B. Contract Amendments

The Chief of the Health System or designee is authorized to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

More information regarding payments can be found in the AOD Provider Handbook.

H. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. This Agreement may be renegotiated, allowed to continue to end of term, or terminated pursuant to Paragraph 4 of this Agreement. Any unspent monies due to performance failure may reduce the following year's agreement, if any.

I. Early Termination

In the event this Agreement is terminated prior to June 30, 2015, Contractor shall be paid on a prorated basis for only that portion of the contract term during which Contractor provided services pursuant to this Agreement. Such billing shall be subject to the approval of the Chief of the Health System or designee.

J. Anticipated Change in Revenue

County anticipates revenues from various sources to be used to fund services provided by Contractor through this Agreement. K. Documentation

Contractor shall provide all pertinent documentation required for MediCal, and any other federal and state regulation applicable to reimbursement including assessment and service plans, and progress notes. L. Cost Report/Unspent Funds

1. Contractor shall submit to County a year-end cost report no later than August 15th after the end of the fiscal year. Contractor shall submit to County a year-end single audit report no later than November 15th after the end of the fiscal year. Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report shall be submitted along with the Cost Report.
2. If the annual Cost Report provided to County shows that total payment to Contractor exceeds the total actual costs for all of the services rendered by Contractor to eligible patients during the reporting period, a single payment in the amount of the contract savings shall be made to County by Contractor, unless otherwise authorized by the BHRS Director or designee. By mutual agreement of County and Contractor, contract savings or "unspent funds" may be retained by Contractor and expended the following year, provided that these funds are expended for SUD services approved by County and are retained in accordance with Paragraph N of this Exhibit B2.

M. Election of Third Party Billing Process – Medi-Cal participants only

Contractor shall select an option for participating in serial billing of third-party payors for services provided through this Agreement through the completion of Attachment C – Election of Third Party Billing Process. The completed Attachment C shall be returned to the County with the signed Agreement. Based upon the option selected by the Contractor the appropriate following language shall be in effect for this Agreement.

1. Option One
 - a. Contractor shall bill all eligible third-party payors financially responsible for a beneficiary's health care services that Contractor provides through this Agreement. Within ten (10) days of the end of each month, Contractor shall provide to County copies of the Explanation of Benefits or other remittance advice for every third-party payment and/or denial of such third-party payments for services provided by Contractor during such month. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph N of this Exhibit B2. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third-party payor, and to the extent that County inadvertently makes

payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement, through the Cost Report reconciliation.

- b. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

2. Option Two

- a. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph N of this Exhibit B2. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.
- b. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

N. Beneficiary Billing

Contractor shall accept, as payment in full, the amounts paid by the State in accordance with State Maximum Allowance plus any cost sharing charges (deductible, coinsurance, or copayment) required to be paid by the beneficiary. However, Contractors may not deny services to any DMC beneficiary on account of the beneficiary's inability to pay any or location of eligibility. Contractors shall not demand any additional payment from the County, State, beneficiary, or other third party payers. Contractors shall not hold beneficiaries liable for debts in the event the County or the State becomes insolvent, or for costs of DMC covered services for which the State or County does not pay the Contractor.

O. Claims Certification and Program Integrity

1. Contractor shall comply with all state and federal statutory and regulatory requirements for certification of claims, including Title 42, Code of Federal Regulations (CFR) Part 438, Sections 438.604, 438.606, and, as effective August 13, 2003, Section 438.608, as published in the June 14, 2002 Federal Register (Vol. 67, No. 115, Page 41112), which are hereby incorporated by reference.
2. Contractor shall certify by signature that the claim is true and accurate by stating the claim is submitted under the penalty of perjury under the laws of the State of California.

The claim must include the following language and signature line at the bottom of the form(s) and/or cover letter used to report the claim.

Attachment C
Election of Third Party Billing Process

San Mateo County Health System is required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide San Mateo County Behavioral Health and Recovery Services (BHRS) with a copy of the Explanation of Benefits provided by that insurance plan before billing BHRS for the remainder.

We, The Latino Commission, elect option one.

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (BHRS) so that BHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the BHRS Billing Office with the completed "assignment" that indicates the client's permission for BHRS to bill their insurance.

We, The Latino Commission, elect option two.

Patient Recall – once any transaction has been performed on a client, pressing this button will fill in the common fields with all of the information from the last transaction. This is useful for using the same client on different transaction (such as an eligibility verification, then a Share of Cost) or for correcting data when a transaction has gone through with incorrect data.

Select SOC Case – this item affects how the Patient Recall button (described above) functions. Simply select the circle above the SOC case number that you want the Patient Recall button to use when it fills out the form. Note that the SOC case numbers are only available if the previous transaction was an Eligibility transaction.

The “Last Used” choice contains the SOC Case number that was used if the previous transaction was a SOC transaction. This is also a default choice if none are selected.
