This IRREVOCABLE OFFER TO DEDICATE TITLE IN FEE AND DECLARATION OF RESTRICTIVE COVENANTS (“the **offer**”) is made this _____ day of _____, 2019, by San Mateo County (“the **offeror**”).

Pertinent Facts

- A. The offeror is the legal owner of the fee interest in real property (“the **real property**”) in the County of San Mateo, State of California (described in Exhibit A, which is incorporated by reference and attached), which property has been conveyed to the offeror under the grant deed recorded concurrently with this offer.
- B. The offeror is a county in the State of California.
- C. The offeror purchased the real property using funds from the California State Coastal Conservancy (“the **Conservancy**”) provided under Division 21 of the California Public Resources Code for grants to public agencies and nonprofit organizations for the acquisition of real property, and under a certain unrecorded Grant Agreement No. 18-132 (“the **grant agreement**”) between the offeror and the Conservancy. Specifically, the Conservancy provided funds from an appropriation from the State of California pursuant to SB 840, Mitchell, Chapter 29 (2018), which appropriated general funds to be made available for grants to offeror and its local partners for the

Tunitas Creek Beach County Park, including for an acquisition of the real property for the Tunitas Creek Beach County Park (the “**state funds**”).

- D. The grant agreement requires that the offeror permanently dedicate the real property for specified purposes defined below.
- E. The offeror is executing this offer to comply with the grant agreement, and to protect the public’s interest in the real property, which was acquired with the assistance of state funds.
- F. The offeror intends through this offer to bind itself and its assigns and successors in interest.

The offeror hereby irrevocably offers to dedicate fee title to the real property to the State of California, acting through the Conservancy, and agrees to the restrictive covenants, as follows, in light of the pertinent facts, above, and in consideration of the Conservancy’s grant to the offeror for the acquisition of the real property and the preservation of the public’s interest in the real property.

- 1. **ACCEPTANCE OF OFFER.** This offer may be accepted only if the Conservancy finds that (1) the existence of the offeror has terminated or termination is imminent; or (2) that the offeror or its successor in interest in the real property has violated, with respect to the real property or any portion of it or interest in it, one or more of the following restrictive covenants and terms of this offer or the grant agreement, and has not resolved said violation after a reasonable cure period determined by the Conservancy, to the Conservancy’s reasonable satisfaction:
 - a. The offeror has acquired the real property for the purposes of open space preservation, public access to the coast, and natural resource protection, as provided under the Conservancy’s authorization of the disbursement of the state funds to acquire the real property (the “**acquisition purposes**”); and no use of the real property inconsistent with these acquisition purposes is permitted. For purposes of clarity, offeror may develop a water source for the property or staff housing, so long as these developments are consistent with the acquisition purposes.
 - b. The offeror shall use, manage, operate and maintain the real property as provided in Grant Agreement No. 18-132 between the offeror and the Conservancy, and as consistent with the acquisition purposes.

- d. The real property may not be transferred without the written approval of the Executive Officer of the Conservancy or its successor in violation of section 2(b), below.
- e. The real property may not be used for mitigation in violation of section 2(c), below.

In addition, the Conservancy may accept this offer where the property is under threat of condemnation or has been condemned, subject to section 3, below.

Upon a finding by the Conservancy, following written notice and a reasonable opportunity to cure, that any of the terms provided above has been violated; or that the existence of the offeror has terminated for any reason prior to a transfer of the real property in compliance with this offer; or that the property is under threat of condemnation or has been condemned, the Conservancy, or another public agency or a nonprofit organization designated by the Conservancy and which has agreed to accept the obligations of the offeror under this offer, may accept this offer in accordance with law, by recording in the Official Records of San Mateo County a Certificate of Acceptance substantially in the form of the attached Exhibit B.

- 2. **DECLARATION OF RESTRICTIONS**. The offeror declares that the real property shall be held, used, and conveyed subject to the following restrictions:

 - b. **Transfer of the real property.** Transfer of the real property is subject to the prior written approval of the Executive Officer of the Conservancy. The transferee shall be subject to all provisions of this offer, including, without limitation, the use restrictions. - c. **Mitigation.** The real property shall not be used for mitigation (in other words, to compensate for adverse changes to the environment elsewhere) without the written permission of the Executive Officer. In providing permission, the Executive Officer may require that all funds generated in connection with any authorized or allowable mitigation on the real property be remitted promptly to the Conservancy. For purposes of this section 2(c), mitigation includes, but is not limited to, any use of the property in connection with the sale, trade, transfer or other transaction involving carbon sequestration credit or carbon mitigation.
3. **CONDEMNATION.** Condemnation means a permanent taking through the exercise of any government power (by legal proceedings or otherwise) by any party having the right of eminent domain (“**condemnor**”); or through a voluntary sale or transfer by the offeror to any condemnor, either under threat of exercise of eminent domain by a condemnor or while legal proceedings for eminent domain are pending. If the real property is under threat of condemnation or has been condemned, the offeror shall promptly notify the Conservancy in writing, and shall use its best efforts to obtain the maximum compensation possible. Upon receiving condemnation proceeds, the offeror shall promptly pay to the Conservancy a percentage of the condemnation proceeds equivalent to the percentage of the total acquisition cost originally contributed by the Conservancy.
- If the Conservancy or its designee (an “**accepting party**”) accepts the offer due to threat of condemnation and receives proceeds following condemnation, the accepting party shall distribute a proportionate share to the offeror. If an accepting party accepts the OTD due to threat of condemnation, and condemnation does not occur, then the accepting party shall either reconvey the real property to the offeror or pay to the offeror the amount of the offeror’s contribution to the original acquisition, unless the accepting party and the offeror agree otherwise.
4. **MONITORING AND INSPECTION OF THE PROPERTY.** The offeror shall regularly monitor the real property for compliance with the acquisition purposes, consistent with the Conservancy’s Monitoring and Reporting Program (as it may be revised from time to time). The offeror shall submit a periodic monitoring report to the Conservancy as required by the Monitoring and Reporting Program. Upon conveyance of the real property, or any portion of or interest in it, the offeror shall provide a copy of the Monitoring and Reporting Program to the transferee.
5. **INSPECTION OF THE PROPERTY.** On reasonable prior notice to the offeror, the Conservancy shall have the right to inspect the real property during normal business hours to ascertain compliance with this offer.

This offer shall benefit the State of California.
8. **SUCCESSORS AND ASSIGNS**. The provisions of this offer shall bind and inure to the benefit of the successors and assigns of both the offeror and the Conservancy, whether voluntary or involuntary.
