From: Supervisor Warren Slocum

Subject: Extend Appointment to the North Fair Oaks Community Council

RECOMMENDATION:

Recommendation for extending the appointment of Rafael Avendano and Linda Lopez to complete their term ending December 31, 2016 on the North Fair Oaks Community Council.

BACKGROUND:

The North Fair Oaks Community Council has traditionally been comprised of a nine-member body whose non-youth members serve terms of three years. This recommendation will allow Councilmembers Rafael Avendano and Linda Lopez to fully complete their term on the Council.

DISCUSSION:

Councilmembers Rafael Avendano and Linda Lopez were each recommended to serve on the Council for one term, which, pursuant to Resolution No. 63547, is for three years. The original recommendation in 2013 stated that they would each serve one term but the ending date of the term was erroneously listed as December 31, 2015 instead of December 31, 2016. The recommendation will allow the North Fair Oaks Community Council to be at full voting capacity and allow councilmembers Rafael Avendano and Linda Lopez to complete their term.

FISCAL IMPACT:

There is no fiscal impact.
