Subject: Agreement with CORA for Emergency Response Program services

RECOMMENDATION:

Adopt a Resolution authorizing an agreement with CORA to provide Emergency Response Program services to survivors of domestic violence, for the term of July 1, 2013 through June 30, 2014, in an amount not to exceed \$132,610.

BACKGROUND:

The Emergency Response Program is the only program to collaborate with all law enforcement agencies in the County, providing 24 hour phone counseling support during or immediately following a 911 domestic violence disturbance call. When responding to the scene of a 911 domestic violence call, law enforcement personnel encourage victims to speak to a specially trained CORA counselor who will provide information about the volatile nature of domestic violence. Counselors also impart information about CORA's individual and group counseling, shelter, and legal services.

DISCUSSION:

The San Mateo County Domestic Violence Protocol for law enforcement, adopted in 2004, provides for notification to the Emergency Response Program when handling an incident involving any type of domestic violence. A counselor will be notified whether or not it is determined the incident is criminal in nature and whether or not an arrest is made.

CORA is the only agency in the County that provides comprehensive services to victims and survivors of domestic violence. Law enforcement agencies, the Human Services Agency, and other County partners depend on CORA's over 30 years of expertise for a complete range of prevention, education, and intervention services. Since CORA provides the most comprehensive response to the problem of domestic violence in the County, it is in the County's best interest to waive the Request for Proposal process and

enter into an agreement for a one year term expiring June 30, 2014, and for an amount not to exceed \$132,610.

The Resolution and agreement have been reviewed and approved by County Counsel as to form. The contractor meets insurance certification requirements.

This agreement contributes to the Shared Vision 2025 outcome of a Collaborative Community by raising awareness about the dynamics of domestic violence and providing services to the community at large and to traditionally underserved populations, whereby domestic violence survivors work to establish lives for themselves and their children free from fear and abuse.

PERFORMANCE MEASURE:

Measure	FY 2012-13 Actual	FY 2013-14 Projected
Number of domestic violence survivors receiving Emergency Response Program services	3,565	3,500

FISCAL IMPACT:

The term of the agreement is July 1, 2013 through June 30, 2014, in an amount not to exceed \$132,610, which is included in the Sheriff's Office FY 2013-14 Adopted Budget. There is no Net County Cost associated with this agreement.
