Subject: Modifying the membership of the Domestic Violence Council

RECOMMENDATION:

Adopt a Resolution modifying the membership of the Domestic Violence Council to include, as a Categorical Member the San Mateo County Manager or his/ her representative.

BACKGROUND:

On May 15, 2014, the Domestic Violence Council voted to modify its membership to include a representative from the San Mateo County Manager's Office as a permanent voting categorical member.

DISCUSSION:

The Domestic Violence Council's recommendation to change its membership to include a representative from the County Manager's Office stems from the desire to place a representative on the Council who has a holistic view of the criminal justice system in the County and can help to coordinate and bring resources to the issue of preventing domestic violence.

The addition of the County Manager or a representative of his/her office as a member on the Council, contributes to the Shared Vision 2025 outcome of a Collaborative Community by underscoring the importance for the County to communicate and collaborate with all stakeholders to formulate strategic approaches to prevent domestic violence.

FISCAL IMPACT:

None.
