RECOMMENDATION:

Adopt a Resolution authorizing an agreement with Jefferson Union High School District to deliver Workforce Investment Act comprehensive year round youth employment services for the term of July 1, 2014 through June 30, 2015, in the amount of \$260,000.

BACKGROUND:

The San Mateo County Workforce Investment Board (SMCWIB), as required by the Workforce Investment Act (WIA) federal law, manages oversight and related activities of local WIA Youth programs and services. A Request for Proposal (RFP) was launched in January, 2014 to deliver WIA youth programs and services. The SMCWIB Youth RFP Review committee recommends approval to execute contract agreements with three youth service providers to deliver employment, skill building and education programs to WIA eligible youth.

DISCUSSION:

Jefferson Union High School District (JUHSD), one of the three youth service providers, will deliver comprehensive year round employment services for twenty five (25) youth ages fourteen (14) to twenty one (21) over a twelve month period. JUHSD will deliver a suite of diverse services and programs that includes but is not limited to: summer and year round employment programs with a focus on SMCWIB approved priority sectors; internship/work experience; comprehensive basic skills assessment; Individual Services Strategy Plan; ongoing, comprehensive guidance and counseling; GED and/or Adult Basic Skills classes; vocational training classes and/or college; life skills workshops and other employment and skill building development activities.

The Workforce and Economic Development Division requests your Board to also authorize the Director of Workforce and Economic Development as a designee for the County Manager's office to execute contract amendments which modify the County's

maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

The Contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits. The Agreement has been approved as to form by County Counsel and Risk Management has approved the Contractor's insurance for this Agreement.

Approval of this agreement contributes to the Shared Vision 2025 outcome of a Collaborative Community by delivering employment, educational, and skill building opportunities and services to youth to empower and assist them in finding gainful employment, becoming a contributing member of their community and reaching self-sufficiency.
