

COUNTY OF SAN MATEO
Inter-Departmental Correspondence
Sheriff's Office

Date: November 12, 2013
Board Meeting Date: January 7, 2014
Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors
From: Greg Munks, Sheriff
Subject: Agreement with Palantir Technologies, Inc.

RECOMMENDATION:

Adopt a Resolution authorizing an agreement with Palantir Technologies, Inc. for support and maintenance for the Northern California Regional Intelligence Center's Intelligence Management System for the term of January 1, 2014 through December 31, 2014, in the amount of \$132,034.

BACKGROUND:

In 2009, the Sheriff's Office, on behalf of the Northern California Regional Intelligence Center (NCRIC), applied for and was awarded the Southern Border/High Intensity Drug Trafficking Area (HIDTA) Criminal Narcotics Activity grant under the Bureau of Justice Assistance FY09 Recovery Act Combating Criminal Narcotics Activity Stemming from the Southern Border of the United States: Facilitating Justice Information Sharing, Collaboration and Problem Solving program in the amount of \$800,700. \$690,125 was approved for the purchase of a regional intelligence management system for the NCRIC's fifteen county area of responsibility. In April 2011, the NCRIC issued a Request for Proposal for a regional intelligence management system. Seven vendors submitted proposals and Palantir Technologies, Inc. was the selected vendor. On January 10, 2012, your Board executed an agreement with Palantir Technologies, Inc. for a regional intelligence management system.

DISCUSSION:

Palantir Technologies, Inc. has provided the NCRIC with licenses to their proprietary "Palantir Government" commercial off-the-shelf software, in object code format, including updates, modifications, patches, upgrades and support services. With such licenses, the NCRIC has been able to deploy a regional intelligence management system that shares, deconflicts and analyzes intelligence data stored in individual law enforcement agencies' disparate systems. Approval of the agreement will allow Palantir

Technologies, Inc. to continue to provide support and maintenance for the NCRIC's regional intelligence management system.

County Counsel has reviewed and approved the Resolution and Agreement as to form. ISD has reviewed and approved the agreement as to content. Palantir meets insurance certification requirements.

Palantir complies with contract provisions required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, and non-discrimination.

This Agreement contributes to the Shared Vision 2025 outcome of a Collaborative Community as the NCRIC is a collaborative regional public safety undertaking, which leads to safer communities by improving cooperation and information sharing between agencies.

PERFORMANCE MEASURES:

Measure	*CY 2012 Actual	*CY 2013 Projected
Number of intelligence management system inquiries	4,873	5,000
Number of new intelligence management system submissions	10,457,421	10,000,000
Number of tips/leads received from other agencies	701	800

* Calendar Year

FISCAL IMPACT:

All costs associated with the NCRIC operation are 100% reimbursable from Federal and state funds. There will be no Net County Cost incurred.
