**Subject:** Amendment to the Master Salary Ordinance

**RECOMMENDATION:**

Introduction of an ordinance amending the Master Salary Ordinance to delete one and add five unclassified positions and waiver of reading the ordinance in its entirety.

**BACKGROUND:**

The Public Administrator (PA) program has undergone many changes in operation, functionality and structure since joining Aging and Adult Services (AAS) in July 2011. Subsequently, it is necessary to make changes to the number and types of positions for the PA program this fiscal year in order to attend to the current backlog of cases.

**DISCUSSION:**

It is proposed to increase staffing in the Office of County Counsel and in the Public Administrator function to be able to address the number and complexity of the backlog of open cases that were transferred to the Health System. Working through the backlog of cases that were transferred to the Health System from the District Attorney's Office is taking far more staff time per case than originally anticipated. The need for increased staffing is temporary, and the positions will be retained only until the backlog of cases is resolved.
