W I T N E S S E T H:

WHEREAS, County operates health care facilities collectively known as “San Mateo Medical Center” (SMMC); and

WHEREAS, Contractor desires to provide such services all upon the terms and conditions stated below, and this Agreement is entered into for the purpose of defining the parties’ respective rights and responsibilities.

NOW, THEREFORE, in consideration of the mutual agreements set out below, the parties agree as follows:

Section 1: Contractor’s Obligations

1.1 Organizational Status

Contractor represents and warrants that Contractor is:

An individual health care provider duly licensed, certified, accredited or otherwise duly authorized to practice medicine in the specialty of neurology in the State of California.

1.2 Contractor’s Representatives

1.2.1 The term “Contractor” shall include all Contractor’s representatives, employees, shareholders, partners, subcontractors, and agents providing services in San Mateo County under this Agreement; i.e., every member of a medical group that contracts with the County shall be considered a “Contractor” for purposes of complying with this Agreement.

1.2.2 Where Contractor represents more than one individual, Contractor will designate a “Lead Contractor”. This Lead Contractor will be the contact person for the County when dealing with issues affecting both parties, including but not limited

The following indicate qualifications that must be satisfied by each Contractor as a condition of providing services under this Agreement:

- 1.3.1 Must be accepted by the Chief Executive Officer of SMMC or his/her designee; said acceptance may be withdrawn immediately at any time with written notice to Contractor at the reasonable discretion of the Chief Executive Officer of SMMC, his/her designee, the County's Chief, Health System, or his/her designee.
- 1.3.2 Shall at all times keep and maintain a valid license to engage in the practice of medicine in the State of California and active Medical Staff membership and/or privileges as may be required under the Bylaws of County for Contractor's representatives to provide the services contemplated by this Agreement.
- 1.3.3 Contractor's representatives shall be certified by the appropriate state-recognized board in California (or eligible for certification by such board by virtue of having successfully completed all educational and residency requirements required to sit for the board examinations).
- 1.3.4 Contractor is not currently excluded, debarred, or otherwise ineligible to participate in federal health care programs or in federal procurement or non-procurement programs; nor has Contractor been convicted of a criminal offense.
- 1.3.5 Contractor agrees to participate in the County's Organized Health Care Arrangement (OHCA), as described by the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Contractors who choose to opt out of OHCA agree to advise the SMMC Medical Staff Office in writing and will provide their own Notice of Privacy Practice (NPP).

1.4 **Services to be Performed by Contractor**

In consideration of the payments hereinafter set forth, Contractor, under the general direction of the Chief Executive Officer of SMMC or his/her designee, with respect to the product or results of Contractor's services, shall provide medical services as described in Exhibit A, attached hereto and incorporated by reference herein. Such services shall be provided in a professional and diligent manner.

1.5.2 Rate of Payment

The rate and terms of payment shall be as specified in Exhibit B, attached hereto and incorporated herein. Any rate increase is subject to the approval of the Chief, Health System or his/her designee and shall not be binding on County unless so approved in writing. Each payment shall be conditioned on the Contractor's performance of the provisions of this Agreement, to the full satisfaction of the Chief, Health System, Chief Executive Officer of SMMC, or either of their designees.

1.5.3 Time Limit for Submitting Invoices

Contractor shall submit an invoice for services to County for payment in accordance with the provisions of Exhibit B. County shall not be obligated to pay Contractor for the services covered by any invoice if Contractor presents the invoice to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier.

1.6 **Substitutes**

Contractor shall provide, at Contractor's sole cost and expense, a substitute for any Contractor who is unable to provide services required under this Agreement. As a condition of providing services under this Agreement, any such substitute shall first be approved by the Chief Executive Officer of SMMC or his/her designee and shall otherwise satisfy all qualification requirements applicable to the Contractor, including but not limited to being covered under Contractor's insurance or submitting separate insurance issued by a company under such terms and limitations as County shall reasonably approve.

1.7 **General Duties of Contractor**

1.7.1 Administrative and Miscellaneous Duties and Responsibilities

Contractor will cooperate with the administration of the Medical Center. Such cooperation shall include but not be limited to the following: maintaining medical records in a timely fashion (including the appropriate use of dictation or other technology, as required by County), billing, peer review, completing time studies as required by California and Federal reimbursement regulations, and County's compliance programs. To the extent applicable, Contractor shall provide appropriate supervision and review of services rendered by physician assistants and other non-physicians involved in the direct medical care of County's patients.

1.7.2 Billing and Compliance

Contractor shall prepare such administrative and business records and reports related to the service in such format and upon such intervals as County shall reasonably require. Contractor agrees to keep accurate and complete records. To the extent that billing is discussed in more detail in Exhibits to this Agreement, Contractor shall comply with those billing-related requirements.

1.7.3 Compliance with Rules and Regulations

Contractor agrees to abide by rules, regulations, and guidelines of County. County may from time to time amend, add, or delete rules, regulations, or guidelines at County's sole discretion, and such amendment will not affect the enforceability or terms of this Agreement.

1.7.4 Managed Care Contracts

Contractor is obligated to participate in and observe the provisions of all managed care contracts which County may enter into on behalf of Contractor for health care services with managed care organizations, including but not limited to Health Maintenance Organizations (HMOs), Independent Practice Associations (IPAs), Preferred Provider Organizations (PPOs), Medical Service Organizations (MSOs), Integrated Delivery Systems (IDSs), and Physician-Hospital Organizations (PHOs).

1.7.5 Requirement of Physician to Notify County of any Detrimental Professional Information or Violation of Contract Rules or Policies

During the term of this Agreement, Contractor shall notify County immediately, or as soon as is possible thereafter, in the event that:

- II. A complaint or report concerning Contractor's competence or conduct is made to any state medical or professional licensing agency;
- III. Contractor's privileges at any hospital or health care facility or under any health care plan are denied, suspended, restricted, terminated, or under investigation for medical disciplinary cause or reason;

1.7.6 Compliance with Contractor Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the Contractor, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to

County: “For purposes of San Mateo County’s jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County’s Ordinance Code.” The requirements of Chapter 2.85 do not apply if this Agreement’s total value listed in Exhibit B, is less than one-hundred thousand dollars (\$100,000), but Contractor acknowledges that Chapter 2.85’s requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

1.8 **Citizenship Duties of Contractor**

- A. Contractor will make all reasonable efforts to participate in co-ordination and optimization of services, including but not limited to participation in quality improvement and utilization management efforts.
- B. Contractor will make all reasonable efforts to communicate effectively and coordinate care and services with primary care providers, including but not limited to direct contact with individual providers where clinically indicated.
- C. Contractor will conduct himself/herself with professionalism at all times, which includes but is not limited to courteous and respectful conduct toward, and reasonable cooperation with, all County employees.
- D. To the extent that citizenship duties are discussed in more detail in Exhibits to this Agreement, Contractor shall comply with those additional duties and requirements.

1.9 **Provision of Records for County**

Contractor shall furnish any and all information, records, and other documents related to Contractor’s services hereunder which County may reasonably request in furtherance of its quality assurance, utilization review, risk management, and any other plans and/or programs adopted by County to assess and improve the quality and efficiency of County’s services. As reasonably requested, Contractor shall participate in one or more of such plans and/or programs.

1.10 **Cooperation with County in Maintaining Licenses**

Contractor shall assist County in obtaining, achieving, and/or maintaining any and all licenses, permits, other authorization, and/or accreditation standards which are dependent upon, or applicable to, in whole or in part, Contractor’s services under this Agreement.

1.11 **Contractor's Conflict of Interest**

Contractor shall inform County of any other arrangements which may present a professional, financial, Stark Law, or any other state or federal conflict of interest or materially interfere in Contractor's performance of its duties under this Agreement. In the event Contractor pursues conduct which does, in fact, constitute a conflict of interest or which materially interferes with (or is reasonably anticipated to interfere with) Contractor's performance under this Agreement, County may exercise its rights and privileges under Section 3 below.

1.12 **Non-Permitted Uses of County Premises**

Contractor agrees not to use, or permit any of Contractor's representatives to use, any County facility or service for any purpose other than the performance of services under this Agreement. Without limiting the generality of the foregoing, Contractor agrees that no part of the premises of County shall be used at any time as an office for private practice or delivery of care for non-County patients.

1.13 **No Contract in County Name**

Contractor shall not have the right or authority to enter into any contract in the name of County or otherwise bind County in any way without the express written consent of County.

1.14 **Regulatory Standards**

Contractor shall perform all services under this Agreement in accordance with any and all regulatory and accreditation standards applicable to County and the relevant medical service, including, without limitation, those requirements imposed by the Joint Commission, the Medicare/Medi-Cal conditions of participation, and any amendments thereto.

1.15 **Availability of Records for Inspection**

As and to the extent required by law, upon written request of the Secretary of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, Contractor shall make available those contracts, books, documents, and records necessary to verify the nature and extent of the costs of providing services under this Agreement. Such inspection shall be available for up to four (4) years after the rendering of such services. If Contractor carries out any of the duties of this Agreement through a subcontract with a value of \$10,000 or more over a twelve (12)

month period with a related individual or organization, Contractor agrees to include this requirement in any such subcontract. This section is included pursuant to and is governed by the requirements of 42 U.S.C. Section 1395x(v)(1) and the regulations thereto. No attorney-client, accountant-client, or other legal privilege will be deemed to have been waived by County, Contractor, or any Contractor's representative by virtue of this Agreement.

1.16 **Professional Standards**

Contractor shall perform his or her duties under this Agreement in accordance with the rules of ethics of the medical profession. Contractor shall also perform his/her duties under this Agreement in accordance with the appropriate standard of care for his/her medical profession and specialty.

Section 2: Change of Circumstances

In the event either (i) Medicare, Medi-Cal, or any third party payor or any federal, state, or local legislative or regulative authority adopts any law, rule, regulation, policy, procedure, or interpretation thereof which establishes a material change in the method or amount of reimbursement or payment for services under this Agreement; or (ii) any or all such payors/authorities impose requirements which require a material change in the manner of either party's operations under this Agreement and/or the costs related thereto; then, upon the request of either party materially affected by any such change in circumstances, the parties shall enter into good faith negotiations for the purpose of establishing such amendments or modifications as may be appropriate in order to accommodate the new requirements and change of circumstance while preserving the original intent of this Agreement to the greatest extent possible. If, after thirty (30) days of such negotiations, the parties are unable to reach an agreement as to how or whether this Agreement shall continue, then either party may terminate this Agreement upon thirty (30) days prior written notice.

Section 3: Term and Termination

3.1 **Term**

Subject to compliance with all terms and conditions, the term of this Agreement shall be from April 1, 2017, through March 31, 2019.

3.2 **Extension of Term**

The term of the Agreement may be extended by mutual written, signed agreement by both parties.

3.3 **Termination**

3.3.1 Termination By County

This Agreement may be terminated by County at any time upon ninety (90) days written notice to the Contractor.

The County may immediately terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon (1) unavailability of Federal, State, or County funds or (2) closure of the County, SMMC, or the department of SMMC at which Contractor is to provide services, by providing written notice to Contractor as soon as is reasonably possible after the County learns of said unavailability of outside funding or closure.

3.3.2 Automatic Termination

This Agreement shall be immediately terminated as follows:

- A. Upon Contractor's loss, restriction, or suspension of his or her professional license to practice medicine in the State of California;
- B. Upon Contractor's suspension or exclusion from the Medicare or Medi-Cal Program;
- C. If the Contractor violates the State Medical Practice Act;
- D. If the Contractor's professional practice imminently jeopardizes the safety of patients;
- E. If Contractor is convicted of a crime;

- L. Upon the closure of the County, SMMC, or the medical service at SMMC in relation to which the Contractor is providing services.

3.3.3 Termination for Breach of Material Terms

Either party may terminate this Agreement at any time in the event the other party engages in an act or omission constituting a material breach of any term or condition of this Agreement. The party electing to terminate this Agreement shall provide the breaching party with no fewer than thirty (30) days advance written notice specifying the nature of the breach. The breaching party shall then have thirty (30) days from the date of the notice (or such longer period as is specified in the notice) in which to remedy the breach and conform its conduct to this Agreement. If such corrective action is not taken within the time specified, this Agreement shall terminate at the end of the notice and cure period (typically sixty (60) days) measured from the date of initial notice without further notice or demand. Upon breach of the terms of this Agreement by an individual contractor's representative, County shall have the option of withdrawing its acceptance of that individual contractor's representative, as described in Section 1.3.1, without terminating this Agreement. Upon withdrawal of acceptance, Contractor must replace said contractor representative as specified in Section 1.6 of this Agreement. Withdrawal of acceptance of an individual contractor's representative will not, of itself, constitute grounds for termination of this Agreement by either party.

3.3.4 Patient Records Upon Termination and Notice to Patients

All original patient records shall be property of the County. Upon termination of this Agreement, Contractor shall return any such records as may be in Contractor's possession to County, subject to Contractor's right to copies of records.

Section 4: Insurance and Indemnification

4.1 **Insurance**

Contractor shall not commence work under this Agreement until all insurance required under this Section has been obtained and such insurance has been approved by the County. Contractor shall furnish County with Certificates of Insurance evidencing the required coverage, and there shall be a specific contractual endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These Certificates shall specify or be endorsed to provide

that thirty (30) days notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

4.1.1 Violation of this Section or Decrease/Cancellation of Coverage

In the event of either (1) violation of any provision of Section 4 of this Agreement or (2) receipt of notice by the County that any insurance coverage required under Section is will be diminished or cancelled, County at its option may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

4.1.2 Workers' Compensation and Employer Liability Insurance

Contractor shall have in effect during the entire life of this Agreement workers' compensation and employer liability insurance providing full statutory coverage. In signing this Agreement, Contractor makes the following certification, required by Section 1861 of the California Labor Code:

I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

4.1.3 Liability Insurance

Contractor shall take out and maintain during the life of this Agreement such bodily injury liability and property damage liability insurance as shall protect him or her, while performing work covered by this Agreement, from any and all claims for property damage which may arise from Contractor's operations or actions under this Agreement, whether such operations/actions are done by himself or herself, any subcontractor, or anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage coverage for each occurrence and shall not be less than the amount specified below.

Such insurance shall include:

A. Comprehensive general liability insurance... \$1,000,000

B. Professional liability insurance.....\$1,000,000/\$3,000,000

4.1.4 County Adjustment of Insurance Coverage

If this Agreement remains in effect more than one (1) year from the date of its original execution, County may, at its sole discretion, require an increase in the amount of liability insurance to the level then customary in similar County agreements by giving sixty (60) days notice to Contractor. Contractor must obtain such increased amount of coverage by the end of that notice period.

4.1.5 County as Certificate Holder

County and its officers, agents, employees, and servants shall be named as Certificate Holder on any such policies of general liability insurance. Such policies shall also contain a provision that the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy, and that if County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only. Said certificate(s) of insurance is (are) attached hereto.

4.2 **Tail Coverage**

If Contractor obtains one or more claims-made insurance policies to fulfill its obligations, Contractor will: (i) maintain coverage with the same company during the term of this Agreement and for at least three (3) years following termination of this Agreement; or (ii) purchase or provide coverage that assures protection against claims based on acts or omissions that occur during the period of this Agreement which are asserted after the claims-made insurance policy expired.

4.3 **Hold Harmless**

Contractor shall indemnify and hold harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description brought for or on account of: (i) injuries or death of any person, including Contractor; (ii) damage to any property of any kind whatsoever and to whomsoever belonging; (iii) any failure to withhold and/or pay to the government income and/or employment taxes from earnings under this Agreement; (iv) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or (v) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants resulting from the performance of any work required of Contractor or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damages for which County

has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of the Contractor to indemnify and save harmless as set forth herein shall include the duty to defend as set forth in Section 2778 of the California Civil Code. Contractor shall indemnify, defend, and hold County harmless from and against any and all claims for wages, salaries, benefits, taxes, and all other withholdings and charges payable to, or in respect to, Contractor's representatives for services provided under this Agreement.

5.2 Merger Clause, Amendment, and Counterparts

This Agreement, including the Exhibits and Attachments attached hereto and incorporated herein by reference, constitutes the sole Agreement of the parties hereto and correctly states the rights, duties, and obligations of each party as of this document's date. In the event that any term, condition, provision, requirement, or specification set forth in this body of the Agreement conflicts with or is inconsistent with any term, condition, provision, requirement, or specification in any exhibit and/or

attachment to this Agreement, the provisions of this body of the Agreement shall prevail. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document, whether written or otherwise, are not binding. All subsequent modifications shall be in writing and signed by the parties.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5.3 **Partial Invalidity**

In the event any provision of this Agreement is found to be legally invalid or unenforceable for any reason, the remaining provisions of the Agreement shall remain in full force and effect provided that the fundamental rights and obligations remain reasonably unaffected.

5.4 **Assignment**

Because this is a personal service contract, Contractor may not assign any of its rights or obligations hereunder without the prior written consent of County. County may assign this Agreement to any successor, to all or substantially all of County's operating assets, or to any affiliate of County. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

5.5 **Independent Contractor**

Contractor and all Contractor's representatives are performing services and duties under this Agreement as independent contractors and not as employees, agents, or partners of or joint ventures with County. County does retain responsibility for the performance of Contractor and Contractor's representatives as and to the extent required by law and the accreditation standards applicable to County. Such responsibility, however, is limited to establishing the goals and objectives for the service and requiring services to be rendered in a competent, efficient, and satisfactory manner in accordance with applicable standards and legal requirements. Contractor shall be responsible for determining the manner in which services are provided and ensuring that services are rendered in a manner consistent with the goals and objectives referenced in this Agreement.

5.6 **Regulatory Requirements**

The parties expressly agree that nothing contained in this Agreement shall require Contractor or Contractor's representatives to refer or admit any patients to or order any goods or services from County. Notwithstanding any unanticipated effect of any

provision of this Agreement, neither party will knowingly or intentionally conduct himself or herself in such a manner as to violate the prohibition against fraud and abuse in connection with the Medicare and Medi-Cal programs.

5.7 **Alternate Dispute Resolution and Venue**

The parties firmly desire to resolve all disputes arising hereunder without resort to litigation in order to protect their respective reputations and the confidential nature of certain aspects of their relationship. Accordingly, any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be mediated. If mediation is unsuccessful, the parties may take the dispute to Superior Court in San Mateo County.

5.8 **Third Party Beneficiaries**

This Agreement is entered into for the sole benefit of County and Contractor. Nothing contained herein or in the parties' course of dealings shall be construed as conferring any third party beneficiary status on any person or entity not a party to this Agreement, including, without limitation, any Contractor's representative.

5.9 **Governing Law**

This Agreement shall be governed by the laws of the State of California.

5.10 **Non-Discrimination**

Contractor shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. - A. Termination of this Agreement;
- B. Disqualification of Contractor from bidding or being awarded a County contract for a period of up to three (3) years;
- C. Liquidated damages of TWO THOUSAND FIVE HUNDRED DOLLARS (\$2,500) per violation; and/or

Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

5.11 **General Standards**

Contractor shall maintain its operations in compliance with all applicable laws and rules relating to licensure and certification, including but not limited to: Title XXII of the California Administrative Code; those necessary to participate in the Medicare and Medi-Cal programs under Title VIII and Title XIX, respectively, of the Social Security Act; and those required by the Joint Commission. Contractor shall provide satisfactory evidence of such licenses and certificates. Contractor shall inform County of any notice of any incident within its operations which may affect any license or certification held by Contractor.

5.12 **Confidentiality of Patient Information and Compliance with Laws**

Contractor shall keep in strictest confidence and in compliance with all applicable state and federal laws any patient information. Contractor shall not disclose such information except as permitted by law.

All services to be performed by Contractor pursuant to this Agreement shall be performed: (1) in accordance with all applicable Federal, State, County, and municipal

Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and State, Federal, County, or municipal law or regulations, the requirements of the applicable law will take precedence over the requirements set forth in this Agreement.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

5.13 **Non-Disclosure of Names**

EXHIBIT A

SERVICES

In consideration of the payments specified in Exhibit B, Contractor shall perform the services described below under the general direction of the SMMC Chief Medical Officer.

- I. Provide professional neurology services in the SMMC Division of Neurology, Department of Medicine, including inpatient, ambulatory, and emergency care. Review all SMMC Electroencephalogram ("EEG") and Electromyogram ("EMG") reports. Contractor shall be responsible to provide a minimum of nine (9) four (4) hour neurology clinic sessions during each calendar month of this Agreement's term. Each neurology clinic session shall consist of four (4) hours of patient appointments. Notwithstanding the foregoing, the parties understand and agree that Dr. Howard Belfer, a licensed physician who is Board certified in neurology and who also has a contract with the County, may provide any part of the nine (9) clinic sessions for as long as Dr. Belfer remains a contractor with the County, it being further understood that between Contractor and Dr. Belfer, only a total of nine (9) clinic sessions per month of neurology services shall be provided. Contractor agrees that he shall remain individually responsible for ensuring that the nine (9) clinic sessions per month are provided, regardless of the extent of participation by Dr. Belfer. The parties further understand and agree that Dr. Belfer, instead of Dr. Siegel, may provide any part of the review of SMMC EEG and EMG reports as long as Dr. Belfer remains a contractor with the County, it being understood that Contractor shall remain individually responsible for ensuring that all SMMC EEG and EMG reports are timely reviewed.
- II. Participate in such scheduled coverage of service as is mutually arranged and agreed upon by members of the Department of Neurology under the supervision of the Chief of Medicine.

Contractor shall develop schedule for "on-call" and/or "emergency-call" status during other than scheduled times and for twenty-four (24) hours each Saturday, Sunday, or holiday. "On-call" and "emergency-call" are defined as being available by telephone or pager to the hospital medical staff, nursing supervisor, and administrator on call as needed. In addition, Contractor must adhere to the guidelines of the San Mateo County Trauma System by being immediately available by telephone and must make every reasonable effort to be present at the hospital at the time of the patient's arrival.

It is expressly understood that Contractor is subject to these conditions, that Contractor will accept equal scheduling for "on-call" status, and that each will be responsible for his/her portion of "on-call" time. All physicians who take calls for neurology services must have SMMC privileges.

- III. Provider will not be required or expected to perform inpatient or emergency department lumbar punctures.

- IV. Contractor agrees to partner with SMMC administration in ensuring appropriate use of resources and timely access to care. This includes but is not limited to participation in the upcoming “SMART” referral process whereby contractors will review incoming referrals for appropriateness and completeness. Contractor agrees to provide referring providers with constructive, timely feedback when appropriate.
- V. Contractor shall fulfill those requirements for active staff membership set forth in Articles 3 and 4.2 of the SMMC Medical Staff Bylaws, Rules and Regulations and maintain such active staff status as a condition of the Agreement.
- VI. Contractor shall attend regularly and serve without additional compensation on committees responsible for peer review activities, quality assurance, and utilization review as outlined in the SMMC Medical Staff Bylaws, Rules and Regulations.

EXHIBIT B

PAYMENTS

In consideration of the services specified in Exhibit A, County will pay Contractor based on the following:

- I. Payment for all work other than that described in Section II of Exhibit A shall be calculated in a manner consistent with reimbursement for neurology services. The source of neurology base units is the current Medicare Resource-Based Relative Value Scale (RBRVS) Relative Value Work Units (RVUs).
- II. Contractor compensation for neurology by the County will be based on the 2016 Medical Group Management Association ("MGMA") RVU base work unit value for a projected volume of 2126 wRVU per annum. If the Agreement terms of service are amended such that the current numbers of clinic sessions or study (EMG or EEG) interpretation in Exhibit A are changed, the projected volume of wRVU and corresponding compensation shall be adjusted accordingly.

If the average monthly work units for neurology as a department (based on 4252 annual work units) vary by fifteen percent (15%) over a six (6) month period, the Chief Medical Officer or designee will review and discuss the compensation metric with Contractor, and it will be changed if appropriate.
- III. In order to provide twenty-four (24) hour/seven (7) days per week call coverage, Contractor will be paid \$300 per night for all call coverage provided per Section III of Exhibit A, with the schedule for such call coverage to be determined by the neurologists. Compensation for the call coverage referenced in this Agreement is included in the monthly compensation set forth in Section VIII of this Exhibit B.
- IV. Contract shall provide additional services pursuant to Section I of Exhibit A in order to provide additional services of reading EMG and EEG studies. Contractor will be compensated at a rate of FIVE HUNDRED FIFTY DOLLARS (\$550.00) per four (4) hour block. There is a target of five (5) EMG tests to be reviewed per block (4 hours).
- V. Contractor shall be paid at a fixed rate of ONE HUNDRED NINETY SEVEN THOUSAND EIGHTYEIGHT DOLLARS (\$197,088) per year, to be paid in monthly installments of SIXTEEN THOUSAND FOUR HUNDRED TWENTY FOUR DOLLARS (\$16,424) (one-twelfth of the annual rate) for each month worked.
- VI. Total payment for services performed under this Agreement will not exceed FOUR HUNDRED SIXTYTHOUSAND DOLLARS (\$460,000).
- VII. Failure of Contractor to perform the listed services in any given month constitutes a material breach of this Agreement, and in such circumstances the County, at its option, may withhold payment for any portion of services not rendered, terminate the Agreement pursuant to the termination provisions above, work with the Contractor to reach a schedule for returning the Contractor to performance under this Agreement, revise this Agreement pursuant to the terms of

this Agreement, pursue any remedy available at law, or any combination of these options. The Contractor is not entitled to payment for non-performance of services listed by this Agreement.

- VIII. The term of this Agreement is April 1, 2017 through March 31, 2019, as stated in Section 3.1 of the Agreement.
- IX. Contractor shall submit an invoice for services to County for payment in accordance with the provisions of this Exhibit. County shall not be obligated to pay Contractor for the services covered by any invoice if Contractor presents the invoice to County more than one hundred eighty (180) days after the date Contractor renders the services or more than ninety (90) days after this Agreement terminates, whichever is earlier.
