Dear Mr. Hendrix:

On Sunday, September 8, 2013, Firstwave Events will hold the 12th annual Big Kahuna Triathlon. The bicycle portion of this race will occur on Highway 1 from Santa Cruz County up to Pigeon Point in San Mateo County.

The San Mateo County Board of Supervisors was notified by Firstwave Events that Caltrans requires a letter from San Mateo County demonstrating the County's support for the event. Firstwave Events has developed a comprehensive Traffic Control Plan, calling for support from the Santa Cruz Police Department and the California Highway Patrol Offices in Santa Cruz and San Mateo Counties. The San Mateo County Sheriff's Lieutenant in charge of the coastal sub-station is aware of this event and has been provided with a copy of the Traffic Control Plan. She is comfortable with the plans made for traffic control. It is my understanding that all necessary arrangements have been made.

This letter should serve as an adequate indication of San Mateo County's awareness of and support for this event. Please do not hesitate to contact me with any questions or concerns. Thank you.

Sincerely,

Don Horsley
President, San Mateo County Board of Supervisors
