Business Associate Requirements

This BUSINESS ASSOCIATE AGREEMENT ("BAA") is made as of this 22nd day of April, 2014 (the "Effective Date") by and between COUNTY OF SAN MATEO, a political subdivision of the State of California ("Covered Entity" or "CE") and Millbrae Assisted Living Center, LLC, a California limited liability company, and its affiliated designee ("Business Associate" or "BA") (each a "party" and, collectively, the "parties").

RECITALS

A. CE is a "covered entity" under the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder (collectively, "HIPAA") and must enter into "business associate" contracts with contractors that may have access to PHI.

B. Pursuant to one or more agreements between the parties, whether oral or written (collectively, the "Agreement"), BA shall provide certain services to CE, and CE wishes to disclose certain information to BA, some of which may constitute PHI.

C. CE and BA intend to protect PHI disclosed to BA pursuant to the Agreement in compliance with HIPAA, the Health Information Technology for Economic and Clinical Health Act, Public Law of 2009 and the regulations promulgated thereunder (collectively, "HITECH Act"), and other applicable laws governing confidentiality of patient information.

D. HIPAA requires CE to enter into a contract containing specific requirements with BA prior to the disclosure of PHI, as set forth in, but not limited to, 45 C.F.R. §§ 164.314(a), 164.502(e) and 164.504(e) and contained in this BAA.

NOW, THEREFORE, CE and BA agree as follows:

AGREEMENT

1. Definitions. Capitalized terms not otherwise defined herein shall have the meaning assigned to them under HIPAA or the HITECH Act, as applicable.

1.1 Electronic Protected Health Information or EPHI means Protected Health Information that is maintained in or transmitted by electronic media.

1.2 Privacy Rule means the HIPAA Regulation codified at 45 C.F.R. Parts 160 & 164, Subparts A & E.

1.3 Protected Health Information or PHI means any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under 45 C.F.R. § 160.103. Protected Health Information includes Electronic Protected Health Information.

1.4 Protected Information means PHI provided by CE to BA or created or received by BA on CE's behalf.

1.5 Security Rule means the HIPAA Regulation codified at 45 C.F.R. Parts 160 & 164, Subparts A & C.

1.6 Unsecured PHI has the meaning given to such term under 42 U.S.C. § 17932(h), 45 C.F.R. § 164.402 and guidance issued pursuant to the HITECH Act including, but not limited to

that issued on April 17, 2009 and published in 74 Federal Register 19006 (April 27, 2009), by the Secretary of the U.S. Department of Health and Human Services ("Secretary").

2. Obligations of Business Associate.

2.1 Permitted Access, Use or Disclosure.

BA shall neither permit the unauthorized or unlawful access to, nor use or disclose, Protected Information other than as permitted or required by the Agreement, this BAA, or as permitted or Required By Law. Except as otherwise limited in the Agreement or this BAA, BA may access, use, or disclose Protected Information (i) to perform its services as specified in the Agreement; and (ii) for the proper administration of BA, provided that such access, use, or disclosure would not violate HIPAA or the HITECH Act if done or maintained by CE. If BA discloses Protected Information to a third party, BA must obtain, prior to making any such disclosure, (i) reasonable assurances from such third party that such Protected Information will be held confidential as provided pursuant to this BAA and only disclosed as required by law or for the purposes for which it was disclosed to such third party, and (ii) agreement from such third party to promptly notify BA of any Breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such Breach.

2.2 Appropriate Safeguards. BA shall implement appropriate safeguards designed to prevent the access, use or disclosure of Protected Information other than as permitted by the Agreement or this BAA. BA shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of EPHI. BA shall comply with each of its obligations under the applicable requirements of 45 C.F.R. §§ 164.308, 164.310, and 164.312 and the policies and procedures and documentation requirements of the HIPAA Security Rule set forth in 45 C.F.R. § 164.316.

2.3 Reporting Improper Access, Use, Disclosure.

(a) **Generally.** BA shall promptly notify CE of any Breach of security, intrusion, or unauthorized access, use, or disclosure of PHI of which BA becomes aware and/or any access, use, or disclosure of data in violation of the Agreement, this BAA, or any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any deficiencies in its policies and procedures that may have led to the incident, and (ii) any action pertaining to such unauthorized access, use, or disclosure required of BA by applicable federal and state laws and regulations.

(b) **Breaches of Unsecured PHI.** Without limiting the generality of the requirements set forth in Section 2.3(a), BA also shall, following the discovery of any Breach of Unsecured PHI, notify CE in writing of such Breach without unreasonable delay and in no case later than sixty (60) days after discovery. The notice shall include the information specified in 42 U.S.C. § 17932(f)(1)-(4) if known (or can be reasonably obtained) by BA.

(c) **Mitigation.** BA shall establish and maintain safeguards to mitigate, to the extent practicable, any deleterious effects known to BA of any unauthorized or unlawful access or use or disclosure of PHI not authorized by the Agreement, this BAA, or applicable federal or state laws or regulations; provided, however, that unless otherwise agreed in writing by the parties or required by applicable federal or state laws or regulations, such mitigation efforts by BA shall not require BA to bear the costs of notifying individuals impacted by such unauthorized or unlawful access, use, or disclosure of PHI; provided, further, however, that BA shall remain fully responsible for all aspects of its reporting duties to CE under Section 2.3(a) and Section 2.3(b).

2.4 Business Associate's Subcontractors and Agents. BA shall ensure that any agents or

subcontractors to whom it provides Protected Information agree to the same restrictions and conditions that apply to BA with respect to such PHI. To the extent that BA creates, maintains, receives or transmits EPHI on behalf of the CE, BA shall ensure that any of BA's agents or subcontractors to whom it provides Protected Information agree to implement the safeguards required by Section 2.2 above with respect to such EPHI.

2.5 Access to Protected Information. To the extent BA maintains a Designated Record Set on behalf of the CE, BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable CE to fulfill its obligations under the HITECH Act.

2.6 Amendment of PHI. To the extent BA maintains a Designated Record Set on behalf of CE, within ten (10) days of receipt of a request from the CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA or its agents or subcontractors shall make PHI available to CE so that CE may make any amendments that CE directs or agrees to in accordance with the Privacy Rule.

2.7 Accounting Rights. Within ten (10) days of notice by CE of a request for an accounting of disclosures of Protected Information, BA and its agents or subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule and the HITECH Act. BA shall implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of

disclosures from an Electronic Health Record ("EHR") for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent BA maintains an EHR and is subject to this requirement. At a minimum, the information collected and maintained shall include, to the extent known to BA, the information set forth at 45 C.F.R. § 164.528(b)(2). The accounting must be provided without cost to the individual or the requesting party if it is the first accounting requested by such individual within any twelve (12) month period. For subsequent accountings within a twelve (12) month period, BA may charge the individual or party requesting the accounting a reasonable fee based upon BA's labor costs in responding to the request and a cost-based fee for the production of non-electronic media copies, so long as BA informs the individual or requesting party in advance of the fee and the individual or requesting party is afforded an opportunity to withdraw or modify the request. BA shall notify CE within five (5) business days of receipt of any request by an individual or other requesting party for an accounting of disclosures. The provisions of this Section 2.7 shall survive the termination of this BAA.

2.8 Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary for purposes of determining CE's compliance with the Privacy Rule.

2.9 Minimum Necessary. To the extent feasible in the performance of services under the Agreement, BA (and its agents or subcontractors) shall request, use, and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure.

2.10 Permissible Requests by Covered Entity. CE shall not request BA to use or

disclose PHI or otherwise act in a manner that would not be permissible under HIPAA or the HITECH Act if done by CE.

2.11 Breach Pattern or Practice If either party knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of such other party's obligations under this BAA or other arrangement, the first party must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the first party must terminate the applicable Agreement to which the breach and/or violation relates if feasible, or if termination is not feasible, report the problem to the Secretary.

3. Term and Termination.

3.1 Term. The term of this BAA shall be effective as of the Effective Date and shall terminate when all Protected Information is destroyed or returned to CE.

3.2 Termination.

(a) **Material Breach by BA.** Upon any material breach of this BAA by BA, CE shall provide BA with written notice of such breach and such breach shall be cured by BA within thirty (30) business days of such notice, or else CE may immediately terminate this BAA and the applicable Agreement.

(b) **Effect of Termination.** Upon termination of any of the agreements comprising the Agreement for any reason, BA shall, if feasible, return or destroy all Protected Information relating to such agreements that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI. If return or destruction is not feasible, BA shall continue to extend the protections of this BAA to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.

4. Compliance with State Law. Nothing in this BAA shall be construed to require BA to use or disclose Protected Information without a written authorization, where such authorization would be required under state law for such use or disclosure.

5. Amendment to Comply with Law. BA and CE shall take such actions necessary to implement the standards and requirements of HIPAA, the HITECH Act, and other applicable laws relating to the security or confidentiality of PHI. Upon the request of either party, the other party shall promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, or other applicable laws. If such negotiations are unsuccessful, either party may terminate the applicable Agreement upon thirty (30) days' written notice to the other party.

6. No Third-Party Beneficiaries. Nothing express or implied in the Agreement or this BAA is intended to confer, nor shall anything herein confer upon any person other than CE, BA and their respective successors or permitted assigns, any rights, remedies, obligations or liabilities whatsoever.

7. Notices. All notices hereunder shall be in writing, delivered personally, by certified or registered mail, return receipt requested, or by overnight courier, and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, postage prepaid, or deposited with the overnight courier addressed as follows:

This BAA and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA and the HITECH Act. Any ambiguity in this BAA shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HITECH Act. 11. Counterparts. This BAA may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have duly executed this BAA as of the BAA Effective Date.
