RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, the Airport Enterprise Fund is financed primarily through facility use fees collected for the use of the San Carlos and Half Moon Bay Airport facilities and are set at fair market value as a condition of accepting Federal Aviation Administration grant monies; and

WHEREAS, the Department of Public Works (Department) recommends adopting the proposed Airport Fee Schedule for the use of various facilities at the San Carlos and Half Moon Bay Airports, to be effective July 1, 2018 (“Airport Fee Schedule”); and

WHEREAS, the recommended three percent (3%) increase to some fees for FY 2019-20 reflects the average Consumer Price Index for the San Francisco Bay Area for

All Urban Consumers over the last few years and is consistent with the inflationary rate applied to new Airport facility lease agreements; and

WHEREAS, the proposed rate increases are at fair market value and consistent with other general aviation airports, as required by the Federal Aviation Administration to receive grant funding; and

WHEREAS, this Board has considered and concurs with the recommendations of the Director of Public Works.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the Board of Supervisors authorize:

1. The adoption of the Airport Fee Schedule for the use of facilities at the San Carlos and Half Moon Bay Airports (Airports) effective, July 1, 2018.
