**Special Notice / Hearing:** None

**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** Greg Munks, Sheriff

**Subject:** FY 2015 California Governor's Office of Emergency Services Anti-Terrorism Funds

**RECOMMENDATION:**

Adopt a resolution authorizing the Sheriff or Sheriff's Designee to:

- A) Submit a grant application to the California Governor's Office of Emergency Services for the administration of FY 2015 Anti-Terrorism Funds in an amount not to exceed \$114,000; and
- B) Execute, on behalf of the County of San Mateo, all necessary contracts, agreements, amendments, payment requests and grant assurances for the purposes of securing and expending funds that may be awarded pursuant to this grant application and implementing and carrying out the purpose specified in the grant application.

**BACKGROUND:**

For the past 17 years, the Northern California High Intensity Drug Trafficking Area (NC HIDTA) program has provided a stable source of federal funding and collaborative regional leadership to combat organized drug trafficking and related crime. In 2004, the Northern California Regional Threat Assessment Center (NC RTAC) was established under the NC HIDTA management to make it possible for public safety agencies to identify and assess terrorist threats in the San Francisco Bay Area. The NC RTAC was co-located with the NC HIDTA to form an information "Fusion Center" for the federal Northern District of California. In 2009, the Fusion Center began doing business as the Northern California Regional Intelligence Center (NCRIC). The United States Department of Homeland Security and the State of California have designated the NCRIC as the regional Fusion Center for the San Francisco Bay Area and serves as the focal point for the receipt, analysis, gathering and sharing of threat-related information

between the federal government and state, local, tribal, territorial and private sector partners.

### **DISCUSSION:**

The NCRIC received an Identification of Funding letter dated February 25, 2016 from the California Office of Emergency Services (Cal OES) allocating Anti-Terrorism Funds to the NCRIC. The letter specifies that the NCRIC must submit a completed application that includes a resolution authorizing the grant application from the San Mateo County Board of Supervisors prior to receiving funds. Therefore, the Sheriff's Office is requesting this Board to authorize the Sheriff or Sheriff's designee to submit a grant application to Cal OES for the administration of FY 2015 Anti-Terrorism Funds in an amount not to exceed \$114,000 for the receipt, analysis, gathering and sharing of information in an effort to prevent, protect against, and respond to threats in the NCRIC's area of responsibility.

The Sheriff's Office is also requesting this Board to authorize the Sheriff or Sheriff's designee to execute all necessary contracts, agreements, amendments, payment requests and grant assurances for the purposes of securing and expending funds that may be awarded pursuant to this grant application and implementing and carrying out the purpose specified in the grant application

County Counsel has reviewed and approved the resolution as to form.

Approval of the submission of a grant application for the FY 2015 Anti-Terrorism Funds contributes to the Shared Vision 2025 outcome of a Collaborative Community as the NCRIC is a collaborative regional public safety undertaking, which leads to safer communities by improving cooperation and information sharing between agencies.
