Real Property Division, County Manager's Office
555 County Center, 4th Floor
Redwood City, CA 94063

and Pacific Gas and Electric Company ("Permittee") whose address is:

6111 Bollinger Canyon Road, #3420-E
San Ramon, CA 94583

Both Parties agree as follows:

3) TERMS, COVENANTS AND CONDITIONS

This Permit is subject to the terms, covenants and conditions herein set forth. Each party covenants, as a material part of the consideration for this Permit, to keep and perform each and all of said terms, covenants and conditions that are to be performed, and that this Permit is made upon the condition of said performance.

4) PREMISES

Permitter is the owner of that certain parcel of real property commonly known as the Tower Road Complex, San Mateo, California (the "Property"), and more particularly described in Exhibit A (Property Map/Site Plan of Premises).

Permittee is hereby granted permission to use and occupy a portion the Property, consisting of unimproved land (the "Premises"), more particularly shown in Exhibit A, together with the non-exclusive right of access over and through such portions of the Property as are necessary for Permittee's Use of the Premises.

5) TERM

The term of this Permit shall commence on September 22, 2015 and shall expire on March 31, 2016.

6) MONTHLY RENTAL

a) Base Permit Fee

Permittee agrees to pay to Permitter, without prior notice or demand, for the use of the Premises the sum of \$19,684 ("Base Permit Fee") on or before the first day of the first full calendar month of the term hereof, and a like sum on or before the first day of each and every successive calendar month thereafter.

The Base Permit Fee and any other amounts due hereunder are sometimes collectively referred to herein as "Fees".

b) **Concession Fee**

Not Used.

c) **Utility Charge**

Not used.

d) **Processing Fee**

None

e) **Payment of Fees**

Fees for any period during the term hereof which is for less than one (1) month shall be a prorated portion of the monthly installment herein on a per diem basis, based upon a thirty (30) day month. Said fees shall be paid to Permittor at:

County of San Mateo
Public Works/FMO
Attn: Accounts Receivable (Ref #5372)
555 County Center, 5th Floor
Redwood City, CA 94063

or to such other person or at such other place as Permittor may from time to time designate in writing.

Permittor shall not be required to invoice Permittee for payment of fees due hereunder. Permittee shall be responsible for payment of all fees due without prior notice or demand. Any amount due which is not paid shall be subject to late fees as set forth in Section 6f (Interest on Late Payment) and Section 11 (Late Charges and Returned Check Charge).

f) **Interest on Late Payment**

Any fees, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law (the "Interest Rate"). However, interest shall not be payable on late charges incurred by Permittee as set forth in Section 11 (Late Charges And Returned Check Charge) hereof, nor on any amounts on which late charges are paid by Permittee to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Permittee.

7) EXTENSION OPTION

Permittee shall have the right to extend the Initial Term of this Permit (the "Extension Option") for one additional term of six (6) months (the "Extended Term"). Permittee may exercise the Extension Option, if at all, by giving written notice to Permitter no later than thirty (30) days prior to expiration of the term to be extended; provided, however, if Permittee is in material default hereunder on the date of giving such notice and fails to cure such default as provided herein, Permitter may reject such exercise by delivering written notice thereof to Permittee promptly after such failure to cure.

Such Extension Option shall be subject to all other terms and conditions contained in this Permit, except that Permitter or Permittee shall have the option to terminate this Permit at anytime during the Extended Term, at will and with or without cause by giving written notice to the other party at least thirty (30) days in advance.

8) RENTAL ADJUSTMENTS

On the Adjustment Date, the Base Permit Fee for the following twelve-month period shall be adjusted to equal one hundred and three percent (103%) of the Base Permit Fee for the year preceding such Adjustment Date.

9) GROSS REVENUES

Not Used

10) ACCOUNTS AND RECORDS

Not Used

11) LATE CHARGES AND RETURNED CHECK CHARGE

Permittee hereby acknowledges that late payment by Permittee to Permitter of rent or other sums due hereunder will cause Permitter to incur costs not contemplated by this Permit, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, administrative processing of delinquent notices and accounting charges. Accordingly, if any installment of rent or of a sum due from Permittee is not received by Permitter within ten (10) days after said amount is due, that payment shall be delinquent and Permittee shall pay to Permitter, in addition to interest as set forth in Section 6 hereof, a late charge equal to six percent (6%) of the total balance due at that time or Fifty Dollars (\$50.00), whichever is greater. A late charge shall be applied for each month rent is delinquent. The parties hereby agree that such late charges represent a fair and reasonable estimate of the cost that Permitter will incur by reason of the late payment by Permittee. Acceptance of late charges by Permitter shall in no event constitute a waiver of Permittee's default with respect to such overdue amount, nor prevent Permitter from exercising any of the other rights and remedies granted hereunder.

Permittee agrees to pay Permittor a special handling charge of Fifty Dollars (\$50.00) for any check dishonored by the bank for any reason. This charge shall be added to and become part of Permittee's obligations hereunder, and shall be in addition to any charge for late payment provided for herein. Permittee agrees to pay Permittor immediately upon request any and all charges for dishonored checks.

12) USE

Permittee shall use the Premises exclusively for use as a storage, staging and parking area for activities associated with the Line 109 Pipeline Replacement Project (the "Project"). Permittee shall not use or permit the Premises to be used for any other purpose without the prior written consent of County.

Permittee shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which will in any way increase the existing rate of or affect any fire or other insurance upon the Premises or any of its contents, or cause cancellation of any insurance policy covering the Premises or any part thereof or any of its contents. Permittee shall not use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose, nor shall Permittee cause, maintain or permit any nuisance in, on or about the Premises. Permittee shall not commit or suffer to be committed any waste in or upon the Premises.

Permittor shall have the right, throughout the Term, to review Permittee's operations and require reasonable modifications as necessary to meet the requirements of this section.

b) Safety

Safety shall be paramount at all times. Permittee shall ensure that its operations and activities, and those of its agents and employees, comply with local, state and federal requirements and are in accordance with safe and acceptable practices and procedures. c) Premises Condition

PERMITTEE ACKNOWLEDGES AND AGREES THAT THE PREMISES ARE ACCEPTED IN THEIR "AS IS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. PERMITTEE REPRESENTS AND WARRANTS TO PERMITTOR THAT PERMITTEE HAS INVESTIGATED AND INSPECTED, EITHER

INDEPENDENTLY OR THROUGH AGENTS OF PERMITTEE'S OWN CHOOSING, THE CONDITION OF THE PREMISES AND THE SUITABILITY OF THE PREMISES FOR PERMITTEE'S INTENDED USE. PERMITTEE HAS DETERMINED, BASED SOLELY ON ITS OWN INVESTIGATION, THAT THE PREMISES ARE SUITABLE FOR PERMITTEE'S BUSINESS AND INTENDED USE. PERMITTEE ACKNOWLEDGES AND AGREES THAT NEITHER PERMITTOR NOR ANY OF ITS AGENTS HAVE MADE, AND PERMITTOR HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE PROPERTY, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR PERMITTEE'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

13) PERMITTEE IMPROVEMENTS

Permittee may scrape and dispose of vegetation (other than trees) and debris within the Premises as necessary during the Term to provide an adequate and safe area for Permitted Uses authorized in this Permit. Permittee shall install and maintain temporary fencing sufficient to prohibit access onto the Premises during the Term. Permittee may grade and install base rock as necessary to accommodate its use of the Premises.

Permittee shall install temporary fencing and take other measures necessary to protect and preserve all trees within the Premises. All fencing shall be of a style and quality approved by Permittor in writing, prior to installation, which approval shall not be unreasonably withheld. Fencing or barriers installed without the prior written approval of the Permittor shall be subject to removal at Permittee's sole cost. All fencing and barriers shall be removed from the Premises upon the expiration of the Term.

Permittee shall also be liable for any special assessments levied against the property due to Permittee's use of the Premises. Permittee reserves the right to challenge any tax and special assessments.

Permittee shall pay, or cause to be paid, before delinquency, any and all taxes and assessments levied against Permittee's personal property in the Premises.

18) POSSESSORY INTEREST TAX

Permittee recognizes and understands in executing this Permit that its interest in the Premises created herein may be subject to a "possessory interest tax" that the County Assessor may impose on such interest, and any such tax would be the liability of and be paid solely by Permittee in addition to Rent and other charges due hereunder. Permittee agrees to pay promptly when due, any possessory interest tax imposed on its interest in the Premises.

19) MAINTENANCE AND REPAIRS

20) EARLY TERMINATION

21) DAMAGE OR DESTRUCTION

If then existing laws do not permit restoration, either party may terminate this Permit immediately by giving notice to the other party.

In case of damage there shall be an abatement or reduction of rent, between the date of the damage and the date of completion of restoration, based on the extent to which the damage interferes with Permittee's use of the Premises. To the extent any damage to said improvements is due to the fault or neglect of Permittee, its agents, contractors, employees or invitees, there shall not be an abatement or reduction of rent to such extent. Additionally, permittee shall be responsible for the cost of any required restoration or repairs of damages caused by the fault or neglect of Permittee, its agents, contractors, employees or invitees.

e) Waiver of Subrogation

Notwithstanding anything to the contrary contained herein, Permitter, in the event the Permitter does not self-insure, and Permittee (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Property or the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent (i) such loss or damage is actually recovered from valid and collectible insurance covering the Waiving Party, and (ii) the Waiving Party's insurance carrier agrees to its written waiver of right to recover such loss or damage.

30) HAZARDOUS MATERIALS ACTIVITY

Permittee may not store, handle or generate hazardous materials/waste/underground tanks on the property unless Permittee has completed and filed a San Mateo County Hazardous Materials Release Response Plan and Inventory ("Business Plan") with the San Mateo County Environmental Health Department.

Hazardous material means any material that, because of its quantity, concentration, or physical or chemical characteristics, poses a significant present or potential hazard to human health and safety or to the environment if released into the work place or the environment. Hazardous materials include, but are not limited to, hazardous substances, hazardous waste, and any material which a handler or the administering agency has a reasonable basis for believing that it would be injurious to the health and safety of persons or harmful to the environment if released into the work place or the environment. Examples of such hazardous materials are, but are not limited to: waste oil, solvents, gasoline and compressed gases.

If Permittee does store, handle or generate hazardous materials/waste, or operate an underground storage tank, Permittee must do so in compliance with all state and federal regulations regarding hazardous materials, including but not limited to, California Health and Safety Code, Chapters 6.5, Sections 25100-25249, California Code of Regulations Title 26 and Code of Federal Regulations Section 40 Parts 240-281. Permittee shall be in default hereunder in the event of Permittee's failure to (1) file the Business Plan, (2) follow the Business Plan, and (3) comply with applicable State and Federal statutes regarding the handling of hazardous materials/waste/underground tanks. In addition, Permittor may exercise any rights applicable under State and Federal law, in regards to requiring Permittee to be responsible for disposal or removal of the hazardous materials/waste/underground tanks in a safe manner.

Subject to Section 21 herein, Permittor shall have the right to inspect the Premises to ensure Permittee's compliance, and charge inspection fees, in accordance with applicable State and Federal statutes.

If Permittee does not intend to and will not store, handle hazardous materials/underground tanks or general hazardous waste, then Permittee must complete and file a "Hazardous Materials Negative Response Form" to that effect with the San Mateo County Environmental Health Department. If, at any time during the term of this Agreement, Permittee commences activity that would involve the handling, storage or generation of hazardous materials/waste/underground tanks, Permittee must follow the directives set forth above.

If Permittee holds over after the expiration or earlier termination of the term hereof without the express written consent of Permittor, Permittee shall become a permittee at sufferance only, at the monthly rental rate of one hundred fifty percent (150%) of the

Acceptance by Permittor of monthly payments after such expiration or earlier termination shall not constitute a holdover hereunder or result in a renewal. The foregoing provisions of this paragraph are in addition to and do not affect Permittor's right of re-entry or any other rights of Permittor hereunder or as otherwise provided by law.

32) ASSIGNMENT AND SUBLETTING

Permittee shall not, either voluntarily or by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Permit or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person (the employees, agents, servants and invitees of Permittee excepted) to occupy or use the Premises, or any portion thereof, without the written consent of Permittor first had and obtained, which consent shall not be unreasonably withheld, and a consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Any such assignment or subletting without such consent shall be voidable, and shall, at the option of Permittor, constitute a default under this Permit.

If Permittee is a corporation, any dissolution, merger, consolidation, or other reorganization of Permittee, or the sale or other transfer of a controlling percentage of the capital stock of Permittee, or the sale of at least 51 percent of the value of the assets of Permittee, shall be deemed a voluntary assignment. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing at least 10% of the total combined voting power of all classes of Permittee's capital stock issued, outstanding, and entitled to vote for the election of directors. This paragraph shall not apply to corporations the stock of which is traded through an exchange or over the counter.
