

RESOLUTION NO. _____

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA

*** * * * ***

**RESOLUTION AUTHORIZING THE DIRECTOR OF PUBLIC WORKS ACTING AS
THE COUNTY ROAD COMMISSIONER TO PERFORM SITE GRADING WORK IN LA
HONDA USING COUNTY CONSTRUCTION CREWS**

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, the San Mateo County Department of Public Works has historically used Public Contract Code Section 20395 to perform work with county construction crews, where the performance of said work allows for a project to be expedited or allows for the County to realize cost savings when compared to a project requiring solicitation of bids; and

WHEREAS, Section 20395 of the State of California Public Contract Code defines and governs Road Commissioner Authority; and

WHEREAS, Assembly Bill 720, which became effective on January 1, 2013, limits a County Road Commissioner's Authority to no more than 30% of the value of Road Fund funded capital improvements performed by the County; and

WHEREAS, Assembly Bill 720 further requires that counties declare when they are performing work under Road Commissioner Authority; and

WHEREAS, authorizing the Director of Public Works, acting as the County Road

Commissioner, to approve the performance of up to \$100,000 in site grading work in La Honda, will allow for the work to be performed expeditiously and cost effectively.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the Board of Supervisors authorizes the Director of Public Works acting as the County Road Commissioner to perform site grading work in La Honda with County construction crews.
