California Civil Code.

B. Intellectual Property Indemnification.

Contractor hereby certifies that it owns, controls, or licenses and retains all right, title, and interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets ("IP Rights") except as otherwise noted by this Agreement. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way

as to cause the alleged infringement at issue; (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

Contractor shall indemnify and save harmless County, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description, brought for, or on account of: (A) injuries to or death of any person, including Contractor, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County, its officers, agents, employees, or servants, resulting from the performance of any work required of Contractor or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless, as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

high quality, high-impact, cost-effective services designed to address the unmet legal needs of vulnerable older people throughout the relevant planning and service area.”

Contractors will be required to collect and document specific caregiver and care receiver data elements required for AAS.

CARS is the web-based system that is capable of providing the State with client-level data of services provided. The system allows the State to compare service utilization patterns. Providers of the FCSP will not be required to submit data directly into the CARS system. AAS will submit data from the AAS Q system to the State via CARS. No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the County. [2 CCR 599.615 et seq.];

The Contractor agrees to include these requirements in all contracts it enters into with subcontractors to provide services pursuant to this Agreement;

- F. - G. Contractor shall maintain accounting records for funds received under the terms and conditions of this Agreement. These records shall be separate from those for any other funds administered by the Contractor, and shall be maintained in accordance with Generally Accepted Accounting Principles and Procedures and the Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; [2 CFR, Part 200]
- H. Contractor shall meet the following standards for its financial management systems, as stipulated in [45 CFR 92.20] (governmental) or [45 CFR 74.21] (non-profits) as well as those stipulated in [2 CFR 200.302] financial management:

- Accounting Records;
- Complete Disclosure;
- Source Documentation;
- Internal Control;
- Budgetary Control;
- Cash Management (written procedures); and
- Allowable Costs (written procedures);

I. **Actual Expenditures** means the allowable costs occurring during each month's billing cycle;

J. **Matching Contributions** mean local cash and/or in-kind contributions by the Contractor, subcontractor, or other local resources that qualify as match for the contract funding. Matching contributions are:

- Cash and/or in-kind contributions may count as match, if such contributions are used to meet program requirements;
- Any matching contributions (cash or in-kind) must be verifiable from the records of the Contractor or subcontractor; and
- Matching contributions must be used for allowable costs in accordance with the Office of Management and Budget (OMB) cost principles.

1. The required minimum program matching contributions for Title III B, III C, and III D is 10.53 percent.
2. The required minimum program matching contributions for Title III E is 25 percent.
3. Minimum matching requirements are calculated on net costs, which are total costs less program income, non-matching contributions, and State funds.
4. Program matching contributions for Title III B, III C, and III D can be pooled to meet the minimum requirement of 10.53.
5. Matching contributions generated in excess of the minimum required are considered overmatch.
6. Program overmatch from Title III B, III C, or III D cannot be used to meet the program match requirement for III E.

K. **In-kind Contributions** mean the value of non-cash contributions donated to support the project or program (e.g. property, service, etc.);

Program Income

1. Must be reported and expended under the same terms and conditions as the program funds from which it is generated.
 2. Must be used to pay for current allowable costs of the program in the same fiscal year that the income was earned.
 3. For Title III B, III C, III D, III E, VII Ombudsman, and VII Elder Abuse Prevention programs, Program Income must be spent before contract funds (except as noted in 4) and may reduce the total amount of contract funds payable to the Contractor.
 4. For Title III B, III C, III D, III E, VII Ombudsman, and VII Elder Abuse Prevention programs, if Program Income is earned in excess of the amount reported in the Area Plan Budget (CDA 122), the excess amount may be deferred for use in the first quarter of the following contract period, which is the last quarter of the federal fiscal year.
 5. If Program Income is deferred for use it must be used by the last day of the federal fiscal year, and reported when used.
 6. Program Income may not be used to meeting the matching requirements of this Agreement.
 7. Must be used to expand baseline services.
- N. **Indirect Costs** means costs incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to the cost objective specifically benefited, without effort disproportionate to the results achieved.
1. The maximum reimbursement amount allowable for indirect costs is ten percent (10%) of the Contractor's direct costs, excluding in-kind contributions and nonexpendable equipment. Indirect costs exceeding the ten percent (10%) maximum may be budgeted as in-kind and used to meet the minimum matching requirements.

2. Contractors requesting reimbursement for indirect costs shall retain on file an approved indirect cost rate or an allocation plan documenting the methodology used to determine the indirect costs.
 3. For major Institutes of Higher Education and major nonprofit organizations, indirect costs must be classified within two broad categories: "Facilities" and "Administration." "Facilities" is defined as depreciation on buildings, equipment and capital improvement, interest on debt associated with certain buildings, equipment and capital improvements, and operations and maintenance expenses. "Administration" is defined as general administration and general expenses such as the director's office, accounting, personnel and all other types of expenditures not listed specifically under one of the subcategories of "Facilities" (including cross allocations from other pools, where applicable). [2 CFR 200.414]
- O. A mid-year review, scheduled for January 2016, will require a reconciliation of year-to-date outcomes. Based on these outcomes, a budget revision may be required.
- P. Submit client intake forms as appropriate, monthly program reports, and invoices by the tenth (10th) of each month. Upon notification from AAS, the Contractor must correct inaccurate invoices and corresponding reports in order to receive reimbursement. Invoices must reflect the provision of services and the usage of funds each month throughout the entire contract period. Corrections must be made within five (5) working days. Invoices submitted more than two months past the month of service may not be reimbursed. Invoice(s) for June 2016 will be due by July 7, 2016, to facilitate timely payment.
- Q. Offer services throughout the twelve-month contract period, unless prior written approval is received from AAS.
- R. Invoices must reflect the provision of services and the usage of funds each month throughout the entire contract period.

Last Revised: 1/28/2011

Instructions: Each section represents a separate tab delimited flat file (five total). Respond to each data element in order. Most fields have defined values to ensure consistency (please see the worksheet labeled "Lookup Tables" for these values). No blank values should be submitted, unless explicitly allowed per these specifications. To reduce file errors and rejections, we request that AAAs not include any labels in the data file (i.e. headers such as "Participant ID", "Birth Date", "First Enrollment Date", etc.). Submitted client identifiers will be stored in an encrypted database and will not be accessible by any CDA staff.

Cumulative Submission Rule: AAAs should submit cumulative data with each submission as follows:

The first submission will contain Q1 data.

The second submission will contain Q1 and Q2 data.

The third submission will contain Q1, Q2, and Q3 data.

The fourth (and final) submission will contain Q1, Q2, Q3, and Q4 data (i.e. data for the entire fiscal year).

Note: This cumulative submission process will allow you to correct previously submitted data without adjusting old files. For example, if you realize that your first submission omitted 10 home delivered meals, simply include these counts in your second submission. The CARS system will automatically adjust Q1 numbers accordingly.

Ten Day Approval Rule: Once an Area Agency on Aging receives notification that their submission has "passed," they will have 10 working days to review and approve a summary of their data in the CARS system. If a AAA does not approve their submission within 10 working days, CDA will have the option to view these data. **Note:** If you realize that you uploaded incomplete and/or incorrect data that does not match the information in your local software, please make any necessary corrections to your files and resubmit them within 10 working days from the original submission. If you know that the data uploaded do not reflect actual service and/or client counts (for example, due to a contracted provider not collecting one or more required data elements) but does accurately reflect all available information, "approve" your data as usual but note this discrepancy in the "comments" box.

CARS (CA-GetCare) File Specifications

ATTACHMENT F

Last Revised: 1/28/2011

Instructions: Each section represents a separate tab delimited flat file (five total). Respond to each data element in order. Most fields have defined values to ensure consistency (please see the worksheet labeled "Lookup Tables" for these values). No blank values should be submitted, unless explicitly allowed per these specifications. To reduce file errors and rejections, we request that AAAs not include any labels in the data file (i.e. headers such as "Participant ID", "Birth Date", "First Enrollment Date", etc.). Submitted client identifiers will be stored in an encrypted database and will not be accessible by any CDA staff.

Cumulative Submission Rule: AAAs should submit cumulative data with each submission as follows:

The first submission will contain Q1 data.

The second submission will contain Q1 and Q2 data.

The third submission will contain Q1, Q2, and Q3 data.

The fourth (and final) submission will contain Q1, Q2, Q3, and Q4 data (i.e. data for the entire fiscal year).

Note: This cumulative submission process will allow you to correct previously submitted data without adjusting old files. For example, if you realize that your first submission omitted 10 home delivered meals, simply include these counts in your second submission. The CARS system will automatically adjust Q1 numbers accordingly.

Ten Day Approval Rule: Once an Area Agency on Aging receives notification that their submission has "passed," they will have 10 working days to review and approve a summary of their data in the CARS system. If a AAA does not approve their submission within 10 working days, CDA will have the option to view these data. **Note:** If you realize that you uploaded incomplete and/or incorrect data that does not match the information in your local software, please make any necessary corrections to your files and resubmit them within 10 working days from the original submission. If you know that the data uploaded do not reflect actual service and/or client counts (for example, due to a contracted provider not collecting one or more required data elements) but does accurately reflect all available information, "approve" your data as usual but note this discrepancy in the "comments" box.
