SUBJECT: Reappointment to the Coastsides Design Review Committee

RECOMMENDATION:

Recommendation for the reappointment of Beverly Garrity as a Community Representative member to the Coastsides Design Review Committee, representing Montara, for a term ending March 31, 2020.

BACKGROUND:

The Coastsides Design Review Committee exists to review all residential and residential/commercial mixed use projects in the Midcoast Local Coastal Program Update Project Area. The Committee reviews these projects for compliance with specific site planning and architectural standards developed for the area.

Beverly Garrity has served as a Montara Community Representative on the Coastsides Design Review Committee since June 3, 2014. Planning Staff has enjoyed working with Beverly and really appreciate her kind and clear communication skills with the public and applicants. As Chair of the CDRC for approximately 3 years, the CDRC has benefited significantly from her organization skills and enthusiasm in formalizing the bylaws, procedure, and training process of the CDRC.

This reappointment contributes to the 2025 Shared Vision statement of a Collaborative Community. Our diverse population works well together to build strong communities, effective government and a prosperous economy; civic engagement – including voting, public service, charitable giving, volunteerism, and participation in public discussions of important issues – is uniformly high among the diverse population of San Mateo County.

FISCAL IMPACT:
