Election of Third Party Billing Process

Effective July 1, 2005, San Mateo County Behavioral Health and Recovery Services (SMCBHRS) will be required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide SMCBHRS with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCBHRS for the remainder.

We Mental Health Association of San Mateo County elect option one.

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (SMCBHRS) so that SMCBHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the SMCBHRS Billing Office with the completed "assignment" that indicates the client's permission for SMCBHRS to bill their insurance.

We Mental Health Association of San Mateo County elect option two.
