Should actual revenues be less than the amounts anticipated for any period of this Agreement, the maximum payment obligation and/or payment obligations for specific services may be reduced at the discretion of the Chief of the Health System or designee.
- N. In the event Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County or the State of California or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or, at its option, County may offset the amount disallowed from any payment due or become due to Contractor under this Agreement or any other agreement.
- O. Contractor shall provide all pertinent documentation required for Medi-Cal, Medicare, and any other federal and state regulation applicable to

reimbursement including assessment and service plans, and progress notes. The County may withhold payment for any and all services for which the required documentation is not provided, or if the documentation provided does not meet professional standards as determined by the Quality Improvement Manager of San Mateo County BHRS.

P. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. This Agreement may be renegotiated, allowed to continue to end of term, or terminated pursuant to Paragraph 5 of this Agreement. Any unspent monies due to performance failure may reduce the following year's agreement, if any.

Q. Cost Report/Unspent Funds

1. Contractor shall submit to County a year-end cost report no later than August 15th after the end of the fiscal year. Contractor shall submit to County a year-end single audit report no later than November 15th after the end of the fiscal year. Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report shall be submitted along with the Cost Report.
2. If the annual Cost Report provided to County shows that total payment to Contractor exceeds the total actual costs for all of the services rendered by Contractor to eligible patients during the reporting period, a single payment in the amount of the contract savings shall be made to County by Contractor, unless otherwise authorized by the BHRS Director or designee. By mutual agreement of County and Contractor, contract savings or "unspent funds" may be retained by Contractor and expended the following year, provided that these funds are expended for SUD services approved by County and are retained in accordance with Paragraph V of this Exhibit B.

R. Election of Third Party Billing Process

Contractor shall select an option for participating in serial billing of third-party payors for services provided through this Agreement through the completion of Attachment C – Election of Third Party Billing Process. The completed Attachment C shall be returned to the County with the signed

Agreement. Based upon the option selected by the Contractor the appropriate following language shall be in effect for this Agreement.

1. Option One

- a. Contractor shall bill all eligible third-party payors financially responsible for a beneficiary's health care services that Contractor provides through this Agreement. Within ten (10) days of the end of each month, Contractor shall provide to County copies of the Explanation of Benefits or other remittance advice for every third-party payment and/or denial of such third-party payments for services provided by Contractor during such month. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third-party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement, through the Cost Report reconciliation.
- b. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

2. Option Two

- a. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third party payor, and to the

extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.

- b. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

S. Beneficiary Billing

Contractor shall not submit a claim to, demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this contract except to collect other health insurance coverage, share of cost and co-payments. The Contractor shall not hold beneficiaries liable for debts in the event that the County becomes insolvent, for costs of covered services for which the State does not pay the County, for costs of covered services for which the State or the County does not pay the Contractor, for costs of covered services provided under this or other contracts, referral or other arrangement rather than from the County, or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary with an emergency psychiatric condition.

T. Claims Certification and Program Integrity

1. Contractor shall comply with all state and federal statutory and regulatory requirements for certification of claims, including Title 42, Code of Federal Regulations (CFR) Part 438, Sections 438.604, 438.606, and, as effective August 13, 2003, Section 438.608, as published in the June 14, 2002 Federal Register (Vol. 67, No. 115, Page 41112), which are hereby incorporated by reference.
2. Anytime Contractor submits a claim to the County for reimbursement for services provided under Exhibit A of this Agreement, Contractor shall certify by signature that the claim is

true and accurate by stating the claim is submitted under the penalty of perjury under the laws of the State of California.

The claim must include the following language and signature line at the bottom of the form(s) and/or cover letter used to report the claim.

“Under the penalty of perjury under the laws of the State of California, I hereby certify that this claim for services complies with all terms and conditions referenced in the Agreement with San Mateo County.

Attachment C
Election of Third Party Billing Process

Effective July 1, 2005, San Mateo County Behavioral Health and Recovery Services (SMCBHRS) will be required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide SMCBHRS with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCBHRS for the remainder.

We El Centro de Libertad elect option one.

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (SMCBHRS) so that SMCBHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the SMCBHRS Billing Office with the completed "assignment" that indicates the client's permission for SMCBHRS to bill their insurance.

We El Centro de Libertad elect option two.
