**FISCAL IMPACT:**

The term of the agreement and funding sources remain the same. The maximum obligation is \$434,437 for the two-year term. For FY 2015-16, the budgeted maximum is \$217,219. Of that amount, it is anticipated that \$106,282 will be funded by Federal Medi-Cal; \$4,205 will be funded by private insurance; \$85,025 will be funded by 2011 Realignment for Early Periodic Screening, Diagnosis and Treatment; and \$21,707 will be funded by 1991 Realignment. There is no net county cost. The payment provisions and the levels of service in the agreement are essentially the same as the prior agreement.
