3. Payments

In consideration of the services provided by Contractor in accordance with all terms,
conditions, and specifications set forth herein and in Exhibit A, County shall make
payment to Contractor based on the rates and in the manner specified in Exhibit B.
County reserves the right to withhold payment if County determines that the quantity
or quality of the work performed is unacceptable. In no event shall County's total
fiscal obligation under this Agreement exceed TWO HUNDRED TWENTY-FIVE
THOUSAND DOLLARS (\$225,000).

4. Term and Termination

Subject to compliance with all terms and conditions, the term of this Agreement shall be from January 1, 2014 through June 30, 2015.

This Agreement may be terminated by Contractor, the Chief of the Health System, or designee at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such materials. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

5. Availability of Funds

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

6. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

7. Hold Harmless

7.1 **General Hold Harmless.** Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following: (A) injuries to or death of any person, including Contractor or its employees/officers/agents; (B) damage to any property of any kind whatsoever and to whomsoever belonging; (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

7.2 Intellectual Property Indemnification.

Contractor hereby certifies that it owns, controls, or licenses and retains all right, title, and interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets ("IP Rights") except as otherwise noted by this Agreement. Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

9. Insurance

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

- (1) **Workers' Compensation and Employer's Liability Insurance.** Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, (a) that it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) that it will comply with such provisions before commencing the performance of work under this Agreement.
- (2) **Liability Insurance.** Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or by an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amount specified below.

Such insurance shall include:

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

10. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap in programs and activities receiving any Federal or County financial assistance. I. DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

A. Community-Based Partnership

Contractor will be the fiscal and lead agency for the Community-Based Partnership for the provision of alcohol and other drug-related prevention services in the City of San Mateo in San Mateo County.

Contractor is responsible for convening the Community-based Partnership. Community-based Partnerships are comprised of local government, parents, youth, parents, community activists, educators, law enforcement, businesses, faith-based leaders, health providers, and others who are mobilizing at the local level to make their communities safer, healthier, and to reduce the problems associated with alcohol and other drugs. A Community-based Partnership is an evidenced-based strategy that promotes coordination and collaboration and makes efficient use of limited resources. By connecting multiple sectors of the community in a comprehensive approach, community based partnerships are able to plan and implement strategies, coordinate activities and achieve measurable outcomes.

In providing its operations, Contractor will maintain compliance with the requirements of the San Mateo County Behavioral Health and Recovery Services (BHRS) Alcohol and Other Drug Services (AOD) Provider Handbook hereinafter referred to as the Alcohol and Other Drug Services (AOD) Provider Handbook. In doing so, Contractor will follow, and assure that the Community-Based Partnership follows federal, state, and local requirements, including general administrative, fiscal, and reporting responsibilities. These requirements and responsibilities are set forth in the AOD Provider Handbook located at <http://www.smchealth.org/bhrs/aod/handbook> , and is incorporated by reference herein.

1. Work Plan and Budget Development and Approval:

- a. Contractor will develop a Work Plan in collaboration with the Community-Based Partnership, based on the Partnership's assessment of community-level conditions, priorities, and capacity with respect to alcohol and other drug issues.
- b. Contractor will consult with the Community-Based Partnership and develop a Budget that includes a Budget Justification. The Budget must be consistent with the scope of work reflected in the Work Plan and shall include a twenty percent (20%) in-kind match. The Governor of California has signed a directive stating that state funds can no longer be used to purchase promotional items, colloquially known as SWAG (Stuff We All Get). This includes items such as t-shirts, mugs, key chains, etc. See the following link: <http://gov.ca.gov/news.php?id=16911>. A listing of non-allowable expenditures can also be found in the AOD Provider Handbook. A minimum of SEVEN THOUSAND FIVE HUNDRED DOLLARS (\$7,500) must be allocated to evaluation services. A minimum of ONE THOUSAND DOLLARS (\$1,000) must be allocated towards training. Contractor will send 2-4 staff and partners, to attend 1-2 California Department of Health Care Services (DHCS) sponsored alcohol and other drug prevention trainings each fiscal year.
- c. Contractor's Work Plan and Budget must be approved by the BHRS AOD Administrator or designee and uploaded to the CalOMS Pv site no later than January 31, 2014. Failure to meet this deadline will result in the suspension of payment. The approved Work Plan and Budget are hereby incorporated by reference. The Work Plan requirements include, but are not limited to:
 - i. Work Plan shall align with the AOD Strategic Prevention Framework 2014-2019 (SPF) and with the San Mateo County AOD Work Plan, as incorporated in the SPF. These documents are in the AOD Provider Handbook.

- ii. Using the SPF and the San Mateo County AOD Work Plan, the Community-Based Partnership shall:
 - 1) Select at least one (1) Problem Statement and Goal in Priority Area 1; identify and implement at least three (3) Interventions/Strategies that address the Problem Statement.
 - 2) Select at least one (1) Problem Statement and Goal in Priority Area 2; identify and implement at least three (3) Interventions/Strategies that address the Problem Statements.
 - 3) The Community-Based Partnership may identify additional problem statements, goals and additional interventions/strategies if needed to address the local conditions in their community. Approval to implement these interventions/strategies using this funding is at the discretion of the BHRS AOD Administrator or designee.
 - 4) Upon identifying the Problem Statements and Goals, the Community-Based Partnership shall use the selected Interventions/Strategies and develop specific, measurable, time-bound objectives in a Logic Model and Work Plan.
- iii. The Work Plan shall incorporate environmental alcohol and other drug prevention strategies. Environmental strategies are based on the belief that problem alcohol and other drug use is a product of multiple environmental conditions and circumstances. According to this view, individuals do not engage in problematic substance use solely on the basis of personal characteristics, but rather as a result of a complex set of factors in their environment, including: the rules and regulations of the social institutions to which individuals belong, the norms of the communities in which they live, the mass media messages to which they are exposed, and the accessibility and availability of alcohol and other drugs. Environmental alcohol and other drug prevention strategies reach entire populations and reduce collective risk, making them a cost effective solution.

- iv. Changes to the Work Plan and/or corresponding Budget must be negotiated collaboratively with the Community-Based Partnership and BHRS AOD. Work Plan modifications are subject to approval by the BHRS AOD Administrator or designee.

2. Work Plan Implementation:

- a. Contractor, in collaboration with the Community-Based Partnership, shall implement Work Plan intervention/strategies to achieve Work Plan objectives.
- b. Contractor shall include the County BHRS AOD Analyst in meetings of the Community-Based Partnership to provide technical assistance and consultation, and to monitor progress towards accomplishing the objectives described in the Work Plan.

3. Participation in BHRS AOD Sponsored Activities

- a. Contractor shall participate in BHRS AOD sponsored and recommended training, technical assistance opportunities, in county-wide level networking meetings and events, and shall encourage community partners to participate as well.

II. ADMINISTRATIVE REQUIREMENTS

- 2. Contractor shall upload approved Work Plan into CalOMS Pv system by January 31, 2014. Revised Work Plans must be uploaded within ten (10) business days of approval.

<https://kitservices1.kithost.net/calomspv/pSystem.aspx>.
4. Contractor shall communicate with BHRS AOD staff CalOMS Pv data review and comply with BHRS AOD staff requests for data corrections and/or changes.

B. Implementation Progress Reporting

1. Contractor shall maintain additional documentation of all Work Plan activities, including but not limited to: meeting agenda and notes, sign-in sheets, flyers, brochures, proclamations and ordinances adopted, etc.
2. Contractor shall document Work Plan progress, including successes, challenges, participation by the Community-Based Partnership, and timeliness.
