* 94303 & 94025 : Zipcodes have historically been Priority 1, and are adjoining pockets of poverty. Low API schools are also present.

** 94062 & 94063 : Zipcodes border other high need areas in RWC. If new spaces were sited here they could serve their neighboring zip codes. Low API schools are also present.

*** 94401 Zipcode borders other high need areas in San Mateo. If new spaces were sited here they could serve their neighboring zip codes. Low API school is also present

Recommend requesting CDE and CCCCA adopt new process which recognizes zip codes within community as priorities. It may be impossible to site new facilities in particular zip codes.
