**RESOLUTION REJECTING ALL BIDS RECEIVED FOR THE COYOTE POINT
MARINA FUEL DOCK AND DOCK 10 PILE REPLACEMENT AND FUEL DOCK
PIPING REPLACEMENT PROJECT**

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, on July 23, 2013, this Board adopted Resolution No. 072708, which adopted the plans and specifications (the “Plans and Specifications”), including conformance with prevailing wage scale requirements and called for sealed proposals for the replacement of pier pilings at the Coyote Point Marina Fuel Dock and Dock 10 , and upgrade of associated fuel, electrical and fire water piping; and

WHEREAS, the engineer’s estimate for the construction cost was \$216,000; and

WHEREAS, on August 13, 2013, bids were received for this project and referred to the Department of Public Works for analysis and recommendation; and

WHEREAS, the apparent low bidder has been determined to be a non-responsible bidder because they do not hold a fire protection contractor classification as required by the California Business and Professions Code Section 7026.12 to perform the fire protection system portion of the project; and

WHEREAS, the remaining bids significantly exceeded the estimated construction cost; and

WHEREAS, the Director of Public Works recommends that all bids received for the project be rejected as set forth in the “Notice to Contractors” section of the Specifications.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that:

it is in the best interests of the County of San Mateo to reject all bids; and the Board of Supervisors hereby rejects all bids received for the Coyote Point Marina Fuel Dock and Dock 10 Pile Replacement and Fuel Dock Piping Replacement Project, and directs the Director of Public Works, or his designee, to inform all the bidders on this project of this determination.
