Subject: FY 2015 Urban Area Security Initiative Grant

RECOMMENDATION:

Adopt a resolution authorizing:

- A) An agreement with the City and County of San Francisco for the distribution of FY 2015 Urban Area Security Initiative grant funds for the Northern California Regional Intelligence Center, for a term commencing November 1, 2015 through February 28, 2017, in an amount not to exceed \$4,168,746; and
- B) The Sheriff or Sheriff's designee to execute interagency agreements with agencies who assign personnel to the Northern California Regional Intelligence Center

BACKGROUND:

For the past 17 years, the Northern California High Intensity Drug Trafficking Area (NC HIDTA) program has provided a stable source of federal funding and collaborative regional leadership to combat organized drug trafficking and related crime. In 2004, the Northern California Regional Threat Assessment Center (NC RTAC) was established under the NC HIDTA management to make it possible for public safety agencies to identify and assess terrorist threats in the San Francisco Bay Area. The NC RTAC was co-located with the NC HIDTA to form an information "Fusion Center" for the federal Northern District of California.

In 2009, the Fusion Center began doing business as the Northern California Regional Intelligence Center (NCRIC). The United States Department of Homeland Security and the State of California have designated the NCRIC as the regional Fusion Center for the San Francisco Bay Area and serves as the focal point for the receipt, analysis, gathering and sharing of threat-related information between the federal government and state, local, tribal, territorial and private sector partners. The NCRIC is funded by federal State Homeland Security Program funds, for which the State of California Office

of Emergency Services (Cal OES) serves as the grantee as well as federal Urban Area Security Initiative (UASI) funds, for which the City and County of San Francisco serves as the regional administrator.

DISCUSSION:

The Sheriff's Office is requesting this Board to accept the agreement with the City and County of San Francisco for the distribution of FY 2015 UASI grant funds to support the NCRIC for a term commencing November 1, 2015 through February 28, 2017, in the amount of \$4,168,746. Per the agreement, the Sheriff will serve as the fiscal agent for the FY 2015 UASI grant funds and will continue to operate, manage, and maintain the NCRIC to allow for the receipt, analysis, gathering, and sharing of information in an effort to prevent, protect against, and respond to threats in the NCRIC's area of responsibility.

The Sheriff's Office is also requesting this Board to authorize the Sheriff or Sheriff's designee to execute interagency agreements with agencies who assign personnel to the NCRIC.

In addition, the Sheriff's Office is requesting this Board to authorize the Sheriff or Sheriff's designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

County Counsel has reviewed the resolution and the City and County of San Francisco's agreement as to form.

Approval of the FY 2015 UASI grant contributes to the Shared Vision 2025 outcome of a Collaborative Community as the NCRIC is a collaborative regional public safety undertaking, which leads to safer communities by improving cooperation and information sharing between agencies.
