**RESOLVED**, by the Board of Supervisors of the County of San Mateo, State of California, that

**WHEREAS**, on May 7, 2013, your Board approved an agreement with Sentry Data Systems, Inc. (Sentry) to assist the San Mateo Medical Center (SMMC) pharmacy in complying with the Federal regulations for 340B prescriptions dispensed by the hospital; and

**WHEREAS**, SMMC is requesting your Board approve an extension of the agreement through October 31, 2019, with an associated funding increase for the same level of service. The extension terminates the use of vendor's Sentinel RCM module (DRA Tool) along with its associated cost and will allow SMMC time to schedule an Information Technology review, complete a Request for Proposals, and get a new agreement in place prior to termination of this agreement; and

**WHEREAS**, both parties wish to amend the agreement to extend the term through October 31, 2019 and increase the amount by \$400,000 in an amount not to exceed \$2,460,000; and

**WHEREAS**, this Board has been presented with a form of such amendment, has examined and approved it as both form and content, and desires to enter into it.

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED** that the Board of Supervisors be and is hereby authorized and directed to execute said agreement for and on behalf of the County of San Mateo, and the Clerk of the Board shall attest the President's signature thereto.
