

COUNTY OF SAN MATEO
Inter-Departmental Correspondence
Health System

Date: April 27, 2016
Board Meeting Date: June 21, 2016
Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors

From: Louise Rogers, Chief, Health System
Stephen Kaplan, Director, Behavioral Health and Recovery Services

Subject: Agreement with Mateo Lodge, Inc. for Residential and Mental Health Services

RECOMMENDATION:

Adopt a resolution authorizing an agreement with Mateo Lodge, Inc. for residential and mental health treatment services, for the term July 1, 2016 through June 30, 2017, in an amount not to exceed \$2,262,180.

BACKGROUND:

For more than three decades, Mateo Lodge, Inc. has provided residential and other mental health treatment services to Behavioral Health and Recovery Services (BHRS) clients that reside in San Mateo County. Mateo Lodge, Inc.'s services are low cost, community-based alternatives for seriously mentally ill adults with co-occurring disorders who otherwise would live in locked psychiatric facilities, in homeless shelters, or on the streets.

DISCUSSION:

Mateo Lodge, Inc. will provide a variety of services to a minimum of 471 seriously mentally ill adult clients with co-occurring disorders in San Mateo County. These services include transitional residential treatment, supportive rehabilitation services, and community-based case management to clients in need of additional clinical treatment.

The services also include mobile outreach to 250 seriously mentally ill clients with co-occurring disorders who are homeless or at risk of homelessness. Furthermore, through the Family Assertive Support Team, the contractor will provide in-home outreach and engagement services to a minimum of 72 non-homeless individuals with serious mental illness and their family or caretaker.

Under the B-1 Administrative Memorandum, the selection of providers of housing services and related supports for BHRS clients is exempt from the County's Request for Proposals process requirement.

The Resolution contains the County's standard provisions allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and Resolution have been reviewed and approved by County Counsel as to form.

Approval of this agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing housing and housing-related services, supported education services, and other rehabilitation services. BHRS provides a range of services to promote wellness and recovery, supporting consumers remaining in the lowest possible level of care. The provision of transitional residential services is one established level of care. It is anticipated that 80% of clients are discharged to more independent living after completing 12 or more months of treatment in a Transitional Residential Treatment Services program.

PERFORMANCE MEASURE(S):

Measure	FY 2015-16 Estimated	FY 2016-17 Projected
Percentage of clients discharged to more independent living after completing 12 or more months of treatment in Transitional Residential Treatment services program	80% 10 of 13 clients	80% 10 of 13 clients

FISCAL IMPACT:

The term of the agreement is July 1, 2016 through June 30, 2017. The amount of the agreement is not to exceed \$2,262,180. Of that amount, it is anticipated that \$432,231 will be funded by sales tax through Realignment; \$512,051 by the Mental Health Services Act; \$540,173 by Federal Medi-Cal; \$138,670 by Projects for Assistance in Transition from Homelessness grant funds; \$100,397 by Substance Abuse and Mental Health Services Administration grant funds; and \$798 by private insurance. The Net County Cost is \$537,860. The funds for these services are included in the BHRS FY 2016-17 Recommended Budget. The payment provisions in the agreement remain essentially the same as compared to those of the prior agreement.
