¹ This column represent the number of pounds of food distributed to low income people at or below 200% of the Federal Poverty Level. For FY12-13, approximately 53% of the pounds were fresh produce. These pounds are provided by Second Harvest Food Bank to non-profit organizations who in turn provide the food to low-income community members as well as directly given to clients in the senior, family and children's programs

² Data source for data by school: California Department of Education, Free and Reduced Price Meal Data. A child's family income must fall below 130% of the federal poverty guidelines (\$29,965 for a family of four in 2012-2013) to qualify for free meals, or below 185% of the federal poverty guidelines (\$42,643 for a family of four in 2012-2013) to qualify for reduced-cost meals.

³ Jefferson Union High School District spans areas that are served by Daly City Community City, Tides/Pacifica Resource Center, and North Peninsula Neighborhood Services, so data for this district is listed in the rows for all three agencies.

⁴ Data from KidsData (has percentage for district but no raw numbers of students).

⁵ No data on total number of students for Redwood City Elementary District because numbers for some schools within this district are not available.

⁶ Sequoia Union High School District spans areas that are served by Fair Oaks Community Center, Samaritan House, and El Conclilio, so data for this district is listed in the rows for all three agencies.

⁷ San Mateo Union High School District spans areas that are served by Samaritan House and North Peninsula Neighborhood Services, so data for this district is listed in the rows for both of these agencies.
