DOING BUSINESS WITH THE STATE OF CALIFORNIA

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.

2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

PAYEE DATA RECORD

STD. 204 (Rev. 6-2003) (REVERSE)

1	<p><u>Requirement to Complete Payee Data Record, STD. 204</u></p> <p>A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>						
2	<p>Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>						
3	<p>Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).</p>						
4	<p><u>Are you a California resident or nonresident?</u></p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year.</p> <p>For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:</p> <table border="0"> <tr> <td>Withholding Services and Compliance Section:</td> <td>1-888-792-4900</td> <td>E-mail address: wscs.gen@ftb.ca.gov</td> </tr> <tr> <td>For hearing impaired with TDD, call:</td> <td>1-800-822-6268</td> <td>Website: www.ftb.ca.gov</td> </tr> </table>	Withholding Services and Compliance Section:	1-888-792-4900	E-mail address: wscs.gen@ftb.ca.gov	For hearing impaired with TDD, call:	1-800-822-6268	Website: www.ftb.ca.gov

6	<p>This section must be completed by the State agency requesting the STD. 204.</p>						
	<p><u>Privacy Statement</u></p> <p>Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.</p> <p>It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is subject to federal backup withholding and State law imposes noncompliance penalties of up to \$20,000.</p> <p>You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the State agency(ies) with which you transact that business.</p> <p>All questions should be referred to the requesting State agency listed on the bottom front of this form.</p>

Exhibit B		
Advance Payments	<p>A. Upon execution of this Agreement or any Amendments thereto, CSD shall issue an advance payment to Contractor not to exceed twenty-five percent (25%) of the Total Estimated CR Allocation. In no case, however, shall the advance payment exceed twenty-five percent (25%) of the total consideration payable to Contractor per the final Amendment to this Agreement in accordance with CA Gov. Code §12781(b).</p>	<p>A. Due to the likelihood that the U.S. Department of Health and Human Services (HHS) will award the state's CSBG allocation in discrete installments throughout the funding cycle, as funds are made available by a Continuing Resolution of Congress (CR) or other federal government action, CSD will use an estimated or Total Estimated CR Allocation based on ninety percent (90%) of the prior year CSBG grant, to determine Contractor's advance payment amount unless otherwise notified by HHS of the actual total allocation.</p>
Advance Payments	<p>B. In the event the Maximum Amount of this Agreement is increased through subsequent amendments based on a notice of grant award for FFY 2013, a subsequent advance payment of the advance amount plus any previous advances already allowed shall not exceed twenty-five percent (25%) of the Total Estimated CR Allocation (for budgeting), as set forth in Exhibit B, Attachment III, per the final Amendment to this Agreement in accordance with CA Gov. Code §12781(b).</p>	<p>B. Upon execution of this Agreement, CSD shall, in accordance with CA Gov. Code § 12781 (b), issue an advance payment to Contractor in an amount not to exceed twenty-five percent (25%) of Contractor's total allocation for the contract term, if known, or 25% of Contractor's Total Estimated CR Allocation, if the actual total allocation is unknown.</p>

2014 CSBG Contract Matrix

Advance Payments	<p>C. Agencies may begin repayment of advance funds immediately in the first reporting period. If an agency has not begun repayment of advance funds, CSD will initiate and pro-rate the repayment process of advanced funds beginning with the seventh monthly (or fourth bimonthly) reporting period of the contract term and ending with the twelfth month of the contract term.</p>	<p>C. When Contractor's Total Estimated CR Allocation is used to calculate the advance, if the amount stated on its face sheet of this Agreement is less than 25% of Contractor's Total Estimated CR Allocation Contractor shall be advanced the full amount stated on the face sheet. CSD shall pay the remainder of any advance funds due to Contractor upon execution of amendments to this Agreement, as additional funds are awarded by HHS. If HHS fails to provide additional or adequate funding for such purpose during the first six months of the contract term, Contractor will not be entitled to additional advance payments.</p>
Advance Payments	<p>D. CSD will initiate repayment of outstanding advance payments whenever seventy-five percent (75%) of the contract allocation has been expended, or beginning with the seventh month (or fourth bimonthly) reporting period, whichever occurs first. As applicable to the funding contract term, CSD shall begin applying approved expenditures to the outstanding advance balance thereby offsetting any subsequent reimbursements. CSD shall determine amounts to be offset by applying the balance of the advance equally into the remaining expenditure reporting periods. An exception may occur if the expenditure reports submitted are less than this applied settlement formula, in which case, CSD shall apply the entire reimbursement amounts against the outstanding advance balance.</p>	<p>D. If, during the first six months of the contract term, CSD receives an award letter from HHS which, together with all prior allocations under this Agreement and amendments hereto, exceeds the Total Estimated CR Allocation, CSD shall, upon Contractor's written request, advance up to twenty-five percent (25%) of the difference between to total contract allocation and the Total Estimated CR Allocation.</p>

2014 CSBG Contract Matrix

Advance Payments	E. If the Contractor will not fully expend the full allocation on or before December 31, 2013, the Contractor must complete a CSD 425b, requesting a contract term extension, and submit it to CSD no later than forty-five (45) days prior to the end of the Agreement term.	E. The advance shall be liquidated as follows: 1) Contractor may liquidate the advance at any time through offsets against CSD-approved reimbursement requests; however, CSD shall initiate repayment of the advance through offsets of approved expenditures when the first of either of the following occurs: a. Contractor has expended seventy-five percent (75%) of the total contract allocation, if known, or seventy-five percent (75%) of the Total Estimated CR Allocation, if the total contract allocation is not known. b. at the beginning of the seventh monthly (or fourth bimonthly) reporting period of the contract term. 2) To the extent that CSD initiates repayment of the advance, liquidation of the advance shall be accomplished through offsets against subsequent reimbursement of approved expenditures. CSD shall determine the amount to be offset against reimbursements by dividing the unpaid advance amount by the number of remaining expenditure reporting periods in the contract term. In the event that an expenditure request for a reporting period is less than the offset amount as determined above, the entire amount of the expenditure reimbursement request shall be applied against the remaining advance balance.
Budget Contingencies	B. Federal Budget Contingency 1) It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.	B. Federal Budget Contingency 1) It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before final congressional appropriation of funds has been determined, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.

BUDGET DETAIL AND PAYMENT PROVISIONS

1. **TERM AND AMOUNT OF AGREEMENT**

As specified on the face sheet of this Agreement (Std. 213), the term of this Agreement is for one year and covers the period January 1, 2014 through December 31, 2014.

The Maximum Amount specified on the initial face sheet of this Agreement is based on a partial allocation of the federal Community Services Block Grant for federal fiscal year (FFY) 2014, awarded to the State pursuant to one or more continuing resolutions passed by the Congress prior to the execution of this Agreement. Upon the issuance of each subsequent federal allocation, including the full annual allocation to the State for FFY 2014, CSD shall issue an amendment to this Agreement to increase the Maximum Amount by the amount to be distributed to Contractor as calculated pursuant to Government Code § 12759.

2. **BUDGET**

- A. Concurrent with the submission of this Agreement, Contractor shall complete and submit the CSBG Fiscal Data forms [CSBG Contract Budget Summary (CSD 425.S), CSBG Budget Support - Personnel Costs (CSD 425.1.1), CSBG Budget Support - Non Personnel Costs (CSD 425.1.2), CSBG Budget Support - Other Agency Operating Funds (CSD 425.1.3), and Budget Narrative (CSD 425.1.4)] attached to this Exhibit B. Contractor must include an itemized list identifying all other funding sources and amounts that make up the total annual operating budget of the community action program(s). Notwithstanding any other provision of this paragraph, Contractor may submit the itemized list of other funding sources by either of the following methods: 1) completing the attached form (CSD 425.1.3), or 2) submitting an internal annual budget document displaying the funding sources and their anticipated revenues.
- B. Contractor shall submit the CSD 425.1.4 (CSBG Contract Budget Narrative) with a justification for each projected line item reported on the CSD 425.1.1 and CSD 425.1.2.
- C. Administrative Expenses
- 1) For the purpose of administrative expenditures, Contractor shall use funds allocated under this Agreement in an amount not to exceed twelve percent (12%) of the total operating funds of its community action program(s). Contractor shall not use funds provided under this Agreement to cover administrative costs incurred in the Low-Income Home Energy Assistance Program (LIHEAP) in excess of the LIHEAP contractual limitations.

EXHIBIT B
(Standard Agreement)

- 2) For purposes of allocating indirect costs, contractors may use current negotiated indirect cost rates that have been approved by a cognizant federal agency. Contractor shall submit a copy of the letter of approval from the cognizant agency which includes date of approval and amount of rate.
 - D. In accordance with 22 CCR § 100715(a), no originally approved budget line item may be increased or decreased by more than ten percent (10%) without prior CSD approval. Any increase or decrease of more than ten percent (10%) to the originally approved budget line item will require a request for modification to the budget and shall be submitted to CSD on form CSD 425b, Justification for Contract Amendment/Modification.
3. ADVANCE PAYMENTS
- A. Due to the likelihood that the U.S. Department of Health and Human Services (HHS) will award the state's CSBG allocation in discrete installments throughout the funding cycle, as funds are made available by a Continuing Resolution of Congress (CR) or other federal government action, CSD will use an estimated or Total Estimated CR Allocation based on ninety percent (90%) of the prior year CSBG grant, to determine Contractor's advance payment amount unless otherwise notified by HHS of the actual total allocation.
 - B. Upon execution of this Agreement, CSD shall, in accordance with CA Gov. Code § 12781 (b), issue an advance payment to Contractor in an amount not to exceed twenty-five percent (25%) of Contractor's total allocation for the contract term, if known, or 25% of Contractor's Total Estimated CR Allocation, if the actual total allocation is unknown.
 - C. When Contractor's Total Estimated CR Allocation is used to calculate the advance, if the amount stated on its face sheet of this Agreement is less than 25% of Contractor's Total Estimated CR Allocation Contractor shall be advanced the full amount stated on the face sheet. CSD shall pay the remainder of any advance funds due to Contractor upon execution of amendments to this Agreement, as additional funds are awarded by HHS. If HHS fails to provide additional or adequate funding for such purpose during the first six months of the contract term, Contractor will not be entitled to additional advance payments.

EXHIBIT B
(Standard Agreement)

- D. If, during the first six months of the contract term, CSD receives an award letter from HHS which, together with all prior allocations under this Agreement and amendments hereto, exceeds the Total Estimated CR Allocation, CSD shall, upon Contractor's written request, advance up to twenty-five percent (25%) of the difference between to total contract allocation and the Total Estimated CR Allocation.
- E. The advance shall be liquidated as follows:
- 1) Contractor may liquidate the advance at any time through offsets against CSD-approved reimbursement requests; however, CSD shall initiate repayment of the advance through offsets of approved expenditures when the first of either of the following occurs:
 - a. Contractor has expended seventy-five percent (75%) of the total contract allocation, if known, or seventy-five percent (75%) of the Total Estimated CR Allocation, if the total contract allocation is not known.
 - b. at the beginning of the seventh monthly (or fourth bimonthly) reporting period of the contract term.
 - 2) To the extent that CSD initiates repayment of the advance, liquidation of the advance shall be accomplished through offsets against subsequent reimbursement of approved expenditures. CSD shall determine the amount to be offset against reimbursements by dividing the unpaid advance amount by the number of remaining expenditure reporting periods in the contract term. In the event that an expenditure request for a reporting period is less than the offset amount as determined above, the entire amount of the expenditure reimbursement request shall be applied against the remaining advance balance.

4. BUDGET CONTINGENCIES

A. State Budget Contingency

- 1) It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

EXHIBIT B
(Standard Agreement)

- 2) If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

B. Federal Budget Contingency

- 1) It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before final congressional appropriation of funds has been determined, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.
- 2) This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the federal fiscal year 2014 for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- 4) CSD has the option to invalidate the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction in funds.

CSBG/NPI Workplan Instructions

Purpose The CSBG/NPI Work Plan (CSD 801 W) must be completed and returned annually with the contract. The CSD 801 W establishes performance expectations and goals for the contract term.

Suggested Tools When projecting data for the contract term, use the suggested tools below as a guide:

- Review your Community Action Plan (CAP)
- Review prior year annual CSD/NPI Programs (CSD 801) report
- National Performance Indicators (NPI) Instruction Manual*
- The Targeting Field Manual*

*documents accessible on the CSD's Providers' website on the Forms page

Workplan Format The CSD 801 W consists of orange tabs within the excel workbook, Complete the applicable work plan Goals 1 - 6 and return with the contract. There are six goals and under each goal is a list of indicators, problem statement, program activities and delivery strategies that pertain to that goal.

- The first orange tab is the Workplan Instructions
- The subsequent orange tabs are the Workplan Goals 1 through 6.

Note: The green tabs will be used later in the contract term when reporting the progress on achieving goals during the mid-year (January – June) and annual (January – December) reporting periods.

Completing the NPI Workplan

- On the "Goal 1 Workplan" tab enter the contract number, contractor's name, contact person and title, phone number, e-mail address and fax number. This information will only need to be provided once. The data will automatically populate into all other tabs from the "Goal 1" tab.
- Project the number of participants expected to achieve the performance indicator(s) identified in Goals 1 – 6 that represents the outcome(s) of the planned program activities during the contract term. If the indicator does not apply to the planned program activities leave the cell blank.

CSBG/NPI Workplan Instructions, Con't

CSBG/NPI Workplan**Goal 1: Low-income people become more self-sufficient.****NPI 1.2: Employment Supports**

Problem Statement: (If additional space is needed, please attach a separate sheet.)

San Mateo County is characterized by extraordinarily high housing costs, which escalated dramatically in the late 1990's and early 2000's due to burgeoning job growth in the high-tech sector. Despite the collapse of the housing market nationally and the ongoing recession, San Mateo County home prices and rents remain among the highest in the San Francisco Bay Area. The median home sales price in the quarter ending June 2011 was \$759,572. Market rent for a typical two-bedroom apartment was \$1,838 or \$22,000 per year, which is out of reach for the thousands of households earning \$25,000 or less. The unemployment rate in San Mateo County rose from 3.9% in September 2007 to a peak of 9.8% in January and currently sits at 9.3%.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

Rental assistance and deposit/moving cost assistance. Emergency financial assistance for car repairs and transportation vouchers. San Mateo County has established 8 Core Services Agencies throughout the County to deliver Safety Net Services to vulnerable population residing in the County. Those agencies are point of entry for San Mateo County residence to receive most needed services. The Core Services Agencies will be utilized to deliver the services.

CSBG/NPI Workplan

Goal 1: Low-income people become more self-sufficient.

NPI 1.3: Economic Asset Enhancement and Utilization

Problem Statement: (If additional space is needed, please attach a separate sheet.)

Although many clients access public benefits such as subsidized food, child care and programs designed as emergency assistance, many earn "too little" to cover many of the "emergency" costs out of pocket, such as car repair, medical emergencies or sudden loss of income. They are asset poor, meaning they lack savings or reserves to cover at least three months of living expenses, and cannot afford these emergency costs out of pocket. Consequently, many fall behind in payments and suffer credit blemishes that ultimately impact their ability to be self-sustaining.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

In addition to providing free tax preparation services, clients will have access to financial education such as the IDA program that includes tangible incentives to encourage families to build and preserve their assets, access to affordable financial products and services, and financial coaching aimed at increasing income, building savings, and gaining and sustaining assets so that individuals and families can move along a path towards greater economic security.

CSBG/NPI Workplan**Goal 2: The conditions in which low-income people live are improved.****NPI 2.3: Community Engagement****Problem Statement:** (If additional space is needed, please attach a separate sheet.)

The resources of the CORE agencies are being stretched like never before as we continue to see a decrease in financial resources available to meet the growing demand for the variety and scope of the vital services that are offered. To maintain capacity while meeting the growing challenges, we rely heavily on the skills and expertise of our robust volunteer base to extend our resources so we can continue to deliver services at a relatively low cost per client.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

The volunteers provide an impressive range of activities from the more general daily tasks such as manual, clerical and administrative duties to support the core functions of the agencies, to the more specialized tasks such as volunteer tax preparers, financial advisors, legal advocates and medical practitioners. Volunteering opportunities in our community also create pathways for people to return to work by rebuilding the skills, confidence, career and employment opportunities for individuals who are under and unemployed, or retired. It also helps the volunteers gain a better understanding of other communities and socio-economic groups that they might not otherwise interact with on a regular basis.

San Mateo County has established the Core Service Agency Network (CSN) for the purpose of meeting the basic needs of low income community members for anti-poverty services, standardize the delivery of safety-net services, and create a collaborative organizational structure for safety-net service providers alongside many others non-profit partners. Together they are engaged in service delivery to the County's needy population.

However, while overall county income is relatively high, many people are not faring well: • 31,891 (12.4%) of San Mateo County households earn less than \$25,000 per year. Of these, 12,567 (39%) are families with children. • There are 67,300 (26.1%) households living on fixed income (Social Security Income) who earn a mean income of just \$17,256 per year. Of these 9,730 (3.8%) have a mean income of only \$9,151 per year.

• 6.8% of all San Mateo County residents (4.4% of households) are living below the federal poverty line (\$22,350 for a family of four).

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

Eight community based organizations (Core Services Agencies/CSA), each covering a specific region in the County, provide a point of entry for low-income folks seeking assistance. Each client is assessed for eligibility and needs. Services provided within the scope of this funding are: Homelessness prevention and emergency assistance (e.g., food, rental assistance, shelter, clothing, move-in costs, hotel vouchers, transportation (bus vouchers/passes) temporary household goods, utility payments, security/utility deposits, car repair). Financial assistance requests are submitted by the 8 community based organizations (CSA) to the lead agency, Samaritan House, who will process payments directly to the third party vendor on behalf of the clients.

Goal 6: Low-income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive environments.

NPI 6.4: Family Supports

San Mateo County is a geographically spread out County with a total area of 449.07. The County is one of the highest rent Counties in the State. The region's average rent of \$1,838 was up 3.3 percent from the last quarter and 9.7 percent higher than a year ago. Unexpected or sudden loss of income can put a family or individual at risk of homelessness. It is easier to prevent the homelessness than trying to re-hose those who have lost their housing.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

The program activities are targeted to homelessness prevention of individuals and families. Eight community based organizations (Core Services Agencies/CSA) each located at different part of the County are focused their effort to assess all referred cases and connect the clients to necessary services and resources to prevent homelessness.

CSAs provide necessary emergency services such as food, rental assistance, shelter, clothing, move-in costs, hotel vouchers, transportation (bus vouchers/passes) temporary household goods, utility payments, security/utility deposits, car repair and .

As a geographically spread out county (449.07 square miles), one of the highest rent counties in the state (tied with Marin and San Francisco for the highest rent) and ranking 31st in the State for its percentage of food insecure households, low-income people must have access to resources that will help strengthen and stabilize their families.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

Clients will undergo an individualized assessment of their needs and resources through 8 Core Services Agencies (Point of Entry to receive services); from that assessment, the client will work with their case manager to develop an individualized service plan that best uses the client's resources while also connecting them to what they need (e.g., referral to other agencies; food, clothing, transportation, and other emergency services). Those resources will free up other funds for the low-income families and individuals other essential and basic needs

NPI 1.2: Employment Supports

Problem Statement: (If additional space is needed, please attach a separate sheet.)

San Mateo County is characterized by extraordinarily high housing costs, which escalated dramatically in the late 1990's and early 2000's due to burgeoning job growth in the high-tech sector. Despite the collapse of the housing market nationally and the ongoing recession, San Mateo County home prices and rents remain among the highest in the San Francisco Bay Area. The median home sales price in the quarter ending J 2011 was \$759,572. Market rent for a typical two-bedroom apartment was \$1,838 or \$22,000 per year, which is out of reach for the thousands of low-income residents.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

Rental assistance and deposit/moving cost assistance. Emergency financial assistance for car repairs and transportation vouchers. San Mateo County has established 8 Core Services Agencies throughout the County to deliver Safety Net Services to vulnerable population residing in the County. Those agencies are point of entry for San Mateo County residents to receive most needed services. The Core Services Agencies will be utilized to deliver the services.

NPI 1.3: Economic Asset Enhancement and Utilization

Problem Statement: (If additional space is needed, please attach a separate sheet.)

Although many clients access public benefits such as subsidized food, child care and programs designed as emergency assistance, many earn little to cover many of the “emergency” costs out of pocket, such as car repair, medical emergencies or sudden loss of income. They are poor, meaning they lack savings or reserves to cover at least three months of living expenses, and cannot afford these emergency costs out of pocket. Consequently, many fall behind in payments and suffer credit blemishes that ultimately impact their ability to be self-sustaining.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

In addition to providing free tax preparation services, clients will have access to financial education such as the IDA program that includes tangible incentives to encourage families to build and preserve their assets, access to affordable financial products and services, and financial coaching aimed at increasing income, building savings, and gaining and sustaining assets so that individuals and families can move along a path towards greater economic security.

NPI 2.3: Community Engagement

Problem Statement: (If additional space is needed, please attach a separate sheet.)

The resources of the CORE agencies are being stretched like never before as we continue to see a decrease in financial resources available to meet the growing demand for the variety and scope of the vital services that are offered. To maintain capacity while meeting the growing challenges, we rely heavily on the skills and expertise of our robust volunteer base to extend our resources so we can continue to deliver services at a relatively low cost per client.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

The volunteers provide an impressive range of activities from the more general daily tasks such as manual, clerical and administrative duties to support the core functions of the agencies, to the more specialized tasks such as volunteer tax preparers, financial advisors, legal advocates and medical practitioners. Volunteering opportunities in our community also create pathways for people to return to work by rebuilding the skills, confidence, career and employment opportunities for individuals who are under and unemployed, or retired. It also helps the volunteers gain a better understanding of other communities and socio-economic groups that they might not otherwise interact with on a regular basis.

NPI 4.1: Expanding Opportunities through Community-Wide Partnerships

Problem Statement: (If additional space is needed, please attach a separate sheet.)

Located between San Francisco and Santa Clara counties on the San Francisco Bay, San Mateo County covers 449.07 square miles. It is the 13th largest county in California with a population of 718,451. According to the most recent 2010 U.S. federal census data, San Mateo County is one of the most ethnically diverse communities in the nation: 42.3 percent of County residents are Caucasian, 25.4 percent are Hispanic, 26.2 percent Asian/Pacific Islander, 2.8 percent African American and 3.3

Program Activities and Delivery Strategies: (If additional space is needed, please attach)

San Mateo County has established the Core Service Agency Network (CSN) for the purpose of meeting the basic needs of low income community members for anti-poverty services, standardize the delivery of safety-net services, and create a collaborative organizational structure for safety-net service providers alongside many others non-profit partners. Together they are engaged in service delivery to the County's needy population.

Median household income in San Mateo County is \$82,748, significantly higher than the state-wide median of \$57,708. However, while overall county income is relatively high, many people are not faring well: • 31,891 (12.4%) of San Mateo County households earn less than \$25,000 per year. Of these, 12,567 (39%) are families with children. There are 67,300 (26.1%) households living on fixed income (Social Security Income) who earn a mean income of just \$17,256 per year. Of these 9,730 (3.8%) have income of only \$9,151 per year.

• 6.8% of all San Mateo County residents (4.4% of households) are living below the federal poverty line (\$22,350 for a family of four).

Goal 6: Low-income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive environm

NPI 6.4: Family Supports

Problem Statement: (If additional space is needed, please attach a separate sheet.)

San Mateo County is a geographically spread out County with a total area of 449.07. The County is one of the highest rent Counties in the State. The region's average rent of \$1,838 was up 3.3 percent from the last quarter and 9.7 percent higher than a year ago. Unexpected or sudden loss of income can put a family or individual at risk of homelessness. It is easier to prevent the homelessness than trying to re-hose those who have lost their housing.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

The program activities are targeted to homelessness prevention of individuals and families. Eight community based organizations (Core Services Agencies/CSA) each at different part of the County are focused their effort to assess all referred cases and connect the clients to necessary services and resources to prevent homelessness. CSAs provide necessary emergency services such as food, rental assistance, shelter, clothing, move-in costs, hotel vouchers, transportation (bus vouchers/passes) temporary household goods, utility payments, security/utility deposits, car repair and .

Goal 6: Low-income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive environment

NPI 6.5: Service Counts

Problem Statement: (If additional space is needed, please attach a separate sheet.)

As a geographically spread out county (449.07 square miles), one of the highest rent counties in the state (tied with Marin and San Francisco for the highest rent) and ranked 31st in the State for its percentage of food insecure households, low-income people must have access to resources that will help strengthen and stabilize their families.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

Clients will undergo an individualized assessment of their needs and resources through 8 Core Services Agencies (Point of Entry to receive services); from that assessment the client will work with their case manager to develop an individualized service plan that best uses the client's resources while also connecting them to what they need: referral to other agencies; food, clothing, transportation, and other emergency services). Those resources will free up other funds for the low-income families and individuals for other essential and basic needs.

CSBG/NPI Workplan Instructions

Purpose The CSBG/NPI Work Plan (CSD 801 W) establishes performance expectations and goals for the contract term. The CSD 801 W must be completed and returned annually with the contract.

Suggested Tools When projecting data for the contract term, use the suggested tools below as a guide:

- Review your Community Action Plan (CAP) data.
 - CAP projected work plan must correspond to the contract work plan data.
- National Performance Indicators (NPI) Instruction Manual* (Version 1 updated 2013)
- The Targeting Field Manual*

*documents accessible on the CSD's Providers' website on the Forms page

Workplan Format

The CSD 801 W consists of orange tabs within the excel workbook. Complete the applicable work plan Goals 1 - 6 and return with the contract. There are six goals and under each goal is a list of indicators, problem statement, program activities and delivery strategies that pertain to that goal.

- The first orange tab is the Workplan Instructions
- The subsequent orange tabs are the Workplan Goals 1 through 6.

Note: The green tabs will be used later in the contract term when reporting the progress on achieving goals during the mid-year (January – June) and annual (January – December) reporting periods.

Completing the NPI Workplan

- On the "Goal 1 Workplan" tab enter the contract number, contractor's name, contact person and title, phone number, e-mail address and fax number. This information will only need to be provided once. The data will automatically populate into all other tabs from the "Goal 1" tab.
- Project the number of participants expected to achieve the performance indicator(s) identified in Goals 1 – 6 that represents the outcome(s) of the planned program activities during the contract term. If the indicator does not apply to the planned program activities leave the cell blank.

CSBG/NPI Workplan Instructions, Con't

- **Problem Statement:** In this section clearly and thoroughly describe the problems facing low-income individuals in the community as it relates to achieving each goal. This information should be detailed and include the following:
 - What is the problem?
 - What is the cause of the problem?
 - Who is affected?
 - Location of those affected?
- **Program Activities and Delivery Strategies:** In this section, provide a detailed description of the planned program activities to be undertaken in order to alleviate the barriers identified in the problem statement.
- **Number of Participants Expected to Achieve Outcome in Reporting Period:** This column will be filled out on the CSD 801 W for Goals 1 through 6. Provide the number of participants expected to achieve the goal at the mid-year and annual reporting periods for each indicator. The workplan numbers will automatically populate into the reporting (green) tabs for Goals 1 through 6.

Note: ALL DATA FIGURES should be NUMERICAL. Do not use percentages, fractions, abbreviations or alpha text.

Sample of NPI Workplan

Goal 1: Low-income people become more self-sufficient.

NPI 1.1: Employment

Problem Statement: (If additional space is needed, please attach a separate sheet.)

Young women and men in Sacramento County have a difficult time finding gainful employment due to a lack of skills and education. When employed, this population commonly is employed in minimum wage jobs that do not provide health benefits.

Program Activities and Delivery Strategies: (If additional space is needed, please attach a separate sheet.)

The youth job program will provide job search and resume assistance in the Young People to Work Program. This program will track individuals in the program to ensure they are in employment that will be maintained and increase their wages.

The officers, employees, and agents of the Contractor shall neither solicit nor accept gratuities, favors, or anything of monetary value from subcontractors or parties to sub agreements. 7. **SPECIAL CONDITIONS FOR ENTITIES NOT MEETING TERMS OF THE AGREEMENT**

- A. In addition to CSD's authority to terminate, suspend, or deny funding or refunding under federal and State laws and regulations, CSD has authority to establish fiscal control and accounting procedures to fulfill its oversight responsibilities and ensure that CSBG funds are appropriately expended. Thus, notwithstanding the express exception in 45 CFR Part 92 as applied to the CSBG Program, CSD hereby incorporates by reference 45 CFR Part 92.12 and may impose special conditions on Contractor, according to that Section, as a result of unsatisfactory performance of and/or noncompliance with the requirements, standards, and guidelines of this Agreement.

The roster shall include contact information for each member of the governing body at a location other than the office of the NAI Contractor, and shall identify how low-income individuals are represented in the organization's governance. NAI Contractors shall also submit the most recent version of the organizational bylaws. Contractor is responsible to notify CSD of any changes to its governing body within (30) days of such occurrence.

EXHIBIT D
(Standard Agreement)

- C. Where Contractor elects to delegate the signing authority to the chief executive officer (CEO), CSD will accept either a resolution specific to this Agreement or a resolution approved by the current governing board that is more generally applicable to any CSD program contract or amendment. Where Contractor provides a general resolution, Contractor shall maintain documentation that the CEO provided timely and effective communication of the execution and terms of this Agreement to the board. Either a specific or current general resolution must be on file with CSD prior to CSD's final execution of this Agreement.
- D. Contractor shall submit to CSD minutes from the tripartite board, LPA contractor's board, NAI governing council, commission, board, or other body responsible for administration of CSBG-funded programs, for regularly scheduled meetings no later than thirty (30) days after the minutes are approved. Regularly scheduled meetings shall be in accordance with the contractor's bylaws.

Such minutes shall be submitted to CSD no later than thirty (30) days after the minutes are approved.

- 4) Contractor shall submit to CSD one (1) printed copy and one (1) electronic copy of the required audit report(s) and any management letter(s) issued by the accountant, within nine (9) months of the end of the Contractor's fiscal year, accompanied by a copy of the signed, final engagement letter between Contractor and the independent auditor.

If the Contractor's independent auditor is unable to meet this deadline, the Contractor shall submit to CSD Audit Services Unit a written request for an extension, which includes a copy of a letter from the independent auditor explaining the anticipated delay. CSD may grant an extension not to exceed thirty (30) calendar days from the original due date. The audit report(s) and all supplemental financial information are to be submitted to the following addresses:

Electronic copy:

10. SUBCONTRACTS

Contractor may enter into subcontract(s) to perform part or all of the direct services covered under this Agreement. Prior to the commencement of subcontracted services under this Agreement, Contractor shall obtain board approval, to include but not be limited to, an assurance that the subcontractor agreement(s) shall comply with all terms, conditions, assurances, and certifications of this Agreement for the nonprofit and local governmental agencies performing services in the area(s) described in EXHIBIT A, SCOPE OF WORK, Section 2.

- A. Contractor shall provide written notification to the State within 60 calendar days of execution of each subcontractor agreement the name of the subcontractor entity, its address, telephone number, contact person, contract amount, and program description of each subcontractor activity to be performed under this Agreement. This written notification shall also include a certification that, to the best of Contractor's knowledge, the subcontractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency. For purposes of this certification of subcontractor eligibility, Contractor may rely on information provided via the Excluded Parties List System (EPLS), available at <https://www.sam.gov/portal/public/SAM/>.

EXHIBIT D
(Standard Agreement)

- B. If CSD determines that Contractor has executed a subcontract with an individual or entity listed as debarred, suspended, or otherwise ineligible on EPLS as of the effective start date of the subcontract, costs Contractor has incurred under the subcontract may be disallowed.
- C. Contractor remains responsible to substantiate the allowable and allocable use of all funds under this Agreement and to adopt fiscal control and accounting procedures sufficient to permit the tracing of funds paid to any subcontractor to a level of expenditure adequate to establish that such funds have not been used in violation of this Agreement. Contractor shall ensure that any subcontracts under this Agreement contain all provisions necessary to ensure adequate substantiation and controls of the expenditure of such funds. Contractor may achieve this through detailed invoices, by periodic monitoring of subcontractor's program activities and fiscal accountability, by retaining a right of reasonable access to the subcontractor's books and records, or by any other method sufficient to meet Contractor's responsibility to substantiate costs required by OMB Circulars A-87, 122, and 133.
- D. In the event CSD suspends, terminates, and/or makes changes to the services to be performed under this Agreement, Contractor shall notify all of its subcontractors in writing within five (5) days of receipt of notice of such action.
- E. Contractor is the responsible party and shall remain liable for the performance of the terms, conditions, assurances, and certifications of this Agreement, without recourse to the State, regarding the settlement and satisfaction of all contractual and administrative issues arising out of subcontract agreement(s) entered into in support of this Agreement, including disputes, claims, or other matters of a contractual nature as well as civil liability arising out of negligence or intentional misconduct of the subcontractor(s).
- F. Nothing contained in this Agreement shall create any contractual relation between CSD and any subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to CSD for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is independent from CSD's obligation to make payments to the Contractor. As a result, CSD shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

EXHIBIT D
(Standard Agreement)

SUPPLEMENTAL AUDIT GUIDE**Introduction**

The purpose of this Supplemental Audit Guide is to provide further instructions for the independent auditor and/or CPA firms that perform audits of agencies that contract with the California Department of Community Services and Development (CSD) to deliver programs. As specified in each program contract, all independent auditors and CPA firms must follow this Supplemental Audit Guide if the Contractor being audited is funded totally or in part by CSD contracts. This guide is not intended to be an auditing procedure manual but rather to further instruct the independent auditor and CPA firm in testing certain costs identified by CSD as needing more detailed disclosure.

The primary focus of this guide is auditing and reporting on specific items of costs funded by CSD contracts. The procedures outlined in this guide either clarify and complement or, exceed the requirements of Office of Management and Budget (OMB) Circular A-133.

Auditor's Judgment

Auditors performing the work according to this Supplemental Audit Guide must continue to exercise professional judgment. The auditor shall follow the procedures included in this audit guide unless, in the exercise of his or her professional judgment, the auditor determines that other procedures are more appropriate in particular circumstances. The auditor, however, must justify in writing any change from the audit procedures suggested by this Supplemental Audit Guide. The audit report must contain assurances that a review for compliance with OMB Circulars A-87 and A-122 was conducted.

Supplemental Audit Guide

Selected Items of Cost

Inventory System (All Contracts)

1. The independent auditor or CPA firm must gather evidence to validate the inventory listed as an asset on the balance sheet.
2. The closeout report on CSD contracts requires an inventory listing on all items purchased with CSD contract funds.
3. Inventories listed on the balance sheet and on the CSD closeout reports must be verified that they physically exist, are owned (not leased), and are in operable condition.
4. Inventory listings must be accurately compiled in the inventory accounts. Inventories are to be properly stated at cost (except when the market rate is lower).

Subcontracts (All Contracts)

1. Subcontracts must be arms-length agreements and free of actual or apparent conflicts of interest. Validate and report to CSD. CSD-funded agencies should be aware that contracting with wholly owned subsidiaries might not be considered arms-length agreements. This is especially true where both boards have similar members.
2. Contractors are required to substantiate that all costs expended under subcontracts are allowable and allocable to the particular program pursuant to the same standards as the costs expended directly by the Contractor under the specific CSD contract. Document the Contractor's system of ensuring this level of accountability, and report to CSD.

Weatherization Crew Hours (LIHEAP and DOE Contracts)

Document the methodology the Contractor uses to capture the actual hours each weatherization worker spends on each house, specific work performed and address. If this data is maintained in an automated system, obtain and review system documentation.

1. Verify that the monthly report summaries used to report weatherization crew hours provide accurate information by selecting and testing a representative sample.
2. Trace the monthly closeout report totals for weatherization labor hours to the Contractor's monthly report summaries and reconcile this to the supporting source documents.

Prohibition on Lobbying

The independent auditor shall verify that no CSD contract funds were used to influence or attempt to influence an officer or employee of a state or federal government agency, or a member of Congress or the State Legislature, in connection with the awarding of any contract, grant, loan, or cooperative agreement.

System of Internal Control

Audits must include an examination of the systems of internal control. Internal control systems must be established to ensure compliance with laws and regulations affecting the expenditure of State and/or Federal funds, financial transactions and accounts, and the agency's process for submission of Contractor billings submitted to CSD for the performance of the contract.

The Contractor's accounting system must provide for accumulating and recording of expenditures by cost category (budget line items) shown in the approved budget. The independent auditor or CPA firm must give an opinion on the internal controls of the Contractor being reviewed.

Administrative Cost Cap

CSD contracts have an administrative cost cap. Administrative costs charged to each CSD contract must not exceed this cost. In addition, other Federal funds must not be used to exceed the total administrative cost cap charged to the CSD contract, unless specifically allowed by Federal statute.

Use of Indirect Cost Rates or Other Indirect Cost Methodology

1. A Federally Approved Indirect Cost Allocation Rate may be used for selected items of costs up to the maximum allowed by the CSD contract's administrative cost rate. Costs claimed for a specific line item in the budget cannot be reported as direct costs and also as indirect costs.
2. Validate the indirect cost rate or methodology and the application of the rate used by the Contractor.
3. Ensure compliance with OMB Circulars A-87 and A-122.

Basis for Allocation of Costs

1. The independent auditor or CPA firm must identify the Contractor's basis for allocating costs to CSD contracts. Costs charged to CSD contracts must be allocable, allowable, and based on actual expenses incurred by the Contractor for the CSD contract. Costs charged to the CSD contract must also have an approved contract budget line item.
2. Ensure Compliance with OMB Circulars A-87 and A-122.

Supplemental Audit Guide

Going Concern and Subsequent Events

The independent auditor or CPA firm must provide a "positive assurance" statement that any (significant) subsequent events, related directly or indirectly, that occurred after the final closeout report and single agency-wide audit are submitted to CSD do not materially affect the closeout report, as submitted by the Contractor. Additionally, the independent auditor or CPA firm must provide "positive assurance" whether or not the Contractor will continue as a going concern. Some examples are litigation settlement, bankruptcy, mergers, large loans, cash flow problems, etc.

Representation Letter

A Representation Letter between the independent auditor or CPA firm and the Contractor must be forwarded to CSD. The Representation Letter must be signed by the Contractor's controller (or equivalent) and either the Chair of the Audit Committee if it exists or the Executive Director.

Engagement Letter

In the event a Contractor is more than one month late in submitting the required independent audit report, the Contractor shall submit one copy of the finalized, signed Engagement letter between the Contractor and the Contractor's independent auditor or CPA firm.

Supplemental Statements

Beginning with the 1994 program year, CSD contract provisions have required the financial and compliance audit to include supplemental statements. These supplemental statements must be included as part of the package submitted to CSD with the single agency-wide audit for each fiscal year. CSD uses the above information to reconcile the audited costs to the costs reported by the Contractor.

The supplemental statements should be based on the budget line items contained in the contract. The supplemental statement must include the contract budget line items, expenditures for each budget line item by fiscal year, total audited costs and total reported expenses by budget line item. Please refer to Attachments 1, 2, 3, and 4 for examples of the format to use for the required supplemental statements.

Auditing Standards and Reports

The financial and compliance audit report shall contain the following supplemental financial information: a combined statement of revenue and expenditures for each contract that presents, by budget line item, revenue and expenditures for the audit period and a description of the methodology used to allocate and claim indirect costs and any administrative cost pools.

Supplemental Audit Guide

Testing of Transactions

A sufficient number of items should be selected for review that represent all material costs categories. The audit should determine whether:

- a. Contractor's internal control over the contract is effective and working as intended;
- b. Reported program expenditures are allowable and allocable;
- c. Reported expenditures conform to funding or program limitations or exclusions;
- d. Reported expenditures are not charged to, or reimbursed by, other programs or funding sources;
- e. Transactions are properly approved, reported, and supported by source documents;
- f. Reported expenditures were incurred within the appropriate contract term; and
- g. Contractor complied with applicable laws, regulations, and contract requirements.

American Recovery and Reinvestment Act of 2009 (ARRA) Funds

ARRA IDENTIFICATION

Contractors covered under the Single Audit Act and OMB circular A-133 must specifically identify ARRA funds on the SEFA by CFDA number, contract number, and by attaching the prefix "ARRA-" to the Federal program name. This information may be used by CSD to monitor the Contractor's expenditures of ARRA funds. In addition, the Contractor should maintain documentation to identify sub-award and project funded through the ARRA.

SEPARATE ACCOUNTING

Contractors must segregate the obligations and expenditures related to funding under the Recovery Act. Financial and accounting systems should be revised as necessary to segregate, track and maintain these funds apart and separate from other revenue streams. No part of the funds from the Recovery Act shall be commingled with any other funds or used for a purpose other than that of making payments for costs allowable for Recovery Act projects. Recovery Act funds can be used in conjunction with other funding sources as necessary to complete projects, but tracking and reporting must be separate to meet the reporting requirements of the Recovery Act and OMB Guidance.

PREVAILING WAGE

Determine if there is a designated payroll person to certify, on a weekly basis, that the Contractor is paying residential prevailing wage in accordance with the wage determinations as set forth in the ARRA contract.

INSTRUCTION FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, state and ZIP Code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee", then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.
(b) Enter the full name of the individual(s) performing services, and include full address if different from 10 (a). Enter Last Name, First Name, and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (item 4) to the lobbying entity (item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate box(es). Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate box(es). Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed, or will be expected to perform, and the date(s) of any services rendered. Identify the Federal official(s) or employee(s) contacted or the officer(s), employee(s), or Member(s) of Congress that were contacted.
