Such fee shall be payable annually and shall cover a period of one year from the date of payment, unless otherwise specified by the County Health Officer.

(b) Closing or Termination of Business. The County Health Officer may, in the case of closing or termination of a business, refund not to exceed 50% of the fee when the activity was in business for less than six (6) months of the billing year.

(c) Seasonal Businesses. A seasonal activity which is in business for six (6) months or less shall be obligated to pay 50% of the fee.

(d) Reinspection Fee. A reinspection is any activity which occurs after a second inspection of a facility, where initial violations are not corrected and the third inspection is required to correct violations. In these cases, a reinspection fee shall be charged for the inspection as well as subsequent reinspection activities as required to correct violations documented by the division.

(e) Exemptions from Fee. The following shall be exempt from payment of annual fees imposed by this chapter.

- (iii) if the facility is a San Mateo County facility in the same budget unit as the Environmental Health Division.
- (4) The exemptions contained in sub-sections (e)(1), (e)(2) and (e)(3) do not apply to fees associated with permit application fees, plan check fees or reinspection fees.
- (f) Returned Checks. A service charge of \$25.00 will be added to and become part of any underlying obligation for any returned check.
- (g) Any person may appeal the amount of the fee, in writing, to the Director of Environmental Health who shall determine the correctness of the amount of the fee assessed.
