Subject: Claims for Excess Proceeds from the 2013 Tax Sale

RECOMMENDATION:

Adopt a resolution authorizing claims for the excess proceeds from the sale of parcels by the San Mateo County Tax Collector during the 2013 Tax Sale.

BACKGROUND:

On 7/20/13 – 7/23/13 and 8/24/13 – 8/27/13, the Office of the Tax Collector, with the Board's approval, conducted a tax sale pursuant to Revenue and Taxation Code section 3691 et seq. By 9/20/13 all of the deeds conveying title to the various purchasers at the auction had been recorded. As provided by Section 4676 of the Revenue and Taxation Code, the Tax Collector provided notice of the right to claim excess proceeds on 10/02/13 to parties of interest as defined in Section 4675 of the Revenue and Taxation Code. The Tax Collector identified the parties of interest by reviewing records, including Assessor's and Recorder's records and lot book reports. Parties of interest have made claims for the excess proceeds from the tax sale of Parcel Nos. 006-263-170, 037-156-200, 044-242-050, 047-076-220, 048-269-100, 052-125-010, 057-131-420, 065-033-210, 065-033-220, 078-050-020, 080-082-040, 091-022-020

DISCUSSION:

Revenue and Taxation Code section 4675 provides for distribution of the excess proceeds of tax sales. When property is sold for payment of taxes, the "excess proceeds" from the sale, or that portion not payable for taxes, assessments, costs of sale and notice are payable, upon claim, to persons having an interest in the property at the time of the sale. After all liens have been satisfied, any person who had title of record prior to the sale is entitled to claim the excess proceeds. It is the responsibility of the Board of Supervisors to act on such claims, which must contain any information and proof deemed necessary by the Board of Supervisors to establish a claimant's right to all or any portion of the excess proceeds.

The table below lists each parcel sold and for each parcel identifies the amount of excess proceeds, the claimants associated with that parcel and the amount claimed by each claimant.
