

COUNTY OF SAN MATEO
Inter-Departmental Correspondence
Health System

Date: May 5, 2013
Board Meeting Date: June 4, 2013
Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors

From: Jean S. Fraser, Chief, Health System
Stephen Kaplan, Director, Behavioral Health & Recovery Services

Subject: Agreement with Peninsula Family Service (formerly Family Service Agency)

RECOMMENDATION:

Adopt a Resolution authorizing an agreement with Peninsula Family Service for the provision of senior peer counseling services for the term of July 1, 2013 through June 30, 2014, in an amount not to exceed \$283,140.

BACKGROUND:

Volunteer senior peer counseling services have been identified in the President's New Freedom Commission on Mental Health Report as a critical component of effective community mental health systems. They are also cited as a key service strategy in the Mental Health Services Act (MHSA) requirements. These services are essential to promoting wellness/recovery for older adults and supporting them in achieving the highest possible quality of life. Senior peer counseling services are cost effective and have been found to reach and engage older adults who are experiencing mental health issues and are in need of supportive services.

In February 2012 Behavioral Health and Recovery Services (BHRS) released a Request for Proposals (RFP) to select a provider for the continued operation and expansion of the Senior Peer Counseling Program. Peninsula Family Service (PFS), formerly known as Family Service Agency, was selected to continue to provide these services. PFS has worked with the senior population of San Mateo County since 1984.

DISCUSSION:

PFS will provide non-clinical services through the Senior Peer Counseling Program. This program will provide bilingual/multi-cultural senior peer counseling services targeting the County's older adult population, including historically underserved ethnic populations (specifically Chinese and Filipino). PFS will also provide outreach and engagement services to the lesbian, gay, bisexual, transgender population, as well as to

previously underserved geographical areas. PFS program staff will recruit, train, and supervise volunteers who will provide direct individual and group services to older adults.

Behavioral Health and Recovery Services (BHRS) requests your Board to authorize the Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term of services is/are within the current or revised fiscal provisions.

The agreement and Resolution have been reviewed and approved by County Counsel as to form. The contractor meets insurance certification requirements.

The Contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

The agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing senior peer counseling services for older adults needing supportive services. BHRS provides a range of services to promote wellness and recovery and to support consumers remaining in the lowest possible level of care. The provision of senior peer counseling is one established level of care. The services provided through this Agreement contribute to this measure. It is anticipated that 65% of clients who receive senior peer counseling services will reflect the historically underserved target ethnic populations.

PERFORMANCE MEASURE(S):

Measure	FY 2012-13 Estimated	FY 2013-14 Projected
Percentage of clients reflecting the historically underserved target ethnic populations	65%	65%

FISCAL IMPACT:

The term of the Agreement is July 1, 2013 through June 30, 2014, and the maximum obligation is \$283,140. Of that \$273,140 will be funded by MHSA, and \$10,000 will be funded by an Area Agency on Aging Older Americans Act grant. There is no Net County Cost. Funds for these services have been included in the BHRS FY 2013-14 Recommended Budget. The payment provisions and levels of service in the agreement are essentially the same as the prior agreement.
