Establish No Parking During Specified Hours

Discussion:

The Department has evaluated the request and determined that the No Parking Zones During Specified Hours are necessary to prohibit the parking of vehicles on this portion of the roadway overnight.

KeyFacts:

- The Sheriff’s Department would like to prohibit the overnight parking of vehicles, particularly trucks, on this portion of the road. It is believed that truck drivers and other motorists use this area as an overnight rest stop.
- Road Crews have been asked to remove trash, piles of dirt, and human wastes along this portion of the roadway
- 1 objection received, 3 supports received.
- Supporters of the proposed parking restriction include the Filoli estate as well as adjacent property owners.
- Sole objector uses the proposed no parking zone to park vehicle overnight when carpooling and staying in San Francisco.
- The Department feels that the Park and Ride located on Edgewood Road at the NB 280 onramp should effectively meet the needs of the sole objector.
- Bicyclists and visitors to Edgewood Park like to park along this stretch of road when the designated parking areas are full.

Staff Recommendations:

Establish no parking during specified hours zones as shown on the attached map from 10 PM to 7 AM.
