RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, this Board approved the execution of an Agreement (#14610-15-R073664) ("Agreement") with PCMG, Inc. ("PCMG") on February 24, 2015 (Resolution No. 073664) to provide managed hosting services for the County's property tax system and three subsequent Amendments dated November 5, 2015 (Amendment I), September 1, 2017 (Amendment II), and June 19, 2018 (Amendment III) modifying certain services provided by PCMG and extending the contract term; and

WHEREAS, in connection with the Tax Collector's migration to a new property tax system, it is necessary to develop a second instance of the Controller's current property tax system to develop, test, and implement the interface required between the two systems; and

WHEREAS, two of the servers provided by PCMG are currently at a high utilization level, resulting in queuing delays and putting the system at risk of latency issues; and

WHEREAS, the additional instance of the existing property tax system will put further strain on the hosted servers, and require an increase to the processing power and storage on the existing servers; and

WHEREAS, due to these circumstances, some of the hosted servers require an increase to the processing power, memory, and storage; and

WHEREAS, there has been presented to this Board for its consideration an Amendment IV to the Agreement with PCMG increasing certain specifications on two of the servers and increasing the total amount by \$183,717.72, for a total amount not-to-exceed amount of \$1,286,202.04.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the President of the Board of Supervisors is hereby authorized to execute Amendment IV to the Agreement for and on behalf of the County of San Mateo, and the Clerk of the Board shall attest the signature thereto.
