NOW, THEREFORE, PLAN and PROVIDER hereby agree as follows:

SECTION 1 A Payment is hereby amended to include the following:

A. Payment

Should PLAN receive any Medi-Cal managed care capitation rate increases from the California Department of Health Care Services (DHCS) where the non-federal share is funded through an Intergovernmental Transfer (IGT) by the County of San Mateo specifically pursuant to the provisions of

the Intergovernmental Agreement Regarding Transfer of Public Funds, #17-94757, effective for the period of July 1, 2017 through December 31, 2020, PLAN shall pay to PROVIDER for the increase in the total capitation rate increase received by the PLAN as a result of the IGT, including the related Federal Financial Participation, from the County of San Mateo for the period July 1, 2017 through June 30, 2018 (“VOLUNTARY RATE RANGE PAYMENTS” or “VRR PAYMENTS”) in accordance with Section D below regarding the form and timing of payments.

B. Health Plan Retention

PLAN will not retain any other portion of the VRR PAYMENTS received from the DHCS.

C. Schedule and Notice of Transfer of Non-Federal Funds

PLAN shall send a notice to PROVIDER when PLAN receives any Medi-Cal managed care capitation rate increases from the DHCS where the non-federal share is funded by the County of San Mateo. Notices shall be sent to PROVIDER's Chief Financial Officer, Gina Wilson, via email at gwilson@smcgov.org or via mail at San Mateo County Health System, 225 37th Avenue, San Mateo, CA 94403.

D. Form and Timing of VRR Payments

PLAN agrees to pay VRR PAYMENT to PROVIDER in the following form and according to the following schedule:

(1) PLAN agrees to pay the VRR PAYMENT to PROVIDER using the same mechanism through which compensation and payments are normally paid to PROVIDER (e.g., electronic transfer).

(2) PLAN will pay the VRR PAYMENT to PROVIDER no later than thirty (30) calendar days after receipt of the Payment from the DHCS.

(3) Should disputes or disagreements arise regarding the ultimate computation or appropriateness of any aspect of the VRR PAYMENTS, PROVIDER and PLAN agree to work together in all respects to support and preserve the VRR PAYMENTS to the full extent possible on behalf of the safety net in SAN MATEO COUNTY.

E. Consideration

(1) As consideration for the VRR PAYMENT, PROVIDER shall use the VRR PAYMENT for the following purposes and shall treat the VRR PAYMENTS in the following manner:

(a) The payments shall represent compensation for Medi-Cal services rendered to Medi-Cal PLAN members by PROVIDER during the State fiscal year to which the payments apply.

(b) To the extent that total payments received by PROVIDER for any State fiscal year under this Amendment exceed the cost of Medi-Cal services provided to Medi-Cal beneficiaries by PROVIDER during that fiscal year, any remaining Payment amounts shall be retained by PROVIDER to be expended for health care services. Retained payment amounts may be used by the PROVIDER in either the State fiscal year for which the payments are received or subsequent State fiscal years.

(2) For purposes of subsection (1) (b) above, if the retained payments, if any, are not used by PROVIDER in the State fiscal year received, retention of funds by PROVIDER will be established by demonstrating that the retained earnings account of PROVIDER at the end of any State fiscal year in which it received payments based on payment funded pursuant to the Intergovernmental Agreement, has increased over the unspent portion of the prior State fiscal year's balance by the amount of payments received, but not used. These retained PROVIDER funds may be commingled with other SAN MATEO COUNTY funds for cash management purposes provided that such funds are appropriately tracked and only the depositing facility is authorized to expend them.

(3) Both parties agree that none of these funds, either from the SAN MATEO COUNTY or federal matching funds will be recycled back to the SAN MATEO COUNTY general fund, the State, or any other intermediary organization. Payments made by the health plan to providers under the terms of this Agreement or Amendment constitute patient care revenues.

F. Term

The term of this Amendment shall commence on January 1, 2015 and shall terminate on December 31, 2020.

All other terms and provisions of said Agreement and Amendments No. 1 through 4, shall remain in full force and effect so that all rights, duties and obligations, and liabilities of the parties hereto otherwise remain unchanged; provided, however, if there is any conflict between the terms of this Amendment and the Agreement, then the terms of this Amendment shall govern.
