W I T N E S S E T H:

WHEREAS, County operates health care facilities collectively known as “San Mateo Medical Center” (SMMC); and

WHEREAS, it is necessary and desirable that Contractor be retained for the purpose of performing professional services described in this Agreement for SMMC; and

WHEREAS, pursuant to Government Code Section 31000, County may contract with independent contractors for the furnishing of such services to or for the County; and

WHEREAS, Contractor desires to provide such services all upon the terms and conditions stated below, and this Agreement is entered into for the purpose of defining the parties’ respective rights and responsibilities.

NOW, THEREFORE, in consideration of the mutual agreements set out below, the parties agree as follows:

Section 1: Contractor’s Obligations

1.1 Organizational Status

Contractor represents and warrants that Contractor is:

An individual health care provider duly licensed, certified, accredited or otherwise duly authorized to practice medicine in the specialty of gastroenterology in the State of California.

1.2 Contractor’s Representatives

1.2.1 The term “Contractor” shall include all Contractor’s representatives, employees, shareholders, partners, subcontractors, and agents providing services in San Mateo County under this Agreement; i.e., every member of a medical group that contracts with the County shall be considered a “Contractor” for purposes of complying with this Agreement.

1.2.2 Where Contractor represents more than one individual, Contractor will designate a “Lead Contractor”. This Lead Contractor will be the contact person for the

County when dealing with issues affecting both parties, including but not limited to enforcement of this Agreement, in cases where direct discussion with the contractor fails to adequately resolve this issue.

1.3 **Qualifications**

The following indicate qualifications that must be satisfied by each Contractor as a condition of providing services under this Agreement:

- 1.3.1 Must be accepted by the Chief Executive Officer of SMMC or his/her designee; said acceptance may be withdrawn immediately at any time with written notice to Contractor at the reasonable discretion of the Chief Executive Officer of SMMC, his/her designee, the County's Chief, San Mateo County Health, or his/her designee.
- 1.3.2 Shall at all times keep and maintain a valid license to engage in the practice of medicine in the State of California and active Medical Staff membership and/or privileges as may be required under the Bylaws of County for Contractor's representatives to provide the services contemplated by this Agreement.
- 1.3.3 Contractor's representatives shall be certified by the appropriate state-recognized board in California (or eligible for certification by such board by virtue of having successfully completed all educational and residency requirements required to sit for the board examinations).
- 1.3.4 Contractor is not currently excluded, debarred, or otherwise ineligible to participate in federal health care programs or in federal procurement or non-procurement programs; nor has Contractor been convicted of a criminal offense.
- 1.3.5 Contractor agrees to participate in the County's Organized Health Care Arrangement (OHCA), as described by the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Contractors who choose to opt out of OHCA agree to advise the SMMC Medical Staff Office in writing and will provide their own Notice of Privacy Practice (NPP).
- 1.3.6 Contractor and each health care provider providing services under this Agreement shall, prior to providing services under this Agreement, provide to the SMMC Medical Staff Office satisfactory proof of immunity to Mumps, Measles and Rubella (MMR), Varicella and Hepatitis B. In addition, all such health care providers shall, prior to providing services under this Agreement, provide proof of vaccination for Influenza within the one year period immediately preceding commencement of such services, and of quantiferon Tuberculosis (TB) testing

within the one year period immediately preceding the commencement of such services. During the term of this Agreement, all health care providers providing services under this Agreement shall, on at least an annual basis, be immunized against Influenza; shall be tested for TB using the quantiferon blood test; and shall be N-95 fit tested. Documentation of compliance with these requirements shall be current on or before October 31st of each year during the term of this Agreement. Failure to maintain current documentation as required in this Section 1.3.6 shall be a material breach of this Agreement and will result in providers being barred from providing services or receiving compensation under this Agreement until such documentation is received. All health care providers acknowledge and agree that they may be required to undertake additional infectious disease-related testing in the event of an infectious disease exposure at SMMC. SMMC shall provide the testing and services required under this Section 1.3.6, free of charge to health care providers providing services under this agreement or such health care providers shall have the option of providing documentation from other sources that is reasonably satisfactory to the County of compliance with the requirements of this Section 1.3.6.

Each payment shall be conditioned on the Contractor's performance of the provisions of this Agreement, to the full

satisfaction of the Chief, San Mateo County Health, Chief Executive Officer of SMMC, or either of their designees.

1.5.3 Time Limit for Submitting Invoices

Contractor shall submit an invoice for services to County for payment in accordance with the provisions of Exhibit B. County shall not be obligated to pay Contractor for the services covered by any invoice if Contractor presents the invoice to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier.

1.6 **Substitutes**

Contractor may provide a substitute for any Contractor who is unable to provide services required under this Agreement. As a condition of providing services under this Agreement, any such substitute shall first be approved by the Chief Executive Officer of SMMC or his/her designee and shall otherwise satisfy all qualification requirements applicable to the Contractor, including but not limited to being covered under Contractor's insurance or submitting separate insurance issued by a company under such terms and limitations as County shall reasonably approve.

1.7 **General Duties of Contractor**

1.7.1 Administrative and Miscellaneous Duties and Responsibilities

Contractor will cooperate with the administration of the Medical Center. Such cooperation shall include but not be limited to the following: maintaining medical records in a timely fashion (including the appropriate use of dictation or other technology, as required by County), billing, peer review, completing time studies as required by California and Federal reimbursement regulations, and County's compliance programs. 1.7.6 Compliance with Contractor Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the Contractor, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed in Exhibit B, is less than one-hundred thousand dollars (\$100,000), but Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

1.9 **Provision of Records for County**

Contractor shall furnish any and all information, records, and other documents related to Contractor's services hereunder which County may reasonably request in furtherance of its quality assurance, utilization review, risk management, and any other plans and/or programs adopted by County to assess and improve the quality and efficiency of County's services. As reasonably requested, Contractor shall participate in one or more of such plans and/or programs.

1.10 **Cooperation with County in Maintaining Licenses**

Contractor shall assist County in obtaining, achieving, and/or maintaining any and all licenses, permits, other authorization, and/or accreditation standards which are dependent upon, or applicable to, in whole or in part, Contractor's services under this Agreement.

1.11 **Contractor's Conflict of Interest**

Contractor shall inform County of any other arrangements which may present a professional, financial, Stark Law, or any other state or federal conflict of interest or materially interfere in Contractor's performance of its duties under this Agreement. In the event Contractor pursues conduct which does, in fact, constitute a conflict of interest or which materially interferes with (or is reasonably anticipated to interfere with) Contractor's performance under this Agreement, County may exercise its rights and privileges under Section 3 below.

1.12 **Non-Permitted Uses of County Premises**

Contractor agrees not to use, or permit any of Contractor's representatives to use, any County facility or service for any purpose other than the performance of services under this Agreement. Without limiting the generality of the foregoing, Contractor agrees that

Such inspection shall be available for up to four (4) years after the rendering of such services. If Contractor carries out any of the duties of this Agreement through a subcontract with a value of \$10,000 or more over a twelve (12) month period with a related individual or organization, Contractor agrees to include this requirement in any such subcontract. This section is included pursuant to and is governed by the requirements of 42 U.S.C. Section 1395x(v)(1) and the regulations thereto. No attorney-client, accountant-client, or other legal privilege will be deemed to have been waived by County, Contractor, or any Contractor's representative by virtue of this Agreement.

1.16 **Professional Standards**

Contractor shall perform his or her duties under this Agreement in accordance with the rules of ethics of the medical profession. Contractor shall also perform his/her duties under this Agreement in accordance with the appropriate standard of care for his/her medical profession and specialty.

Section 2: Change of Circumstances

In the event either (i) Medicare, Medi-Cal, or any third party payor or any federal, state, or local legislative or regulative authority adopts any law, rule, regulation, policy, procedure, or interpretation thereof which establishes a material change in the method or amount of reimbursement or payment for services under this Agreement; or (ii) any or all such payors/authorities impose requirements which require a material change in the manner of either party's operations under this Agreement and/or the costs related thereto; then, upon the request of either party materially affected by any such change in circumstances, the parties shall enter into good faith negotiations for the purpose of establishing such amendments or modifications as may be appropriate in order to accommodate the new requirements and change of circumstance while preserving the original intent of this Agreement to the greatest extent possible. If, after thirty (30) days of such negotiations, the parties are unable to reach an agreement as to how or whether this Agreement shall continue, then either party may terminate this Agreement upon thirty (30) days prior written notice.

Section 3: Term and Termination

3.1 Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2019, through June 30, 2020.

3.2 Extension of Term

The term of the Agreement may be extended by mutual written, signed agreement by both parties.

3.3 Termination

3.3.1 Termination By County or Contractor

This agreement may be terminated by County or Contractor at any time upon ninety (90) days written notice by the terminating party to the other party.

Either party may terminate this Agreement at any time in the event the other party engages in an act or omission constituting a material breach of any term or condition of this Agreement. The party electing to terminate this Agreement shall provide the breaching party with no fewer than thirty (30) days advance written notice specifying the nature of the breach. The breaching party shall then have thirty (30) days from the date of the notice (or such longer period as is specified in the notice) in which to remedy the breach and conform its conduct to this Agreement. If such corrective action is not taken within the time specified, this

Agreement shall terminate at the end of the notice and cure period (typically sixty (60) days) measured from the date of initial notice without further notice or demand. Upon breach of the terms of this Agreement by an individual contractor's representative, County shall have the option of withdrawing its acceptance of that individual contractor's representative, as described in Section 1.3.1, without terminating this Agreement. Upon withdrawal of acceptance, Contractor must replace said contractor representative as specified in Section 1.6 of this Agreement. Withdrawal of acceptance of an individual contractor's representative will not, of itself, constitute grounds for termination of this Agreement by either party.

3.3.4 Patient Records Upon Termination and Notice to Patients

All original patient records shall be property of the County. Upon termination of this Agreement, Contractor shall return any such records as may be in Contractor's possession to County, subject to Contractor's right to copies of records.

COUNTY OF SAN MATEO

Attachment J Vendor/Contractor Access Policy

Policy Update: 10/22/2018

Overview

Vendors/Contractors play an important role in the support of hardware and software management for San Mateo County. They may be required to access, configure, maintain, and provide emergency support for systems. As a result, the vendor/contractor can be exposed to sensitive data or the need to connect to the County's network may expose the County to unwanted virus or security threats.

Policy Purpose

The purpose of this policy is to establish rules and responsibilities for the vendors/contractors who require not only physical access but also access to the County's network and information resources. This policy is intended to minimize potential exposure from damages and to mitigate any liability to the County as a result of unauthorized use.

Scope

This policy applies to all vendors/contractors who require access to County facilities as well as access to the County's network using non-County owned computing devices to perform work on behalf of the County. This policy also applies to all portable computers (laptops) and portable computing devices (devices that have similar hardware and software components used in personal computers such as a tablet PC).

Policy

Vendor/contractors shall:

- A. Only use information and systems for the purpose of the business agreement with County and any information acquired in the course of the agreement shall not be used for personal purposes or divulged to others.
- B. All contractors and vendors contracting with the County shall provide a list of its employees that require access to the County's system and data pursuant to the agreement
 1. The list shall be updated and provided to the Departments and Chief Information Officer (CIO) or his/her designee within 24 hours of staff changes.
- C. Safeguard all County data by:
 1. Utilizing data encryption to protect information on computing devices.
 2. Securing the computing device at all times; especially if the device is left unattended for any length of time.

3. Implementing precautions to prevent others from viewing on-screen data in public areas.
 4. Notifying the County immediately if the mobile device containing County data or used in the performance of County activities is lost or stolen.
 5. Not downloading, uploading, or maintaining, on a computing device, any information that is considered sensitive without authorization of his/her Project Manager or Department Head or his/her designee.
- D. Vendor/contractor shall use unique accounts and password management that complies with the County's Information Technology (IT) Security Policy.
1. All passwords and accounts shall be unique to the vendor/contractor and shall not be shared.
- E. Vendor/Contractor shall take reasonable steps to protect against the installation of unlicensed or malicious software.
1. All commercial software installed must have a valid license and that the terms, conditions, and copyright laws shall be strictly followed.
- F. All County-owned software installed on the computing device must be removed when the vendor/contractor services are terminated.
1. Upon termination of work, the vendor/contractor shall return or destroy all County information and data as well as provide written certification of that return or destruction within 24 hours.
- G. Remote access rules and procedures shall be strictly adhered to.
1. Remote access usage must be confined to provide support for County systems; personal use shall be strictly prohibited.
- H. In the event that a vendor/contractor disposes of a computing device containing County's confidential information and/or data, the device must be sanitized in such a way that does not allow for the retrieval of data and by Department of Defense (DOD) standards.
1. Alternatively, computing devices may be physically destroyed by a method that leaves the device's data unrecoverable.
- I. Vendor/contractor understands that its written security protocols for County-related business shall be available for inspection by the County upon request.
1. For the period that the computing device is on the County's network, there is no expectation of privacy with regard to the contents of the device despite the fact that it is a privately-owned equipment.
- J. Vendors/contractors must wear visible identification and if issued a County cardkey, the cardkey must be visible at all times. Use of another individual's cardkey is expressly prohibited.
- K. Vendor/Contractor access to County data center(s) must be authorized and approved in writing by the Chief Information Officer (CIO) or his/her designee.

Responsibilities

The vendor/contractor will be responsible for assuring that anti-virus software, with scanning and update services be applied, is installed on its computing device used for County business and that the anti-virus software meets the requirements as set forth in the County's IT Security Policy and the Virus, Patch, and Vulnerability Management Policy. Vendor must also ensure that all computing devices have operating system security patches installed and are updated on a regular basis.

Additionally, computing devices, such as laptops and/or tablets, must include an approved encryption program with configuration that meets or exceeds the County's IT Security Policy.

Vendor/Contractor device(s) may connect directly to the County network with express written approval from the CIO or his/her designee. The Vendor/Contractor must verify to the County that the device(s) have been patched, virus protected, and encrypted. Vendors using devices without approved software and encryption will not be permitted to connect to the County's network.

It is also the responsibility of the vendor/contractor to be familiar with the following policies to ensure its adherence:

- IT Security Policy
- Internet Usage Policy
- Email Policy (if applicable)
- Virus, Patch, and Vulnerability Management Policy
- Data Center Policy

Policy Enforcement

The Director of ISD (CIO) is the policy administrator for information technology resources and will ensure this process is followed. Additionally, Division Directors, Department Heads, and managers are responsible for compliance with County policy within their respective administrative areas.

Those vendors who violate this policy may be subject to contract termination, denial of service, and/or legal penalties, both criminal and civil.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information
