- e. It is anticipated that DHCS will make payment to the County of any outstanding claims approximately eighteen (18) months following the close of the fiscal year. At that time there may be reconciliation with DHCS of outstanding County claims that may result in disallowed units or costs previously submitted for payment. Notices for any settlement under this provision will be sent by County to Contractor within sixty (60) days of receipt from DCHS of the total reconciliation of units of service. 5. In the event that funds provided under this Agreement are expended prior to the end of the contract period, Contractor shall provide ongoing services under the terms of this Agreement through the end of the contract period without further payment from County.
6. In the event this Agreement is terminated prior to June 30, 2019, Contractor shall be paid on a prorated basis for only that portion of the contract term during which Contractor provided services pursuant to this Agreement. Such billing shall be subject to the approval of the Chief of the Health System or designee.
7. Disallowances that are attributable to an error or omission on the part of County shall be the responsibility of County. This shall include but not be limited to quality assurance (QA) audit disallowances as a result of QA Plan error or format problems with County-designed service documents.

Claims that are received after the tenth (10th) working day of the month are considered to be late submissions and may be subject to a delay in payment. Claims that are received one hundred eighty (180) days or more after the date of service are considered to be late claims. County reserves the right to deny invoices with late claims or claims for which completed service reporting forms or electronic service files are not received. Claims and reports are to be sent to:

County of San Mateo
Behavioral Health and Recovery Services
BHRS Program Analyst

11. County anticipates revenues from various sources to be used to fund services provided by Contractor through this Agreement. Should actual revenues be less than the amounts anticipated for any period of this Agreement, the maximum payment obligation and/or payment obligations for specific services may be reduced at the discretion of the Chief of the Health System or designee.
12. Adjustments may be made to the total of the Agreement and amounts may be withheld from payments otherwise due to the Contractor for nonperformance to the extent that nonperformance involves fraud, abuse, or failure to achieve the objectives of the provisions of Exhibit A.
13. In the event Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County or the State of California or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or, at its option, County may offset the amount disallowed from any payment due or become due to Contractor under this Agreement or any other agreement.
14. Contractor shall provide all pertinent documentation required for Medi-Cal, Medicare, and any other federal and state regulation applicable to reimbursement including assessment and service

plans, and progress notes. The County may withhold payment for any and all services for which the required documentation is not provided, or if the documentation provided does not meet professional standards as determined by the San Mateo County BHRS Quality Improvement Manager.

Contractor shall maintain for review and audit and supply to County and/or DHCS upon request, adequate documentation of all expenses claimed pursuant to this Intergovernmental Agreement to permit a determination of expense allowability.

If the allowability or appropriateness of an expense cannot be determined by County or DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles and generally accepted governmental audit standards, all questionable costs may be disallowed by County or DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may be made for the amount substantiated and deemed allowable. Invoices, received from a Contractor and accepted and/or submitted for payment by County, shall not be deemed evidence of allowable Intergovernmental Agreement costs.

It is understood and agreed that failure by the County or Contractor to comply with applicable federal and state requirements in rendering covered services shall be sufficient cause for the State to deny payments to and/or recover payments from the County and/or terminate the Contractor from DMC program participation. If the State or the Department of Health Care Services (DHCS) disallows or denies payments for any claim, County shall repay to the State the federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in Title 22, CCR, Sections 51047(a) and (b).

Before such denial, recoupment, or disallowances are made, State shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and shall allow the Contractor sixty (60) days to submit additional information before the proposed action is taken, as required in Title 22, CCR, Section 51047(a).

Contractor shall provide all pertinent documentation required for Medi-Cal, Medicare, and any other federal and state regulation applicable to reimbursement including assessment and service plans, and progress notes. The County may withhold payment for any and all services for which the required documentation is not provided, or if the documentation provided does not meet professional standards as determined by the BHRS Quality Improvement Manager. Contractor shall meet quarterly with County

contract monitor, as designated by the BHRS Deputy Director, Adult and Older Adults, to review documentation and billing reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies.

17. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. Any unspent monies due to performance failure may reduce the following year's agreement, if any.

18. Election of Third Party Billing Process

Contractor shall select an option for participating in serial billing of third-party payors for services provided through this Agreement through the completion of Attachment C – Election of Third Party Billing Process. The completed Attachment C shall be returned to the County with the signed Agreement. Based upon the option selected by the Contractor the appropriate following language shall be in effect for this Agreement.

a. Option One

- i. Contractor shall bill all eligible third-party payors financially responsible for a beneficiary's health care services that Contractor provides through this Agreement. Within ten (10) days of the end of each month, Contractor shall provide to County copies of the Explanation of Benefits or other remittance advice for every third-party payment and/or denial of such third-party payments for services provided by Contractor during such month. recoup such reimbursement, through the Cost Report reconciliation.

- ii. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. a. Option Two

- i. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.
- ii. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

19. Beneficiary Billing

Contractor shall not submit a claim to, demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this contract except to collect other health insurance coverage, share of cost and co-payments. The Contractor shall not hold beneficiaries liable for debts in the event that the County becomes insolvent, for costs of covered services for which the State does not pay the County, for costs of covered services for which the State or the County does not pay the Contractor, for costs of covered services provided under this or other contracts, referral or other arrangement rather than from the County, or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary with an emergency psychiatric condition.

20. Claims Certification and Program Integrity

- a. Contractor shall comply with all state and federal statutory and regulatory requirements for certification of claims, including Title 42, Code of Federal Regulations (CFR) Part 438, Sections 438.604, 438.606, and, as effective August 13, 2003, Section 438.608, as published in the June 14, 2002 Federal Register (Vol. 67, No. 115, Page 41112), which are hereby incorporated by reference.
- b. If this Lease is not so terminated, then promptly after the condemnation. If this Lease is not so terminated, then promptly after the condemnation and receipt of Landlord's condemnation award, Landlord shall expend as much as may be necessary of Landlord's net condemnation award to restoring the Premises to an architectural unit as similar as practical to the original Premises. After receiving written notice of the existence, identity, and address of the holder(s) of deeds of trust or mortgages encumbering the Complex, Tenant shall give those holder(s) the same notice and opportunity to correct defaults as Tenant is required to give Landlord. Tenant shall not be liable for failure to give notice, but if Tenant fails to notify any holder of a default hereunder, the time within which that holder shall have the right to cure the default shall not commence to run until that holder is notified of the default by Tenant.

SECTION 12.4. Obligations of a Mortgagee. Tenant agrees that the execution of an assignment of this Lease by Landlord, and the acceptance thereof by the holder of a deed of trust or mortgage, shall never be deemed an assumption by that holder of any of the obligations of the Landlord (unless the holder shall expressly elect to assume those obligations), and the holder shall be treated as having assumed the Landlord's obligations only upon acquiring title to and taking possession of the Complex.

SECTION 12.5. Discharge of Mechanic's and Materialman's Liens. Tenant shall immediately (a) discharge of record by payment or filing of any necessary bond, or (b) contest, any mechanic's materialman's or other lien against the Premises and/or landlord's or Tenant's interest therein that arises out of any labor, services, materials, supplies, or equipment alleged to have been furnished to or for the Tenant. If Tenant contests a mechanic's or materialman's lien, Tenant shall (i) deposit with Landlord an amount equal to the claims made (including interest and collection costs) or (ii) deliver to Landlord a bond of a recognized surety authorized to write surety bonds in California assuring the payment and removal of such lien, naming Landlord as a co-obligee. Any judgment or other process issued in such a contest shall be paid and discharged before execution thereon.

SECTION 12.6. Short Form Lease. The parties agree not to record this Lease, but each agrees, on request of the other and at the expense of the requesting party, to execute a short form lease in recordable form complying with applicable California laws. That document shall never reflect the rental or other charges payable by Tenant and shall expressly state that it is not intended to vary the terms and conditions of this Lease.

SECTION 12.7. Holding Over. If Tenant remains in possession of the Premises after the expiration of the term without the execution of a new lease, Tenant may be deemed to be occupying the Premises as a tenant from month-to-month at the greater of the prevailing market rental for the Premises or twice the Minimum Rent subject to all the other provisions of this Lease insofar as they apply to a month to-month tenancy. No holding over or payment of rent during a holdover period shall extend the Term of this Lease.

SECTION 12.8. Ratings of Insurance Companies. All policies of insurance to be maintained by Tenant shall be issued by insurance companies qualified to do business in the State of California reasonably acceptable to Landlord, with general policy holders rating not less than "A" and a financial rating of "13" as rated in the most current 'available "Best's Insurance Reports."

SECTION 12.9. Landlord Not Liable for Interest. Landlord shall not be liable or accountable to Tenant for interest on any sum of money deposited by Tenant with Landlord under the terms of this Lease.

SECTION 12.10. Reimbursement for Legal Expenses. If Tenant hereafter requests anything of Landlord that requires preparation or review of documents by Landlord's counsel; and if Landlord accedes to such request, Tenant shall reimburse Landlord within ten (10) days after billing for any legal fees and expenses so incurred.

to take charge of all or any substantial part of Tenant's property by a court of competent jurisdiction.

(g) The entry of an order for relief for Tenant under any provisions of the United States Bankruptcy Code, or the filing by Tenant of a petition under any provisions of the United States Bankruptcy Code that contemplates a plan for a debtor to settle, satisfy, or extend the time for the payment of debts.

SECTION 14.2. Remedies of Landlord. Upon the occurrence of any event of default, Landlord lawfully may, immediately, or at any time thereafter, without further demand or notice, terminate this Lease, and take possession of the Premises with or without terminating this Lease, expel the Tenant and those claiming through or under Tenant, and remove its or their effects (forcibly, if necessary) without being deemed guilty of any manner of trespass, and without prejudice to any other remedies. Tenant agrees, notwithstanding any entry or reentry by Landlord, to pay and be liable for payment on the days originally fixed herein for the payment, all installments of rent and other charges reserved as they would, under the terms of this Lease, have become due if Landlord had not entered or reentered the Premises. If the Premises are relet by Landlord, Tenant shall be entitled to a credit in the amount of rent received by Landlord in reletting the Premises (including remodeling costs, brokerage fees, attorneys' fees, and the Like) and in collecting the rent in connection therewith. Landlord shall have the right, but not the obligation, in the event of default, and without terminating this Lease, to relet the Premises for Tenant's account, and notwithstanding such reletting, may at any subsequent time, terminate this Lease and recover its damages as provided below. At the election of Landlord, Tenant will upon termination of this Lease for its default, pay to Landlord as damages such a sum as at the time of termination represents the amount of the excess, if any, of the value of the total rent and other benefits that would have accrued to Landlord for the remainder of the Lease Term if the provisions of this Lease had been fully complied with by Tenant over and above the rental value of the Premises for the balance of the Lease Term.

SECTION 14.3. No Waiver. Failure on the part of Landlord to complain of any action or inaction on the part of Tenant, no matter how long the failure continues, shall never be a waiver by Landlord of any of his rights. Further, no waiver of one provision of this Lease by Landlord shall be a waiver of any other provision, and a waiver at one time of a provision shall not be a waiver at any subsequent time of that provision. The consent by Landlord to any action by Tenant requiring Landlord's consent shall not waive or render unnecessary Landlord's consent to any subsequent similar act.

SECTION 14.4. Security Interest. Tenant grants Landlord a lien and security interest under applicable provisions of the California Uniform Commercial Code on all property of tenant now or hereafter placed in the Premises to secure payment of all rent and other such payable by tenant and the performance of this Lease by Tenant, including but not limited to restoration of the premises to their original condition. Tenant shall execute whatever financing statements Landlord may reasonably request to perfect its security interest. Landlord shall be entitled to all of the rights afforded a secured party under said code, in addition to all liens provided by statute. Upon request Landlord shall sign a waiver for the purposes of third party financing if equipment is required for collateral. This waiver shall be of a form provided by Lender.

ARTICLE XV

Mortgages

SECTION 15.1. Lease Priority. Tenant agrees that the holder of any mortgage or deed of trust on the Complex shall wave the right to elect, by written notice to Tenant, to make this Lease superior to its mortgage or deed of trust or to make this Lease subordinate to its mortgage or deed of trust. Tenant

SECTION 16.6. Partial Invalidity. If any provision of this Lease is invalid or unenforceable, the remainder of this Lease shall not be affected, and every other provision shall be valid and enforceable to the fullest possible extent.

SECTION 16.7. Successors and Assigns. This Lease shall be binding upon and shall inure to the benefit of the heirs, executors, administrators, successors and assigns, respectively, of Landlord and Tenant. Each provision of this Lease to be performed by the Tenant shall be construed to be both a covenant and a condition. The reference above to successors and assigns of Tenant is not intended to constitute a consent to assignment by Tenant, but applies only to those instances in which Landlord may later give written consent to a particular assignment.

SECTION 16.8. When Lease Becomes Binding. Employees or agents of Landlord have no authority to make or agree to make a lease or any other agreement. The submission of this document for examination and negotiation does not constitute an offer to lease, or a reservation of, or option for, the Premises, and this document shall become effective and binding only upon execution and delivery by both Landlord and Tenant. All negotiations, considerations, representations, and understandings between Landlord and Tenant are incorporated herein and in the Work Letter Agreement, and may be modified or altered only by an agreement in writing between Landlord and Tenant, and no act or omission of any employee or agent of Landlord shall alter, change, or modify any of the provisions hereof.

SECTION 16.9. Other Lease and Tenants. Landlord reserves the absolute right to effect whatever other tenancies in building where the Complex is located it chooses. Tenant is not relying on the fact, nor does Landlord represent, that any specific tenant or number of tenants will occupy any space or any particular space in the Complex; nor does Landlord represent that any particular space in the Complex will be used for any particular purpose during the Term of the lease. This Lease embodies the agreement between the parties. All negotiations and oral agreements have been merged and are included herein. There are no other representations or warranties between the parties and all reliance with respect to representations is solely up to the representations and agreements contained in this document. Landlord shall not lease any portion of the complex to be or leased as a restaurant and/or lounge.

SECTION 16.10. Attorney's Fees. If it is necessary for Landlord to employ an attorney to enforce or defend any of Landlord's or Tenant's rights or remedies, then any reasonable amounts incurred by Landlord as attorneys' fees shall be paid by the Tenant.

SECTION 16.11. Contracts Between Landlord and Third Parties. If Landlord enters into any lease or other contract with third parties related to the Complex, including contracts for security services, Tenant shall not be a beneficiary of any such lease or contract. Tenant shall have no right whatsoever, either express or implied, under any such contract, nor shall Tenant have any right to enforce any such lease or contract on behalf of itself or any other party, including Landlord.

SECTION 16.12. Delivery of Complex. Landlord shall, on commencement date of this Lease, or as soon thereafter as practicably possible, deliver the Complex to Tenant, vacant of all tenants.

Election of Third Party Billing Process

Effective July 1, 2005, San Mateo County Behavioral Health and Recovery Services (SMCBHRS) will be required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement, you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide SMCBHRS with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCBHRS for the remainder.

We Sitike elect option one.

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (SMCBHRS) so that SMCBHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the SMCBHRS Billing Office with the completed "assignment" that indicates the client's permission for SMCBHRS to bill their insurance.

We Sitike elect option two.
