Subject: Housing Authority of the County of San Mateo FY2015 Moving-to-Work Annual Plan

RECOMMENDATION:

Acting as the Governing Board of Commissioners of the Housing Authority of the County of San Mateo, conduct a public hearing to consider adopting Resolution 2014-05 approving the Housing Authority of the County of San Mateo FY2015 Moving-to-Work Annual Plan.

BACKGROUND:

Moving-to-Work (MTW) is a demonstration program that offers participating housing authorities the opportunity to design and test innovative, locally designed housing and self-sufficiency strategies for low-income families by allowing exceptions from certain housing regulations. In April 2008, the Board approved the Housing Authority 10-year MTW Amended and Restated Agreement with the U.S. Department of Housing and Urban Development (HUD), authorizing an extension to participate in the program.

Since 2008, the Housing Authority of the County of San Mateo (HACSM) has implemented activities to increase administrative efficiencies, encourage self-sufficiency, and increase housing choice. Some of these activities include the Tiered Subsidy Table, an alternate way to calculate tenant rent and housing subsidy; biennial recertification's for elderly and disabled households; and the Provider-Based Assistance program which has allowed HACSM to serve households, such as survivors of domestic violence, not effectively served through a traditional wait list process.

As part of its participation in the MTW program HUD requires housing authorities to submit an MTW Annual Plan by April 15 of each year. The MTW Annual Plan process

requires obtaining input from the public and approval from the Board of Commissioners and HUD.

The MTW Annual Plan includes information related to proposed and ongoing activities, as well as agency long term goals and strategies.

DISCUSSION:

The FY2015 MTW Annual Plan covers the period of July 1, 2014, through June 30, 2015. The MTW Annual Plan was completed in accordance with all HUD regulations and requirements, including that all documents are made available to the public for review for a prescribed period of time prior to adoption by the governing board.

A public hearing was advertised in local newspapers and online at the department's website; the public hearing was held on March 6, 2014, to receive comments. A copy of the proposed MTW Annual Plan was posted on the internet before the public hearing was held. No public comments were received.

In the FY2015 MTW Annual Plan, HACSM is proposing several activities to continue with the MTW program goals:

- Change from biennial recertification schedule to triennial recertification schedule for elderly and disabled households as these families generally have fixed income sources;
- Implement a standard pro-ration for families in which one or more household members is an ineligible non-citizen (called mixed families);
- Increase the amount retained by HACSM as a result of the collections process;
- Increase the affordable housing development initiative by \$2,000,000 to a total of \$6,000,000;
- Establish a local inspection process and referral process for complexes with Project-Based Vouchers.

County Counsel has reviewed and approved the Resolution as to form.

Approval of this Resolution contributes to the Shared Vision 2025 outcome of a Livable Community by enabling HACSM to provide housing subsidy to low and very low income households while reducing its administrative burden by modifying stringent rules and regulations.

FISCAL IMPACT:

There is no Net County Cost associated with this action. All funds required to operate the program are provided by HUD.
