**Date:** December 5, 2016  
**Board Meeting Date:** January 24, 2017  
**Special Notice / Hearing:** None

**To:** Honorable Board of Supervisors

**From:** Louise Rogers, Chief, Health System

**Subject:** Amendment to the Agreement with Service League of San Mateo County for Residential Substance Use Disorder Treatment Services

**RECOMMENDATION:**

Adopt a resolution authorizing an amendment to the agreement with Service League of San Mateo County for residential substance use disorder treatment services under the Drug Medi-Cal Organized Delivery System, increasing the amount by \$540,961 to an amount not to exceed \$2,292,386, and extending the term of the agreement through June 30, 2018.

**BACKGROUND:**

On August 13, 2015, the California Department of Health Care Services (DHCS) announced the approval of its waiver application to the US Center for Medicare and Medicaid Services to implement the Drug Medi-Cal Organized Delivery System (DMC-ODS). The federal waiver allows any California county to “opt in” to provide a full continuum of services currently unavailable to Medi-Cal clients. Additionally, the waiver will allow for Federal Financial Participation to offset treatment related costs. San Mateo County – specifically, Behavioral Health and Recovery Services (BHRS) - was the first California county to be approved for the waiver.

On June 7, 2016, your Board approved an agreement with Service League of San Mateo County (Service League) for residential substance use disorder treatment services, for the term July 1, 2016 through June 30, 2017, in an amount not to exceed \$1,751,425.

On September 7, 2016, the Chief of the Health System approved an amendment to the agreement to include bridge funding through September 30, 2016, with no change to the maximum amount or term of the agreement.

On October 20, 2016, the Chief of the Health System approved an amendment to the agreement to extend bridge funding through December 31, 2016, with no change to the maximum amount or term of the agreement.

**DISCUSSION:**

Through the DMC-ODS waiver, Service League will provide expanded residential substance use disorder treatment services for adult women, pregnant women, and women with infants. Specifically, the contractor will provide a full continuum of services, including safe and supportive transitional housing, case management, and additional services that were not available prior to the waiver. With the DMC-ODS waiver in place, this agreement with the contractor ensures continuous quality improvement in treatment through the development of a quality management program that measures and analyzes both client and system outcomes.

The amendment and Resolution have been reviewed and approved by County Counsel as to form.

Approval of this amendment contributes to the Shared Vision 2025 outcome of a Healthy Community by providing individuals and families with prevention and treatment services to support recovery, which in turn contributes to the health and safety of communities throughout the County. A successful treatment discharge occurs when a program participant completes his/her treatment/recovery plan, or when a participant is transferred to the next appropriate level of care. It is anticipated that 95% of clients will achieve a successful treatment discharge.

**PERFORMANCE MEASURE(S):**

Measure	FY 2015-16 Actual	FY 2016-17 Projected
Program participants with a successful treatment discharge	95% 25 clients	95% 25 clients

**FISCAL IMPACT:**

The term of the amended agreement is July 1, 2016 through June 30, 2018. The amount of the amended agreement is not to exceed \$2,292,386; the amendment increases the contract amount by \$540,961. The original agreement included shared aggregate amounts among the contracted substance use treatment providers for services funded by AB 109, as well as 2011 Realignment and Unified Reentry. However, beginning in March 2017, services provided under the DMC-ODS waiver will no longer include these shared aggregate funding amounts.

With respect to the increased contract amount, funding for the two-year term will be decreased from 2011 Realignment (\$118,055) and AB 109 (\$92,959). Funding will be added from Federal Financial Participation – Medi-Cal (\$433,250), Substance Abuse Prevention and Treatment Federal Block Grant (\$213,251), CalWorks (\$62,727), MHSA (\$21,781), and Net County Cost (\$20,965).
