Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

5. Contract Materials

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as "contract materials") prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

6. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

7. Hold Harmless

a. General Hold Harmless

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification

Contractor hereby certifies that it owns, controls, or licenses and retains all right, title, and interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement. Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County

the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

9. Payment of Permits/Licenses

Contractor bears responsibility to obtain any license, permit, or approval required from any agency for work/services to be performed under this Agreement at Contractor's own expense prior to commencement of said work/services. Failure to do so will result in forfeit of any right to compensation under this Agreement.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every

employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

☒ Comprehensive General Liability... \$1,000,000

(Applies to all agreements)

☐ Motor Vehicle Liability Insurance... \$1,000,000

(To be checked if motor vehicle used in performing services)

☐ Professional Liability..... \$1,000,000

(To be checked if Contractor is a licensed professional)

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with

Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by County.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. Non-Discrimination and Other Requirements

This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. Compliance with County's Equal Benefits Ordinance

With respect to the provision of benefits to its employees, Contractor shall comply with Chapter 2.84 of the County Ordinance Code, which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse. In order to meet the requirements of Chapter 2.84, Contractor must certify which of the following statements is/are accurate:

- ☒ Contractor complies with Chapter 2.84 by offering the same benefits to its employees with spouses and its employees with domestic partners.
- ☐ Contractor complies with Chapter 2.84 by offering, in the case where the same benefits are not offered to its employees with spouses and its employees with domestic partners, a cash payment to an employee with a domestic partner that is equal to Contractor's cost of providing the benefit to an employee with a spouse.
- ☐ Contractor is exempt from having to comply with Chapter 2.84 because it has no employees or does not provide benefits to employees' spouses.
- ☐ Contractor does not comply with Chapter 2.84, and a waiver must be sought.

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

f. History of Discrimination

Contractor must check one of the two following options, and by executing this Agreement, Contractor certifies that the option selected is accurate:

Such duty shall include reporting of the filing of any and all charges with the Equal Employment Opportunity Commission, the Department of Fair Employment and Housing, or any other entity charged with the investigation or adjudication of allegations covered by this subsection within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject Contractor to penalties, to be determined by the County Manager, including but not limited to the following:

13. Compliance with County Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from Contractor, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed Section 3, above, is less than one-hundred thousand dollars (\$100,000), but Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

It is understood that it is the legal obligation of the organization to provide internal procedures to train staff on the security and confidentiality principles that guard this secure and private network.

Background

Core Service Agencies

The San Mateo County Human Services Agency (HSA) contracts with eight Core Service Agencies in San Mateo County (the County) to work in tandem to provide basic emergency and support services to County residents who live in poverty.

Since 1999, the Core Service Agencies have used a flat Access database to record and track the services they provide. This Access database was a standalone database within each Core Service Agency. One Core Service Agency utilized the Efforts to Outcomes system to capture client data. One challenge in using these tools was that each Core Service Agency calculated performance results, and therefore community needs, differently. The County and other funders need accurate, unduplicated, synthesized data in order to evaluate and understand safety net needs. To achieve this, the County has implemented a new, Secure, Private, Client Centric and Centralized system by Bit Focus (the vendor), called Clarity Human Services (Clarity). Clarity went live on July 1, 2014. Set-up costs and subscriber licenses for 2 years were paid for with the Measure A funding.

Homeless Service Providers

Since 2005, HSA has administered the HOPE (Housing Our People Effectively) web based system, serving as the County's Homeless Management Information System (HMIS), which records, stores, and aggregates information regarding the County's homeless population. Currently there are approximately 200 active users on the HMIS. They include county staff, trusted contracted providers of homeless, housing, and behavioral health and recovery services.

On May 1, 2014, three federal agencies, Department of Housing and Urban Development (HUD), the Department of Health and Human Services (HHS) and the Department of Veterans Affairs (VA), jointly released the 2014 HMIS Data Dictionary and 2014 HMIS Data Manual. These materials updated the HMIS Data Standards, which provide for standardized data collection on homeless individuals and families across systems and communities. Compliance with the new data standards must occur by October 2014.

In order to ensure compliance with these new requirements, HSA amended its contract with Bit Focus to expand its current Core Agencies secure user base to include providers of homeless prevention services. The go live date for the HMIS users onto the Clarity Human Services system is November 17, 2014.

County will use the Clarity Human Services Secure Confidential and Private County System across all Core Agencies and the HMIS agencies. This strategy optimizes the utilization of tax payer funds by providing a secure client-centric system with its mission as service to needy clients, protecting clients' privacy, improving and measuring outcome across the Continuum of Care.

Commitment to Data Entry

The Core Service Agencies and Homeless Service Providers agree to timely enter into the Clarity's secure system accurate data about the clients to whom they provide safety net services pursuant to their contracts with County. Timely entry of this data is crucial to the Core Agency/Homeless Service Providers' ability to refer clients to other providers, report accurate performance measures and to capture data on community need.

All Core Service Agencies have access to the same Performance Measurement Report in their Clarity Report Libraries.

The HSA team will run the same Performance Measurement Reports each quarter.

Core Service Agencies must be prepared to have their performance reports run two weeks after the end of the quarter in the fiscal year. This will provide the opportunity to review and validate data being reported in the Clarity system prior to County reporting.

It should be noted that County may run reports on the aggregate data for the individual and Core Agency Network at any time.

All reports in Clarity Report library are ready to run. The users will click each report to run.

In addition, the Clarity Report Libraries allow each agency to run reports for their own agency's operations and reports to meet their internal reporting needs.

Reports for Homeless Service Providers that are HUD-based will be reviewed and confirmed with the HMIS workgroup.

Method of Data Transfer

Bit Focus, the vendor, has established specific safeguards to assure the confidentiality and security of individually identifiable client records. Identifiable records are encrypted and transferred electronically through the Internet.

Confidentiality of Client Data

Core Service Agencies and Homeless Service Providers will establish appropriate administrative, technical, and physical safeguards to protect the confidentiality of the data and to prevent unauthorized use or access to it.

The data input into Clarity shall not be disclosed, released, revealed, showed, sold, rented, leased loaned, or otherwise have access granted to it except by the minimum number of individuals necessary to achieve the provision of homeless and safety net services or for the analysis of the data to show performance measurements, including that of contract compliance.

Summary results can be shared. Summary results are those items which cannot be used to identify an individual. Data that contains identifying information will be accessible and shared on a need-to-know basis only, and only to the extent permitted by applicable law, or as required by HUD/public funders. HSA may receive summary results in the context of contract monitoring and the validation of performance measurements and other Clarity reports.

To authorize the Parties to this Agreement to share individually-identifiable client information, clients who are entered into the system must sign a Client Consent Form that will be kept with their records in Clarity. However, if a client refuses to sign a release, services will not be denied. The release must let the client know that partner agencies in San Mateo County will have access on a need-to-know basis to their records in the secure system.

System Costs

Data is entered and accessed by Core Service Agency and Homeless Service Provider staff. Licenses have been provided at County's expense for the purpose of go-live. Post go-live, if additional licenses are needed by a Core Service Agency or Homeless Service Provider; those licenses must be purchased at the expense of the Requesting Agency.

All new staff requiring Clarity licenses must complete the on-line training.

An estimate will be provided to the requesting agency/organization for cost related to on-line training, along with cost of the licenses.

A comprehensive audit trail is available in Clarity that shows individual user activity as well as the lack of activity. If any license goes unused for more than 90 days, that license will be reassigned to an agency that has an active user. The Requesting Agency will be notified prior to deactivation of the license and the agency will have 5 business days to respond with a request if the license is to be continued.

All agencies Change Requests (CR) will be evaluated by an HSA Change Control Committee. Payment shall be made by the requesting agency to HSA for the cost of all Change Requests (CRs) unique to that agency and for non-core or non-HMIS standard programs.

User Support

If a Core Service Agency or Homeless Service Provider experiences any technical difficulty with the system, they will follow the official Support Document and its process. If an authorized user separates from employment with a Core Service Agency or Homeless Service Provider, notification must be made via a support ticket to the HSA Services desk as per the support process. The ticket shall request termination of the user's rights within 24 hours of an employee leaving employment to terminate access to the Clarity account. The license will be held for the agency for 90 days, and if not reassigned by that agency, will be reassigned to an agency that has an active user. The Requesting Agency will be notified prior to deactivation of the license and the agency will have 5 business days to respond with a request if the license is to be continued.

If a new program is introduced by County and County contracts with the Core Service Agencies and Homeless Service Providers to provide additional services, that program,

its eligibility criteria and performance reporting will be added to the Clarity system by filing a Change Request and submitting that to the HSA Service Desk.

Contractor/Service Provider Agreement

The County Core Service Agencies and SMC Homeless Service Providers are now a cohesive client-centric, unified, secure and private network with the joint mission of serving San Mateo County residents who are in need of safety net and shelter services.

The County's secure and private network will be used for accessing the Clarity system. A Master Client List, a Master Program and Services List, and unified business architecture enable the same client to obtain services and shelter anywhere in the County. This will allow clients to be referred between Core Service Agencies and County shelters and it will eliminate the need for a client to repeat his or her credentials and circumstances between agencies that are part of this Agreement.

The Core Service Agencies and County Homeless Service Providers agree to train their staff and to establish internal processes and procedures to ensure all staff and volunteers safeguard clients' confidentiality and privacy. It is understood that accessing the Clarity's secure, private and confidential network is for the sole purpose of serving clients. All authorized individuals accessing the Clarity network of Core Service Agencies and Shelters must have a legitimate business reason when searching and accessing information. All activity is logged and monitored and participating agencies understand and agree that this audit trail can be viewed at any time by authorized County personnel.

Unreasonable and unwarranted access unrelated to a legitimate business purpose by staff or volunteers by a Core Service Agency or Homeless Service Provider violates the trust of the contracted partner agencies. Such activities will not be tolerated and may result in revocation of access rights and reports to management and County. Such violations may also be referred to the District Attorney for investigation into possible criminal charges.
