Establish A Passenger Loading Zone During Specified Hours

Discussion:

The Department has evaluated the request and determined that the Passenger Loading Zone is beneficial to the adjacent neighborhood as well as the applicant.

KeyFacts:

- Chantilly Restaurant has had a historic issue with patrons parking in the adjacent neighborhood.
- Valet station will cycle cars through three commercial properties near the restaurant which will allow them to keep vehicles out of residential areas.
- 1 objection received, 6 supports received
- Sole objector expressed concerns that residents did not fully understand the parking plan proposed by Chantilly Restaurant and employees of El Camino Real businesses would park in the Selby neighborhood.
- El Camino Real is State Route 82, nearest postmile marker is SM2.613; CalTrans approval is required prior to installation of the passenger parking zone

Staff Recommendations:

Establish a passenger loading zone during specified hours as shown on the attached map.
