**To:** Honorable Board of Supervisors

**From:** Jean S. Fraser, Chief, Health System

**Subject:** Agreement with Jefferson Union High School District c/o Daly City Youth Health Center

**RECOMMENDATION:**

Adopt a Resolution authorizing an agreement with Jefferson Union High School District c/o Daly City Youth Health Center for mental health services, outpatient mental health services, and the High School Behavioral Health Career Pathways Project for the term of July 1, 2014 through June 30, 2015, in an amount not to exceed \$133,150.

**BACKGROUND:**

Jefferson Union High School District (JUHSD) operates the Daly City Youth Health Center (DCYHC), which provides youth with outpatient mental health services in Pacifica, Daly City, Colma, Brisbane and parts of South San Francisco. These services are authorized by the Health Plan of San Mateo's (HPSM) Mental Health Plan (MHP). MHP provides mental health services to all Medi-Cal eligible individuals through outpatient service centers and a network of community agencies and independent providers, enabling integrated mental health services to be provided in a health care setting. HPSM contracts with Behavioral Health and Recovery Services (BHRS) to provide MHP services and to oversee the MHP's administration. BHRS has in turn contracted with DCYHC to provide outpatient mental health service to North County youth for several years.

Since 2010, JUHSD has also partnered with BHRS on the High School Behavioral Health Career Pathways Project (HSBHCPP). This project provides innovative solutions to the challenge of attracting and retaining a diverse BHRS workforce and to establish a partnership with the contracting agency.

Under the B-1 Administrative Memorandum, BHRS accepts any qualified provider for the provision of outpatient mental health services authorized through MHP; these providers are exempt from the Request for Proposals (RFP) process requirement.

**DISCUSSION:**

Under this agreement, JUHSD will provide outpatient mental health services to DCYHC youth and at other JUHSD school campuses. Through HSBHCPP, the contractor will also provide workforce development activities for youth from diverse ethnic, linguistic and cultural backgrounds, exposing them to work in related behavioral health care careers. The project is designed to attract culturally, linguistically and economically diverse individuals into the BHRS workforce.

BHRS requests your Board to authorize the Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term of services is/are within the current or revised fiscal provisions.

The agreement and Resolution have been reviewed and approved by County Counsel. Contractor meets insurance certification requirements.

The contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

Approval of this agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing mental health services to youth. BHRS provides a range of services to promote wellness and recovery, as well as support consumers remaining in the lowest possible level of care. The provision of outpatient mental health services is one established level of care. It is anticipated that 87% of clients who receive services through this agreement will be maintained at a current or lower level of care.

**PERFORMANCE MEASURE(S):**
