EXHIBIT B
PAYMENTS
(Revised July 31, 2013)

In consideration of the services specified in Exhibit A, County will pay Contractor based on the following:

- I. Contractor shall be paid at rates set forth in this Exhibit B, to include the complete professional component associated with ophthalmology services. The level of compensation and the related work is based on regional benchmarks for these services.
- II. Payment shall be calculated in a manner consistent with compensation for ophthalmology services based on the Medical Group Management Association (MGMA) 2010 Survey, Median Western Section Relative Value Rate (RVU) of \$44.67 per RVU. The source of ophthalmology base units is the current Medicare Resource-Based Relative Value Scale (RBRVS) RVUs.
- III. Contractor compensation for ophthalmology by County will be based on an RVU base work unit value for a projected volume of 1900 RVU work units per year. If the contract terms of service are amended such that the current numbers of clinic sessions in Exhibit A are changed, the projected volume of RVU work units and corresponding compensation shall be adjusted accordingly. In addition, Contractor will be paid \$300 per night for call.
- IV. Contractor will be paid monthly based on actual RVU's provided under this Agreement times the MGMA factor of \$44.67 per RVU (i.e. one RVU provided will result in a payment of \$44.67 to Contractor).
- V. Total payment for services under this Agreement will not exceed FOUR HUNDRED FORTY TWO THOUSAND FIFTY DOLLARS (\$442,050).
- VI. The term of this Agreement is September 1, 2011 through August 31, 2014, as stated in Section 3.1 of the Agreement.
