Exhibit A

The County and Grantee agree that the grant funds shall only be used to further the goals of the following Project, described below and in the January 29, 2019 Board transmittal and Resolution, attached hereto:

Peer Programs

- **Peer PALS** – Peer PALS provides a one-on-one match between a person who is doing well in recovery (a PAL, or “Peer Leader”) with a person who is not doing well and needs additional support. The PAL connects with his or her Peer for up to 4.25 hours per week, typically including an outing and phone support.
- **Peer-to-Peer** – This 8-week class offers adults a holistic approach to recovery through a combination of lecture, discussion and exercise and is led by Peer Leaders.
- **Connection** – Drop-in weekly support group, led by two Peer-leaders, for adults living with mental illness to come together to seek support and understanding from others in similar situations. In 2017 and 2018, the Connection program held critical sessions on Christmas Eve and New Year’s Eve.
- **In Our Own Voice (IOOV)** – A recovery presentation given by trained individuals with a mental health condition to groups in locked mental health facilities (including weekly sessions at the San Mateo Medical Center) as well as to community groups to help educate and reduce the stigma of mental illness.

Most programs take place at NAMI’s office in the city of San Mateo, or at public locations throughout the County.

In each of these programs, NAMI SMC “employs” at least one “Peer Leader,” i.e., a person who has him or herself gone through recovery and can relate to and mentor the program participants. Often, these paid positions are the first the Peer Leader may have had in many years and represents a significant milestone in his/her own recovery process. As of the end of 2018, NAMI SMC has 14 “Peer Leaders” participating in one or more of these programs, and hopes to expand. Without the participation of the Peer Leaders, NAMI SMC would be unable to offer and deliver the Peer programs to the community.

Exhibit B

In accordance with the terms of this Grant Agreement, Grantee will provide, or cause to be provided the services for the Project detailed in Exhibit A and will report back to the County regarding various performance measures including, but not limited to, those noted below. Such reporting data shall be delivered to the County no later than June 30, 2019. In addition, Grantee agrees to provide descriptive information about the Project funded by the Measure K grant upon reasonable request of the County, including, but not limited to, the County Manager's Office, the County Communications Officer, or the Supervisorial District Office.
