RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, on September 9, 2010, a gas line exploded in the City of San Bruno, located within the County of San Mateo, causing multiple deaths, injuries and damage to real and personal property; and

WHEREAS, the Governor declared a State of Emergency on September 9, 2010 and the Emergency Services Act also requires local jurisdictions to adopt a proclamation in order to be eligible for California Disaster Assistance Act (CDAA) funds; and

WHEREAS, for the reasons set forth above, on September 10, 2010, the County Manager, acting as the Director of Emergency Services for the County of San Mateo, declared the existence or threatened existence of a "local emergency" pursuant to San Mateo County Ordinance Code section 2.46.060; and

WHEREAS, on September 14, 2010, pursuant to Section 8630 of the Government Code, the Board of Supervisors ratified the proclamation; and

WHEREAS, certain agreements which normally would be executed by the Board of Supervisors may need to be executed at a time when the Board of Supervisors is not in session and it is in the best interest of the County to authorize the County Manager as Director of Emergency Services to enter into such contracts subject to later ratification by the Board; and

WHEREAS, pursuant to Health and Safety Code Section 101080, on September 14, 2010, the County Health Officer proclaimed the existence of a local health emergency which was ratified by the Board of Supervisors on September 14, 2010 and is subject to reaffirmation every 14 days thereafter until such local health emergency is terminated; and
