DISCUSSION:

Measure A

In preparation for the next round of Measure A applications, my office will be holding two separate informational meetings for departments and community partners interested in applying for funding in FY 2015-16 and 2016-17.

The first informational session will be held for our nonprofit partners on Wednesday, December 10 from 3:00-3:30 p.m. at the Sobrato Center, 350 Twin Dolphin Drive, Redwood Shores. The session will provide nonprofits with an opportunity to ask questions and receive guidance on the Measure A application process and County priority areas.

The second session will be held on Tuesday, December 16 from 1:30-4:30 p.m. at the Human Services Agency, 400 Harbor Boulevard, Building B in Belmont. This will be a Proposer's Conference where County representatives will be available to listen to ideas from organizations interested in applying for Measure A funds, and answer questions about priority areas.

The CMO has partnered with Thrive, the alliance of nonprofits for San Mateo County, to host these informational sessions and get the word out to all interested not for profit groups.

The California State Association of Counties (CSAC) held its annual meeting from November 18-21 in Orange County. Supervisor Carole Groom has been elected to the CSAC Executive Committee. The Executive Committee is a 15 member group comprised of six urban county supervisors, three suburban county supervisors and two rural county supervisors. Congratulations Supervisor Groom on your selection as we know you will be an excellent representative for our County.

SamCERA's New CEO

Scott Hood has been named Chief Executive Officer (CEO) of the San Mateo County Employees' Retirement Association (SamCERA). He succeeds David Bailey, who will retire in early 2015. Scott is no stranger to San Mateo County having served as SamCERA's Assistant Executive Officer (AEO) since 2002, and prior to becoming AEO, he served as SamCERA's Information Technology Manager for two years.

Scott holds a BS in Engineering from the US Military Academy and an MS in Computer Information Systems from Boston University. Last year, he completed his military career as a Colonel in the US Army Reserve after serving over 30 years of combined active and reserve service. Scott has selected by a unanimous vote by the Retirement Board. Please join me in congratulating Scott on his appointment.

New Agenda Administrator

After an extensive search, I am happy to report that the County Manager's Office has hired a new Agenda Administrator. Jannae Oliver, who previously worked in our Department of Child Support services, has been selected for the position and began working yesterday. Prior to joining the County, Jannae worked for HP and other high-tech companies where she gained experience with SIRE. Jannae is known for her attention to detail and we are glad she has agreed to join our office.

I would like to thank Mina Lim and Alicia Garcia for taking on the Agenda Administrator duties over the last several months while my office conducted the search, and please join me in welcoming Jannae to the CMO.
