions**

### **(a) Confidential Information and Proprietary Materials.**

(i) ARAMARK and Customer acknowledge that each may disclose Confidential Information to the other. If that happens, then the receiving Party shall: (a) maintain the Confidential Information in strict confidence, disclosing it only to its employees, agents, and affiliates, only as necessary for the Management Services, and only after informing the recipient of the restrictions contained in this subsection; (b) use Confidential Information only to fulfill its obligations under this Agreement; (d) not photocopy or otherwise duplicate any such Confidential Information without the prior written consent of the disclosing Party; and (e) return or destroy all documents, copies, notes, or other materials containing any portion of the Confidential Information upon request of the other Party and upon termination or expiration of this Agreement. These restrictions shall not apply to the extent that disclosure is required by law nor to any portion of the Confidential Information that: (a) was known to the receiving Party before receipt, directly or indirectly, from the disclosing Party; (b) was lawfully obtained, directly or indirectly, by it from a third party that was under no obligation of confidentiality; (c) is or becomes publicly available other than as a result of an act or failure to act by the receiving Party; or (d) is developed by the receiving Party independent of the Confidential Information disclosed by the disclosing Party.

(ii) Neither ARAMARK nor Customer shall disclose the terms of this Agreement to any other person or entity outside its organization other than as required by law. Neither Party shall make any public announcement concerning the existence of this Agreement or its terms unless such disclosure is required by law or such Party receives prior written approval from the other Party.

(iii) All computer software programs, signs, and marketing or promotional literature and material (collectively referred to as "Proprietary Materials") used by ARAMARK at the Facilities shall remain ARAMARK's property. Upon termination of this Management Services Agreement, Customer shall forever cease using and accessing any trademarks, service marks and logos, software programs and files owned by ARAMARK or licensed to ARAMARK by third parties and shall immediately return all Proprietary Materials to ARAMARK (or, in the case of software, delete such software from Customer's systems). ARAMARK agrees that all historical and service-related information relating to the Covered Equipment specified in **Exhibit CTS** is and shall at all times be considered and remain the property of Customer, and all such information shall remain at the Facilities. ARAMARK will make such information available for use or inspection by Customer's safety committee or any regulatory or compliance agency if necessary.

(b) Restrictions on Hiring Supervisory Employees. Customer and ARAMARK acknowledge that the other has invested considerable amounts of time and money in training its Supervisory Employees in the systems, procedures, methods, forms, reports, formulas, computer programs, plans, techniques and other valuable information that are proprietary and unique to its manner of conducting its business and that it makes such information available to its Supervisory Employees, its subsidiaries and affiliates, on a confidential basis.

Therefore, Customer and ARAMARK agree that they will not employ, contact with, or utilize, directly or indirectly (such as through consulting contracts or contracts with companies that employ or otherwise retain any Supervisory Employees), any Supervisory Employee of the other Party (including its subsidiaries or affiliates) during the Term or the twelve months after the Term. If a Party violates the conditions of this subsection, then the other Party shall have the right to apply to a court of competent jurisdiction for an injunction without the need to post a bond, and the breaching Party shall be liable to the other Party for all reasonable attorney's fees, costs and expenses incurred in enforcing this Section. Additionally, the breaching Party will pay to the other Party, as liquidated damages and not as a penalty, an amount equal to two times the annual salary of the Supervisory Employee(s) in question. The Parties agree that the foregoing restrictions are reasonably necessary to protect their respective legitimate business interests, and that they are reasonable as to their scope and duration.

(c) No Waiver. No waiver of any right, obligation, or remedy under this Agreement will be effective against either Party unless it is in writing and signed by the waiving Party.

(d) Severability. If a court holds that one or more provisions of this Agreement is invalid, unenforceable, or void, then that ruling will not affect any other provisions of this Agreement, and all other provisions will remain in full force and effect.

(e) Authority. Customer and ARAMARK represent and warrant that they have the requisite authority to enter into this Agreement, that the individuals who executed this Agreement on their behalf have all required authority and approvals to do so and to bind them, and that they have done and will do all things necessary so that this Agreement will be valid, binding and legally enforceable upon them.

(f) Counterparts. This Agreement may be executed in multiple counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. A facsimile signature shall be considered valid as if an original signature.

(g) Regulatory Compliance. The Parties acknowledge and agree that the amounts paid to ARAMARK by Customer are intended to comply with Section 1128B of the Social Security Act (codified at 42 U.S.C. § 1320a-7b). Accordingly, Customer acknowledges that it knows of the provisions governing the reporting of certain discounts and rebates pursuant to 42 C.F.R. § 1001.952(h) and agrees to report accurately to private and governmental third-party payors, health plan sponsors, patients and others, to the extent required under law, all such payments by ARAMARK.

(h) No Third Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any party other than the Customer and ARAMARK.

(i) Relationship. ARAMARK will perform the Management Services as an independent contractor, and, unless specifically provided in any of the Exhibits, nothing in this Agreement shall make ARAMARK, or its employees, a common law employee, agent, partner, or fiduciary of or co-venturer with Customer.

(j) Licensing. ARAMARK is not a licensed architect or engineer and shall not act as one when providing the Management Services.

(k) Exclusivity. Customer shall not permit a third-party to provide any part of the Management Services during the Term.

(l) Information and Conditions. In determining the resources required to perform the Management Services, ARAMARK relied on the information provided by Customer about its operations and finances and on conditions existing on the Effective Date (including, but not limited to, labor and supply costs; tax rates; license and permit fees; Customer's employees at the Facilities; the size, condition, and uses of the Facilities; average bed occupancy rates; patient volume; staffing and shifts). Customer represents that the information it provided is current, complete, and accurate. Customer will continue to provide similar information to ARAMARK from time to time and represents that such information will also be current, complete,

and accurate at the time provided. If such information materially changes or is inaccurate, or if applicable conditions materially change, then the Parties shall negotiate in good faith a reasonable adjustment of the financial provisions of this Agreement and memorialize the adjustment in a written amendment.

(m) Change in Scope. During the Term, Customer and ARAMARK may agree that the scope of the Management Services should change, including those factors described as “Substantial Changes” in Exhibit CTS. For example, the Parties may agree that ARAMARK should serve in additional areas of the Facilities, in new facilities, on a more frequent basis, in a different way, or with different resources. If the agreed-upon changes are material, then the Parties shall negotiate in good faith a reasonable adjustment of the financial provisions of this Agreement and memorialize the adjustment in a written amendment.

(n) Collections. If ARAMARK incurs legal fees and costs in enforcing its right to payment under this Agreement, Customer shall reimburse ARAMARK for those fees and costs.

(o) Indemnification. Each Party shall indemnify the other for all losses arising from claims by third-parties based on that Party’s negligence.

(p) Personnel Actions. If Customer or ARAMARK takes a personnel action at the other Party’s direction that it would not have taken but for the other Party’s direction, then the other Party shall indemnify it against third-party claims concerning that action. Such personnel actions will not include a good faith request by Customer to have an employee of ARAMARK cease working with Customer; so long as such request is made by Customer upon good cause, it will not form a basis for imposing an indemnification obligation on Customer.

(q) ARAMARK shall provide the Management Services with the same degree of care normally exercised by other management service providers under similar circumstances.

(r) Limitation of Liability. ARAMARK’s liability to Customer and the Facilities shall not under any circumstances exceed the greater of the annual ARAMARK Payment or the actual proceeds of insurance (described in Section 7) for the applicable claim (including the deductible portion). Neither Party will be liable to the other for any loss of business, business interruption, consequential, special, indirect or punitive damages.

(s) Hazardous Substances and Pre-Existing Conditions. ARAMARK has no duty to investigate, to detect, or to address any Hazardous Substances and will not be responsible for any Pre-Existing Conditions. Prior to the Effective Date, Customer will inform ARAMARK of the presence of any Hazardous Substances or Pre-Existing Conditions. Customer acknowledges that ARAMARK employees will not be required to work in any location where they could be exposed to such Hazardous Substances unless they are provided with the proper training and protections. ARAMARK will indemnify Customer against third-party claims to the extent based on ARAMARK’s negligent use, handling or disposal of Hazardous Substances. Customer will indemnify ARAMARK against any other third-party claims concerning Hazardous Substances or Pre-Existing Conditions.

(t) Force Majeure. If either Party is rendered unable to perform its duties under this Agreement, in whole or in part, by reason of any event that is not reasonably under its control (including, but not limited to, Acts of God, fires, floods, earthquakes, accidents, strikes, riots, national emergencies, and other such force majeure events), then any duty so impacted will be suspended during such event. The Party rendered unable to perform due to force majeure must promptly notify the other Party, and neither party shall be responsible to the other Party for any losses resulting from such force majeure, except for payment of monies owed. If either Party’s inability to perform exceeds 120 days, then either Party may terminate this Agreement by written notice, effective upon the other Party’s receipt of such written notice.

(u) Customer and ARAMARK intend to be legally bound to the terms of this Agreement.

(v) Survival. The sections and subsections of this Agreement titled “Other Financial Matters,” “Insurance,” “Prepaid Vendor Contracts,” “Start-Up Services,” “Purchase of Inventory,” and “General Provisions” shall survive the termination or expiration of this Agreement.

(w) Compliance with Durable Medical Equipment, Prosthetics, Orthotics and Supplies ("DMEPOS") Regulations. Customer acknowledges and agrees that ARAMARK is not enrolled in Medicare, Medicaid, or any other Federal health care program as a DMEPOS supplier. Customer shall be solely responsible for compliance with all applicable DMEPOS regulations, including, without limitation, Medicare Conditions of Participation and billing, coding and reimbursement. Customer shall indemnify and hold ARAMARK harmless for any claims related to or arising from an assertion of noncompliance, on the part of ARAMARK or Customer, with any DMEPOS rules or regulations. ARAMARK shall allow Customer access to the Medical Equipment and ARAMARK's records and reports in connection with the Management Services, upon reasonable notice and during normal business hours, in order for Customer to comply with all applicable DMEPOS regulations.
