

**COUNTY OF SAN MATEO**  
Inter-Departmental Correspondence  
Health System

**Date:** November 29, 2016  
**Board Meeting Date:** January 10, 2017  
**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** Louise Rogers, Chief, Health System  
Cassius Lockett, Director, Public Health, Policy and Planning

**Subject:** Agreement with the City and County of San Francisco Department of Public Health to provide HIV/AIDS Health Services

**RECOMMENDATION:**

Adopt a resolution authorizing an agreement with the City and County of San Francisco Department of Public Health HIV Services for funding to provide primary health care and psycho-social services to individuals with HIV/AIDS, for the term of March 1, 2016 through February 28, 2017, in an amount not to exceed \$1,179,267.

**BACKGROUND:**

The Ryan White Treatment Modernization Act of 1990 (CARE) provides funding to eligible metropolitan areas (EMA) that are disproportionately affected by HIV/AIDS. EMAs utilize this funding for the development, organization, coordination, and operation of more effective and cost efficient systems that deliver essential services to individuals with HIV/AIDS and their families. Funding comes to the San Mateo Public Health STD/HIV Program (SMSh) through an agreement with the Bay Area EMA's fiscal agent, the City and County of San Francisco (CCSF).

**DISCUSSION:**

SMSh utilizes CARE funding to provide a continuum of services, which includes outpatient ambulatory medical care, medical case management, housing assistance, outpatient and residential drug treatment, oral care, mental health, a food program, laboratory costs and medical supplies. This agreement is late due to delays from the federal government in releasing funds to CCSF.

The resolution contains the County's standard provisions allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Counsel as to form.

Approval of this Resolution contributes to the Shared Vision 2025 outcome of a Healthy Community by providing primary health care and psycho-social services to individuals affected by HIV/AIDS. It is anticipated that the viral load of 77% of clients receiving services will decrease or remain undetectable as a result of the medical and psycho-social services received.

**PERFORMANCE MEASURE(S):**

<b>Measure</b>	<b>FY 2015-16 Actual</b>	<b>FY 2016-17 Projected</b>
Percentage of clients whose viral load will decrease or remain undetectable as a result of the medical and psycho-social services received	77%	78%

**FISCAL IMPACT:**

The term of the agreement is March 1, 2016 through February 28, 2017. The amount of the agreement is not to exceed \$1,179,267. Funds in the amount of \$393,089 are included in the Public Health, Policy and Planning (PHPP) FY 2015-16 Adopted Budget. Funds in the amount of \$786,178 will be included in the PHPP FY 2016-17 Adopted Budget. Since the County is receiving these funds, there is no Net County Cost associated with this agreement.
