The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible thirdparty payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement, through the Cost Report reconciliation.
- b. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during

the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. 2. Option Two

- a. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.
- b. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. T. Cost Report/Unspent Funds

By mutual agreement of County and Contractor, contract savings or "unspent funds" may be expended the following year, provided that these funds are expended for services approved by County and are retained in accordance with the following procedures.
 - a. Contractor shall submit a projected calculation of any savings no later than ninety (90) days before end of the fiscal year. The projected calculation will be a separate report from the year-end cost report. With the projected calculation Contractor shall return the amount of the savings.

Approved rollover funds shall be spent only for the succeeding fiscal year and only for the specific purpose(s) requested and approved.

- c. Contractor shall submit an accounting report of the rollover savings. This report shall include copies of the detailed expenses. The report is due ninety (90) days after the specific purpose has been completed, or ninety (90) days after the end of the fiscal year, whichever comes first. Any unspent rollover funds shall be returned to the County with the accounting report.
- d. If the specific purpose is not yet complete as of the end of the succeeding fiscal year, contractor may request to rollover the unspent funds to the succeeding second fiscal year by submitting a written request with the accounting report. The unspent rollover funds shall not be spent until the request is approved by the BHRS Director or designee.
- e. A final accounting of the rollover funds shall be submitted ninety (90) days after the specific purpose has been completed, or ninety (90) days after the end of the second fiscal year, whichever comes first. Any unspent rollover funds shall be returned to the County with the accounting report.
