Contractor shall submit to County a year-end billing report no later than ninety (90) days after the end of each fiscal year (June 30th). This report will include a final determination of eligibility for MCE services and will be the basis for an annual reconciliation.

If the final reconciliation shows that services were provided to MCE eligible clients for which MCE payment was not made, County shall pay Contractor up to the difference of what was already paid for services and would be due at MCE rates. In the event that Contractor fails to meet contractual obligations in MCE service delivery and billing, BHRS may suspend or withhold payment of MCE match. In the event that Contractor exceeds billing target, the County may, at its option, amend the Agreement to increase the amount of MCE match in order to maximize FFP payments.
